More Beautiful, More Fruitful

Space Age Mums New for 1961

"I've never seen anything so different and so beautiful."
"They would make such lovely arrangements." These were the comments of visitors to our fields as they saw the new Space Age Mums for the first time last fall. The originator, Glenn Viehmeyer of the North Platte, University of Nebraska Experiment Station, selected the names to go with their unique, modern style for the up-to-date American garden. The range of soft, pastel colors is superb, blending beautifully in long-lasting bouquets and a glorious outdoor display from mid-September until hard freezing weather. Of course the highlight is the unusual fully-double, quill form, a great new series of Mums that we are proud to introduce this spring. Order early and have the first Space Age Mums in your neighborhood.

Your Choice of the Following Varieties
Each \$1.00, 3 for \$2.65, Postpaid

M 903 Asteroid—Large flowers, 4 to 5 inches across, of buttercup yellow, borne singly on long stems. Grows 20 inches tall.

M 905 Starfall—A fascinating combination of deep red and warm tan. Makes a plant over 2 feet tall covered with blooms 5 inches or more across.

M 902 Apogee—The finest plant of all, 2 feet tall, 2 to 3 feet wide, loaded with rich lavender flowers, 3 to 5 inches across.

M 904 Astronaut—Huge blooms, up to 6 inches across, of golden apricot-orange are the finest of fall colors. Grows 2 feet tall.

SPACE AGE MUM SPECIAL

Apogee, lavender

Asteroid, yellow

Astronaut, apricot

Starfall, red-bronze

MM 900 One Each of All 4 for \$3.35 Postpaid

CC 8 All 12 for **\$10.95**

Medium 2-Year No. 1½ Plants, Postpaid

Here is an opportunity to get genuine Inter-State roses at a **SPECIAL LOW PRICE**. These are exactly the same fine varieties as described on other rose pages but the plants are medium size 2-year number 1½ grade, field-grown. They are labeled as to color rather than by name.

We assure you that you will have beautiful, fragrant roses and lots of them, **THIS SUMMER**, and many summers to come. Order them early, **PLANT THEM EARLY THIS SPRING** and in a few weeks you will be cutting the lovely flowers.

You can grow roses in ordinary garden soil, in full sun or part shade. With each order we send easy-to-follow planting instructions. It also explains the simple winter protection needed in the cold states.

Inter-State roses are famous throughout America. Enjoy them in your own garden. We guarantee these roses to please you when you get them and also when they bloom. Shipped postpaid, trimmed for planting.

Your Choice of the Following Colors, Alike or Assorted, Postpaid

6 for **\$6.35**

12 for **\$11.45**

25 for **\$20.95**

Medium Size, 2-Year
No. 1½ Field Grown
Plants

How to Order

In the comfort and privacy of your own home, you can look through this catalog and select Inter-State's Guaranteed Nursery Stock and Seeds.

1. Write your order for Nursery Stock and Bulbs on the order blank on the back of this page.

2. Write your order for Seeds and Supplies on the order blank at the back of the catalog between pages 82 and 83.

If you run out of our order blanks you can use any sheet of paper, but be sure to put your orders for Seeds and orders for Nursery Stock on separate sheets of paper. You can mail both orders in the same envelope. Seeds and Supplies are handled in a separate department and are shipped at once while Nursery Stock is shipped at the proper planting time *in your locality*.

3. Print or Write name, and address on all orders.

In making out your orders please write or print very plainly, giving your full name and complete address, street or rural route and postal zone if your city is zoned. Also list your nearest express office if it is different from your post office as we sometimes ship by *prepaid express* instead of parcel post unless you object. All members of the same family, living at the same address, please order under one name.

4. Order all items by catalog number.

This helps us give you better service and helps avoid mistakes. List quantity, variety and size of items wanted.

5. You can send us money order, draft or check.

If you send currency or cash, wrap it carefully and register your letter. A money order is a better way to send payment.

Please do not ask us to ship C.O.D. The post office and express companies make an extra charge for this service, which makes your cost greater.

6. Handling Charge. Please add 35c to your nursery order to help cover the increase in handling and packing costs. There is no handling charge on seed orders. Thank you.

7. Sales Tax. Customers living in Iowa and Missouri will add 2% to the amount of their order, which the Law requires us to collect.

Mail Your Order Early

On page 3 is a list of premiums you get for ordering early. Be sure to list the premiums you wish on your order so all can be sent in one shipment. When you are through with your Spring Catalog, perhaps your neighbor would like to see it. Thank you.

Blue Ribbon Glad Special

King David—Rich, velvety purple with a silver picotee. Outstanding in arrangements.

Leif Erickson—Delicate chartreuse buds open to lovely ruffled flowers of deep cream.

Prospector—A great new Glad—beautiful ruffles, rich yellow color, perfect placement and strong tall spikes.

Red Radiance—This brilliant scarlet glad will illuminate your garden or bouquet.

Spic and Span—The greatest and most popular of all Glads. Perfect, ruffled flowers of rich pink.

Sierra Snow—Tall, strong spikes with large flowers as white as new fallen snow.

Violet Charm—An elegant shade of light lavender-violet with a deeper violet blotch tipped cream.

YY 1 5 Each of Above 7 Glads
All 35 Fine Bulbs for \$1.95 Postpaid

YY 2 10 Each of Above 7 Glads
All 70 Fine Bulbs for \$3.45 Postpaid

YY 3 20 Each of Above 7 Glads
All 140 Fine Bulbs for \$5.95 Postpaid

Here are seven of the greatest Glads of all time, each, one of the finest of its color. When you see them blooming in your garden this summer, and when you use them in bouquets and arrangements, you will know why they win top awards at the flower shows. Lovely colors on graceful spikes, 6 to 8 glorious flowers open at once and every remaining bud will open perfectly right out to the tip. They are fully described on pages 71, 72. We also assure you that they are beautiful, large flowers, exquisitely ruffled.

We send you first quality, fine bulbs 1 to 1½ inches across (diameter). We can offer them at this special price only because we sell millions of Glads. Each variety is labeled and sacked separately. **GUARANTEED TO PLEASE YOU WHEN YOU GET THE BULBS AND ALSO WHEN THEY BLOOM THIS SUMMER.**

PLEASE HELP US CORRECT OUR MAILING LIST

If your name or address as shown on the catalog envelope is wrong or if you have moved please write below BOTH the right and the wrong.

Street Number _____ **R.F.D.** _____ **Box** _____

City _____ Zone _____ State _____

Express Office (If different from Post Office.) _____

Do not write in above space

Sometimes we ship by **PREPAID EXPRESS** instead of Parcel Post. If you object, write "No" here_____

If you want this order shipped to another person or to an address different from that above, give directions here

Payment in full should accompany all orders. We do not ship C.O.D. The best way is by Money Order, Check or Bank Draft. Avoid sending silver or stamps unless absolutely necessary. If you send silver, wrap it in heavy paper and REGISTER YOUR LETTER.

For Seeds and Supplies (Rose Dust, Ra-Pid-Gro, etc.) use order blank opposite page 83.

FREE!

Be sure to put on your order the Premiums you select for sending in your order EARLY. See page 3.

FREE Premiums with orders of \$5.00 or more!

If you send us your order for Nursery Stock EARLY (seeds are not included), you may select Free Premiums as follows:

On Nursery orders of \$5.00 select ONE of these seven Premiums.

On Nursery orders of \$10.00 select TWO premiums, alike or different.

On Nursery orders of \$15.00 select THREE premiums, alike or different.

With each additional \$5.00 select one more premium.

The Premiums you select MUST BE WRITTEN ON THE ORDER, or none will be sent, even if you notify us later. However, if you send us another order, then you can include Premiums you overlooked on a previous order of the same season.

IMPORTANT—If we run short on some items, we reserve the privilege of changing premiums, sending you stock of equal or greater value.

No. 1—4 Fine Perennials:

1 Columbine, 1 Painted Daisy, 1 Shasta Daisy, 1 Phlox, Worth **\$2.20**

No. 2—1 Royal Gold Lily, Worth **\$2.00**

No. 3—2 Helenium Copper Spray, Worth **\$1.50**

No. 4—2 New Multiflora Begonias, Worth **\$1.30**

No. 5—2 Mid-Century Lilies, Worth **\$1.30**

No. 6—15 Glad Bulbs, large size, Our Choice, worth **\$2.00** or more.

No. 7—1 Everblooming Rose, Worth **\$1.25** or more.

Inter-State's Guarantee

1. We guarantee our stock to be true to name. If it proves otherwise, we will replace free or refund the amount you paid us for it.
2. We guarantee our stock to be first quality and to reach you in good, live, growing condition. Examine it carefully upon arrival, and, if you are not entirely satisfied, return it at once and we will replace it free or refund your money.
3. Our stock is carefully handled, and under ordinary conditions should grow for you. But if it does not, owing to the weather and other conditions over which we have no control, we will replace at half price the following season, you to notify us not later than October 1st, 1961, accompanying your report with remittance of one-half original purchase price.

We want you to be satisfied. If anything is wrong, we want you to write to us.

AND THE MEN BEHIND IT

The Inter-State Nurseries are owned and operated by three brothers, Carl O., Leslie R., and David L. O. Sjulin (this is a Swedish name and is pronounced "Shoe-lin"). Practically born and raised in the nursery business, we have grown to be the Largest Direct-to-You Nurseries in America, with hundreds of thousands of customers. We have 1600 acres of the finest soil in the world, ideal for growing nursery stock.

What you should know about Inter-State Nurseries

The most important facts are that back of this firm are life-times of nursery experience, plus the best nursery soil, and a sincere desire and effort to please and satisfy our customers.

Our soil, called Loess by the geologists, is very rare, occurring in only a few places throughout the entire world. Even in Iowa, famous for its rich soil, this Loess is rated something very special and super-excellent. We have a long growing season, time to make the husky plants you like to set out. And our winters are cold enough (sometimes 20 below zero) to assure hardiness. Normally rainfall is ample. But we have nearly 300 acres under irrigation where we grow perennials and such stock as needs more regular watering. In one of these fields we grew over a million Phlox, the very plants listed on Page 65.

We three brothers, Carl, Les, and Dave worked for a large nursery on Saturdays and school vacations. In 1919 we moved to Hamburg, establishing our own nursery, growing and selling at wholesale to other nurseries. In 1931 we decided that as long as we were growing the nursery stock, we should sell it Direct-To-You, the final customer. So we issued our first catalog Spring 1931.

Now as the years have gone by, we are aided by our sons, who have grown up in the business, and an exceptionally fine organization, many have been with us since our first catalog and even before.

About this catalog

It is not just a sales book, but a Guide to Better Planting. We have tried hard to make it more helpful, better illustrations (but it is absolutely impossible to reproduce on paper the real beauty of nature). You will find new roses such as the 1961 All America Winners Duet and Pink Parfait on page 84. Perennials that are not only new but better, such as Purple Showers Violet, Penstemon Indian Jewels, Giant Primroses and New Hardy Asters on pages 54 and 55. And, the fabulous new Ballerina Begonias are pictured on page 83. And, see pages 18, 19 and 20 for our AMAZING LITTLE GIANTS (small trees, giant fruits), America's Largest Selection of Dwarf Fruit Trees.

Finally

This then is a short story about the Inter-State Nurseries, a national institution, the largest of its kind. It has helped to make America More Beautiful, More Fruitful. Its proudest possessions are the thousands of letters telling about the satisfaction of making homes better places in which to live.

Send Living Gifts

**That Will Be Cherished for Years
For Christmas, Birthdays, Mother's Day,
Easter, Anniversaries, Any Occasion**

Each year more and more people wish to send their friends and loved ones Living Gifts. It is very easy to do.

You select from our catalog whatever you wish us to send. With your remittance, give us the name and complete address to whom you want it shipped. We will send this party a suitable Gift Certificate giving your name as donor and listing the stock you selected (without prices). It will be shipped at the proper planting time. *We guarantee satisfaction to you and to those receiving the gifts.*

Important Information

It's Easy to Order by Mail from Inter-State

You can relax in the comforts of your home while you order by mail from Inter-State Nurseries. Pick out the items you want to plant this spring from the 84 colorful pages of this catalog. Write your order for Nursery Stock on the order blank opposite page 2 or use the one opposite page 83 if you order Seeds or Supplies from pages 6 & 7. Fill in your full name and complete address and enclose your remittance either by money order, check, bank draft or currency. If you send currency, please register your letter. Mail to us and when the proper planting time comes for your locality, we will ship your order Direct-to-You. Plant the stock, watch it grow and enjoy the added beauty and fruitfulness of your home.

We Pay Postage (Alaska and Hawaii orders sent air mail collect), except large trees are shipped express collect

Please note that most items in this catalog are DELIVERED TO YOU, POSTPAID. (Customers in Alaska and Hawaii should write us for air mail costs.) This means that you pay no postage charges on those items. Some Fruit and Shade Trees listed "Not Postpaid" are too large to go by parcel post. They are shipped by express, you pay the express charges. **We include extra stock to help pay the express.**

In some orders there are trees which must go by express and also some stock (shrubs and roses) which would go parcel post. To avoid making two separate shipments of trees, shrubs and roses (see below), we send these entire orders by express. For this privilege, we include extra stock which has a greater value than the additional express charges amount to.

Nursery Stock is shipped at proper planting time

Nursery Stock and Seeds are not shipped together. Seeds and Supplies are shipped at once. Nursery stock is shipped at proper planting time in your locality. We are equipped so that we can start shipping to southern states early in the year. As the season advances, we keep shipping farther north until in May we are shipping to the most northern states. If you want your order shipped on a particular date, please write this on your order.

SEPARATE SHIPMENTS

Please read this carefully

Trees (both fruit and shade), shrubs, hedging, small fruit plants, vines (except Clematis) and roses are shipped first, because they should be planted first as they can stand late frosts and cold snaps after being planted. But perennials, bulbs, clematis, should not be planted as early, therefore they are shipped separately often 2 or 3 weeks later. So your order may be sent in several separate shipments in order that you get your stock at the best planting time to give you the best results. For example, if you have ordered roses, shrubs or trees and also perennials or bulbs, you will get the roses, shrubs or trees first and the perennials or bulbs later. After you get the roses, shrubs, you need not write us about not getting perennials or bulbs as we will ship them a little later on.

New Method of Wrapping

We are now using a new product, Polyethylene or Polyethylene-coated kraft paper, which retains the natural moisture of plants for several days yet allows them to "breathe". Exhaustive tests by leading colleges and universities and practical use have proven this to be the best method of shipping nursery stock. It means that your nursery stock will arrive in perfect condition **EVEN WITHOUT MOSS OR OTHER PACKING MATERIAL**. If shipment arrives during a spell of bad weather, you can leave it in the package for several days. Of course, you should plant as soon as you can because the sooner you get it in the ground, the sooner it starts growing and the quicker you get flowers or fruit.

Get Acquainted Offers for 1961

We call your special attention to the following offers which have made us thousands of customers and friends from coast to coast. Find a spot in your own garden where they will help make your home more beautiful.

Envelope—Rainbow Glads

Page 83—Ballerina Begonias

Helpful Planting Guide Free!

With every nursery stock order, we send Free a Planting Guide. It tells in a clear, simple way how to plant so that even if you have never done any planting, you can have success. It tells, also, how to prune, water, care for plants over winter, how far apart to plant, etc.

We Are America's Largest Direct-to-You Nurseries

Because we grow and sell direct-to-you more nursery stock than any other nursery, we can sell first quality stock at reasonable prices. Our soil is rated the finest in all America for growing nursery stock. It produces wonderful roots and fine tops. If you have never planted any of our seeds, order some this year. They are guaranteed to grow.

Centrally Located

We are located near the geographical center of the United States, with railroad facilities that enable us to ship promptly in all directions, North, South, East and West.

Sales Tax

The law requires us to collect a sales tax of 2% on all orders sent to us **BY PEOPLE LIVING IN IOWA AND MISSOURI**. Iowa and Missouri customers will please add this amount to their orders. **BUT PEOPLE NOT LIVING IN IOWA OR MISSOURI DO NOT SEND ANY SALES TAX.**

As a Soil Conditioner
For Better Growth

This is a special Horticultural All-Purpose Peat which can be used for Azaleas, Blue Hydrangeas, also Roses, Shrubs, Perennials, Trees, etc. Especially fine for lawns and gardens. It is almost 100% humus. Mix $\frac{1}{4}$ of this Peat with soil when planting. Helps soil hold moisture and is a wonderful soil conditioner, as it stimulates bacterial growth. In our own work, we have found Peat Moss to be far more effective than a chemical soil conditioner. Postpaid.

K 15 1 Bushel Peat Moss for \$2.95

Super MOLE-NOTS

KILLS THE MOLES IN THE GROUND

No Traps • No Gas • No Exposed Poison

A new, improved method to rid your lawn or garden of pesty Moles. Ready to use Peanuts treated with odorless Thallium Sulphate, a poison deadly to moles, kills them right in the ground.

Guaranteed to Kill Moles or Money Refunded

Use according to the simple instructions with each package. Guaranteed to kill the moles or purchase price will be refunded. To quickly eradicate the entire family of moles, place these Peanuts in all visible runways, at intervals of two or three feet. The Moles eat them and die. These Peanuts, if placed around the edge and throughout a freshly made flower bed (in the ground), will eliminate the loss of bulbs or plants. Keep an ample supply on hand to treat new runways as soon as they appear. They are **POISON** so be sure to keep out of reach of children and pets. Postpaid.

NEW IMPROVED IMPERIAL HOME ORCHARD SPRAY

K 80 1 Pound for \$1.95, Postpaid
K 81 3 Pounds for 4.95, Postpaid

EASY-TO-USE—All you do is mix with water and spray.

EFFECTIVE—Contains Captan for fungus control, Malathion for insect pests and Methoxychlor for added insect control.

ECONOMICAL—This one complete Home Garden Spray can be used on Fruit Trees, Fruit Plants and Ornamental Plants.

This amazing new home orchard spray contains three of the newest and most potent insecticides and fungicides, Captan, Malathion and Methoxychlor, all scientifically combined in one Multi-Purpose Spray. You merely add water. One pound makes 12 gallons of spray. It is ideal for home fruit growing as this one spray controls insects and diseases in one spray material. It controls such insects as curculio, codling Moth, Oriental Fruit Moth, Japanese Beetle, Leaf Rollers, Aphids, etc.; and diseases like scab, blotch, brown rot, cedar rust, leaf spot, etc. It also can be used as a dormant spray. Home fruit growing can be made pleasant and profitable. Simple directions on the package.

This Multi-Purpose Spray does three things:

1. Contact insecticide killing many insects by contact.
2. Fungicide for diseases.
3. Control for chewing insects.

And it can be used right up to harvest.

Guaranteed Satisfactory Or Your Money Refunded

This complete Home Garden Spray is also effective for fungus and insect control on ornamental plants such as evergreens, roses, shrubs, mums, etc.

BETTER HOMES AND GARDENS GARDEN BOOK

RA-PID-GRO Complete Plant Food

For Better Roses Shrubs and Trees, Better Gardens and Lawns

K 160 1 Pound for \$1.45, Postpaid

We wish everybody would use Ra-Pid-Gro. It will greatly increase the enjoyment you will receive from your lawn, garden, roses, trees and shrubs. RA-PID-GRO is a concentrated, complete plant food (23-21-17 plus trace elements). Easy to use, all you do is mix with water. Economical, 1 pound makes 22 gallons of quick-acting fertilizer. Dual Purpose, use for foliage feeding and around plants. Effective, you will get more, larger flowers and fruit.

USE RA-PID-GRO WHEN PLANTING, you simply put 4 level teaspoonfuls of RA-PID-GRO in 1 gallon of water (8 level teaspoonfuls in 2 gallons of water, etc.). Soak the roots of roses, shrubs, and trees 3 to 4 minutes; just dip perennial roots and strawberry plants for a second or two. Plant immediately, protecting all roots from sun and wind, and pour the solution around the newly planted stock and water well.

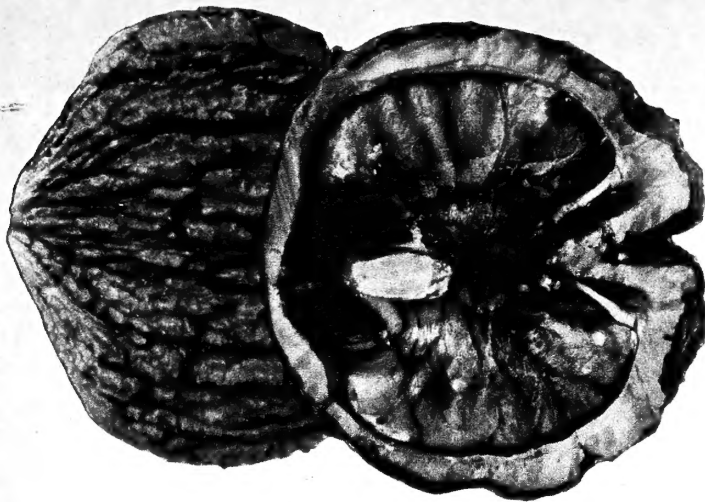

USE RA-PID-GRO EVERY 2 OR 3 WEEKS throughout the season for the best results from both new and old plantings. Water thoroughly after fertilizing. It is marvelous for invigorating lawns. For use on lawns and large areas, we have a special nozzle attachment for your hose which automatically measures the correct amount of RA-PID-GRO. It costs \$1.75, Postpaid. Try RA-PID-GRO at our risk. If you are not entirely satisfied, your money will be refunded. Postpaid.

Plant Nut Trees for profit, beauty, shade and food

Thomas Black Walnut, Actual Size

THOMAS BLACK WALNUT

N 1 When the long cold evenings of winter come, what a pleasure it is to crack some Black Walnuts to eat or for fudge, or for mother. She can use them in so many different ways and what a delicious flavor they add. Everybody likes Black Walnuts, but the common Black Walnut is small and it is hard to get out the meats.

Now you can have the Thomas grafted Black Walnut, which is giant size with kernels much larger, better flavor and much easier to get out. Thomas is fast growing and produces very large nuts. It is the greatest nut tree of the country. You should plant it because—

1. It bears very young, often second year after planting. A mature tree will produce 15 to 40 bushels of giant size nuts which sell for \$4.00 or more per bushel.
2. The nuts are immense size as pictured above. They crack easily so the meats come out in halves and quarters. A bushel of nuts cracks out 10 to 12 pounds of meats.
3. The nuts are delicious flavor and because they are so large and plump and come out in halves and quarters they sell for \$1.25 or more a pound.
4. It will grow in every state where Black Walnuts are native. It is not particular as to soil. Plant 50 feet apart.
5. In time the tree will grow large and walnut logs are scarce. If you wished you could sell the trees for lumber at a good price. These are grafted trees and grow rapidly.

CHINESE CHESTNUTS

N 17 These Chinese Chestnuts are seedling trees from selected parents which have been found to be superior. They start bearing very young, generally a year or two after planting. The nuts are large, sweet, fine flavor. They develop into large, handsome trees, attractive enough to plant in your lawn as a shade tree. We do not recommend planting them where temperature regularly falls to more than 15 below zero. Yields will be larger if you plant two trees so they can cross-pollenize.

STUART PECAN

Thin Shelled
High Quality
Bears Heavily
and Regularly

N 42 Stuart Pecan. This is the hardiest of the regular Pecan varieties which are grown throughout the South. It lives, bears and matures its nuts as far north as Kansas City, Missouri. We do not advise planting north of Kansas City. Stuart is very thin shelled and cracks easily into halves. The nuts are high quality with that real, delicious Pecan flavor. The tree with its rich green foliage, perfect form is attractive enough to plant in your front yard. It bears heavily and regularly, large nuts just like those you buy. This outstanding variety not only can be planted farther north than other Pecans but is also one of the best kinds grown in the regular Pecan sections of the South. If you live south of central Missouri, you should plant a Stuart Pecan tree and grow the delicious nuts right in your own yard.

N 40 Hirschi Pecan is a new variety found near Kansas City by Mr. A. G. Hirschi, the eminent authority on Nuts, specializing on Walnuts and Pecans. The nuts are good size, very thin shelled and crack easily into full halves. The quality is very high, having the rich full flavor of the native pecan. We know that it lives, bears and matures its nuts fully near Kansas City. We do not advise planting the Hirschi farther north than Hamburg until we learn more. The tree with its rich green foliage, perfect form, is attractive enough to plant in your front yard.

Fresh from Your Own Garden!

WONDERFUL, TASTY

Rhubarb

Rhubarb is the earliest spring vegetable. Some list it as a fruit because once planted it lasts a lifetime, coming up year after year without special care or attention. Plant 3 to 4 feet apart, covering the crown with 2 inches of soil.

We do not list the common Rhubarb because these two kinds are so far superior. In the first place they are much larger, far better flavor, sweeter and the skin of both is so tender that they need not be peeled. Also you can use them for many weeks, spring and summer. Both are very productive with large, tender, juicy stalks. Ordinarily these are seedless but if a seed stalk should develop, cut it off at once as it takes strength from the plant. POSTPAID.

A 65 Chipman's Canada Red—This new rhubarb has large stalks that are red from top to bottom, even the flesh is red. It does not lose this rich color in cooking. Juicy and sweetest of all, takes less sugar. Seedless. Skin is so tender you need not peel it. Very productive, you can pull the stalks all spring and summer.

Each \$1.10, 3 for \$2.85, 6 for \$4.95

A 61 MacDonald Red—A tremendous producer of giant size stalks all spring and summer. Stalks are 18 to 24 inches tall, many half as thick as your wrist. Seedless. It is 2 to 3 times larger than common rhubarb, far more tender, delicious and sweeter. Its bright red skin and tender flesh makes very attractive and fine tasting sauce and pies. Skin so tender it needs no peeling.

Each \$1.10, 3 for \$2.85, 6 for \$4.95

Ebony
King

LUSCIOUS *Black Raspberries*

They ripen after strawberries and just ahead of red raspberries. Plant them 3 to 4 feet apart in the row and the rows 6 to 7 feet apart. You can plant a row across the back of your garden. Our Planting Guide, sent with all orders, gives you easy-to-follow instructions about taking care of them. If you make a mulch of lawn rakings or a mixture of straw and leaves and put around the plants in the spring, you will have almost no weeding to do and besides this mulch helps hold moisture so the plants produce better.

A 94 Bristol—A tremendous producer of large, luscious, glossy jet-black berries even in thin soils where other varieties are failures. The delicious berries are not only sweet and juicy but have an unusually rich black raspberry flavor. They are almost seedless which makes them especially fine for making juice and for freezing. We receive reports from over a wide territory telling of the success of Bristol even in southern states where other varieties fail. POSTPAID.

Grow Your Own Fruit for Delicious Pies, Jams, Sauce or Jelly

Gooseberries For pies, jelly, jams, sauce

A 159 Pixwell—Pictured at right, this new gooseberry is a tremendous bearer of medium large, good quality berries. Moreover they hang down on the underside of the branches so they are easy to pick. The plant also is not nearly as thorny as other kinds. It bears very young, the next year after planting. The berries pictured actual size averaging $\frac{1}{2}$ inch. Color is light green, turning pink when fully ripe. Plant 3 to 4 feet apart. Read NOTICE BELOW.

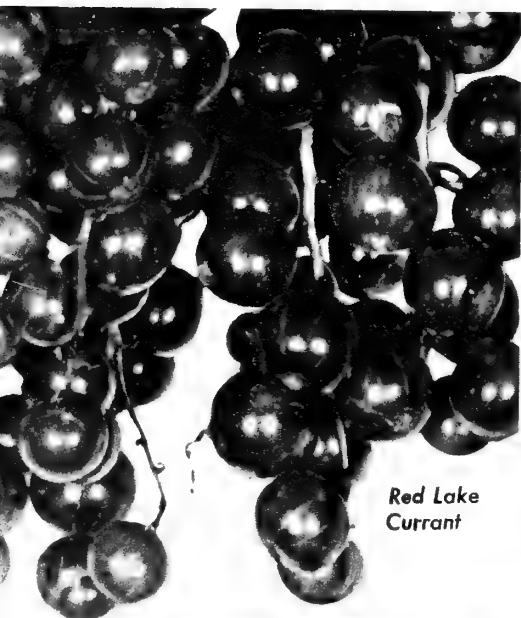

Big 2-Year No. 1 Plants Each \$1.25, 3 for \$3.25 Postpaid

A 157 Welcome—This great new Gooseberry, originated by the University of Minnesota, produces large, high quality berries that will make the most delicious pies, jelly or jam. The attractive light green fruit turns pink when fully ripe, extra fine eating in both stages. Easy to pick, very few thorns. See Notice Below.

Big 2-Year No. 1 Plants Each \$1.45, 3 for \$3.95, Postpaid

Pixwell Gooseberry, above

Red Lake Currant

Currants For the finest Jelly and Jam

A 148 Red Lake—We think that this is the most productive, the best quality of all currants. The berries are very large, the clusters are long and filled out to the end. The color is a bright glossy red and makes the most beautiful and finest flavored jelly. They grow in ordinary garden soil. Plant 3 to 4 feet apart. Please read NOTICE BELOW.

Our big 2-Year No. 1 plants will start bearing next year after planting.

Each 75c, 3 for \$1.95, Postpaid

IMPORTANT NOTICE

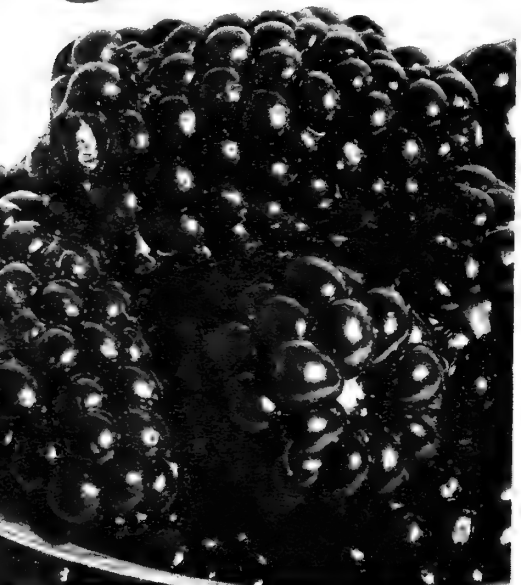

On account of federal regulations we ship Currants and Gooseberries only to the following states—Alabama, Arizona, Arkansas, California, Colorado, Florida, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, South Carolina, South Dakota, Texas, Utah, and Wyoming.

Thornless Boysenberries

IMMENSE SIZE • DELICIOUS

A 140 Thornless Boysenberry—We have seen berries fully 2 inches long. The fruit ripens over a period of almost 2 months. Eat them fresh for weeks, use them for pies, sauce, preserves and fruit juice. Just like the original Boysenberry but absolutely Thornless. They are almost seedless and a very deep maroon, almost black color when ripe. Plant 8 to 10 feet apart each way. In cold sections it requires winter protection. Postpaid.

5 for \$1.45, 10 for \$2.65, 25 for \$4.95

Luscious, New Cyclone Strawberry topped all other varieties in fruit production tests at Ames in 1960.

Cyclone Strawberry

A 12 Cyclone is a brand new June-bearing strawberry introduced last spring by Iowa State University, Ames. A creation of Dr. E. L. Denisen, one of America's leading authorities on fruit plants, this is the climax of many years of careful hybridizing and selection. The result is this outstanding new variety with that sweet, delicious, real strawberry flavor. The strong, vigorous plants produce quart after quart of very large, bright red berries and the size holds up to the last picking. Cyclone topped all other varieties in fruit production tests at Ames in 1960. Fine for eating fresh out of the patch or superb for freezing and preserves. Self-pollenizing. Postpaid.

K 18 3 Oz. (Makes 12 gal.) . . . 1.00
K 19 12 Oz. (Makes 48 gal.) . . . 2.95**

BERRY-SET makes berries grow much larger (often 50 to 100% larger), meatier, sweeter and more luscious tasting. Yields are also greatly increased by a longer bearing season. Strawberries will have fewer seeds. It is easy to use. All you do is mix Berry-Set (a hormone powder) with water and spray it on the blossoms of your Strawberry, Raspberry or Blackberry plants. Postpaid.

25 for \$1.45 50 for \$2.45 100 for \$3.95
200 for 6.95 500 for 14.50 1000 for \$26.50

A 5 **Premier** is by far the most popular extra early strawberry. It is our first variety to ripen. Very productive and produces berries for many days. Berries are very large, firm, rich red color and good quality. Because the blossoms are frost-resistant, it is a sure bearer. Plant some for the first ripe strawberries, for eating fresh and for canning or preserving. This new Virus-Free Premier will be planted exclusively as soon as enough plants are available because of its greater health, vigor and productivity. Self-pollenizing. POSTPAID.

DUNLAP, MIDWEST'S FAVORITE

Postpaid 100 for \$3.65
25 for \$1.35 50 for \$2.25 1000 for \$23.50
200 for 5.95 500 for 12.95

A 3 **Senator Dunlap** is generally called "Dunlap" for short. We have sold countless millions of this grand strawberry. It is by far the most popular and widely planted in the middle west. Hundreds of thousands of families, every summer, enjoy the fruit. It is so dependable, seems like it never fails to produce a good crop. Ripens in midseason and is simply delicious to eat fresh, can, preserve and freeze. The fine berries are bright red, easy to pick, easy to stem and tops in quality. Self-pollenizing. If you have room for only one variety, plant Dunlap.

POPULAR BLAKEMORE

Postpaid 100 for \$3.95
25 for \$1.45 50 for \$2.45 1000 for \$26.50
200 for 6.95 500 for 14.50

A 4 **Blakemore**—There are probably more Blakemore sold throughout the United States than any other variety simply because it does so well. This new Virus-Free Strain is even better. Ripens a few days before Senator Dunlap. Especially fine for preserving, canning and freezing because it holds its rich color and shape so well. Best not to let Dad or the children pick them, because they will eat so many right in the patch. Bring some to the table, add sugar and cream and there just isn't anything better. The berries are large, firm, attractive red color and good quality. Self-pollenizing. Bears large crops every year.

NEW ALL-RED SPARKLE

Postpaid 100 for \$4.95
25 for \$1.75 50 for \$2.95 1000 for \$32.50
200 for 8.45 500 for 17.50

A 17 **Sparkle**—We are offering this great new strawberry for the first time this spring. It produces a tremendous crop every year, big, luscious berries that are so good for eating fresh, preserves and best of all for freezing. Ripens in midseason and holds its size right to the last picking. The berries are bright red and hold their color perfectly when frozen. Self-pollenizing.

SEE PAGE 3 FOR FREE PREMIUMS.

GIANT ROBINSON

Postpaid 100 for \$3.95
25 for \$1.45 50 for \$2.45 1000 for \$26.50
200 for 6.95 500 for 14.50

A 11 **Robinson** is a new variety we have fruited here at Hamburg for several years and each passing year we think more and more of it. First of all, it is such a tremendous producer. Starts ripening just about the time Dunlap is finishing and continues for many days. The berries are very large, just a few fill a box or bowl. The color is such an appetizing bright red, grand for eating fresh and simply grand with sugar and cream. Bears so heavily that you have plenty left for canning, preserves or freezing. Self-pollenizing.

NEW, HUGE POCAHONTAS

Postpaid 100 for \$3.95
25 for \$1.45 50 for \$2.45 1000 for \$26.50
200 for 6.95 500 for 14.50

A 15 **Pocahontas** is a new introduction of the U.S.D.A. which produces high quality, delicious, bright red berries that will make your mouth water when they are served at your table. The size is simply huge, only a few will make a serving. Ripens in midseason. The berries are extra firm which means they will freeze and preserve exceptionally well. Our plants are grown from a virus-free strain, highly productive, a strong, vigorous grower. Any way you use them, whether for eating fresh, freezing or preserving, Pocahontas will be one of your favorites. Self-pollenizing.

SWEET, JUICY SURECROP

Postpaid 100 for \$4.95
25 for \$1.75 50 for \$2.95 1000 for \$32.50
200 for 8.45 500 for 17.50

A 10 **Surecrop**—For real sweet, juicy, delicious strawberries, nothing can surpass this new U. S. D. A. introduction. Ripens in midseason and holds its size to the last picking. The large luscious berries are red all the way through, superb for freezing, preserves or those delicious shortcakes. And it is resistant to disease which means a big crop every year. Try some this spring. Self-pollenizing.

A DELICIOUS TREAT FOR FAMILY AND FRIENDS!

PLANT *Everbearing Strawberries* THIS SPRING AND EAT THEM
THIS SUMMER AND FALL!

Yes, just think of it! You can plant any of these 5 superior everbearing strawberry varieties on pages 14 and 15 this spring and in a few short weeks you will be picking the large, luscious berries. Every home should have a strawberry patch. They take very little care and so little room. You can plant 100 plants in a space just 10 feet by 10 feet. And EACH plant will give you a quart of berries—100 plants for as little as \$3.85 will produce 100 quarts of fruit, which sells readily for 50¢ per quart or \$50.00 worth of strawberries, THE FIRST YEAR (under normal conditions). The next year you will get even more berries. And it's so nice to be able to pick home-grown, healthful fruit, fresh from your own garden. Keep most of the runners cut off, allowing only 4 to 5 runner plants for each original plant. Be sure to plant a patch this spring.

100 for \$5.95 500 for \$21.50 1000 for \$39.50

A7 **Streamliner**—Never has a new strawberry become so popular as quickly as Streamliner. The reasons are simply that it produces so heavily the big red berries of such fine flavor. PLANTED THIS SPRING IT WILL BEAR THIS SUMMER AND FALL. Then next year it will produce a tremendous crop in June and after a short time it will start in again and keep on right up to freezing. The Berries are Big, Red, Sweet and DELICIOUS. Streamliner is self-pollenizing so can be planted alone. Eat them, preserve them, freeze them. We want to repeat Streamliner has that rich, sweet real strawberry flavor.

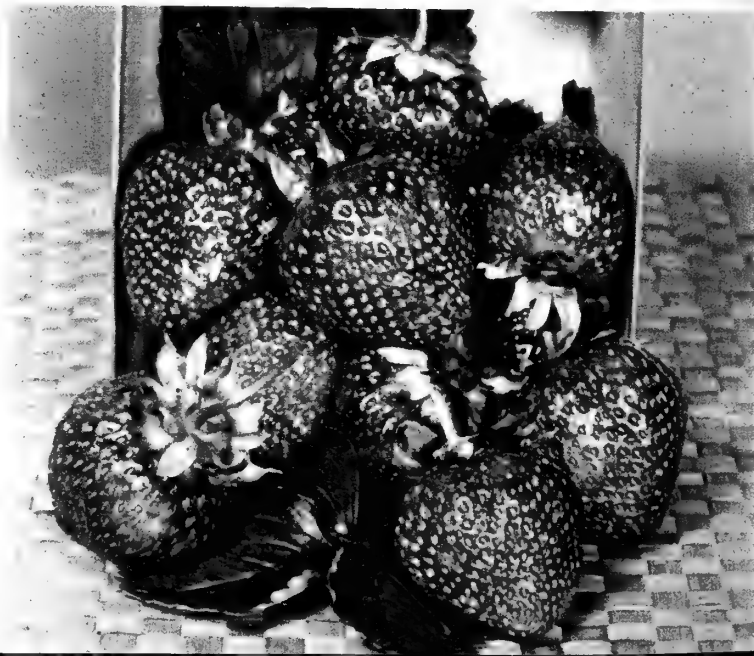

Red Rich

Large Size, Rich Red Color,
Productive, Finest Flavor

A8 **Red Rich** (P.P. 993)—All America is talking about this amazing new everbearing strawberry. The big, beautiful berries make you hungry just to look at them. When you eat them, you will agree that they certainly have that sweet, delicious, real strawberry flavor. Large, firm, red all the way through and so sweet that you need but little sugar. Perfect for preserves and freezing because they hold their color and shape. Plant some this spring. You will have fruit THIS SUMMER AND FALL. Next year you will have berries spring, summer and fall. The plants themselves are so attractive with their abundance of large, deep green foliage that some folks who do not have a fruit garden, set the Red Rich plants in the perennial border. You get good foliage, attractive plants, blossoms and wonderful fruit. Be sure and plant some this spring.

500 for 16.95

Never before has a new strawberry created such a sensation... and now, at this amazingly low price, you won't want to miss the opportunity to have new Ogallala in your own garden.

These strong, extremely hardy plants produce large, sweet berries so rich in flavor and color that they simply can't be described. You must see and taste them yourself. They're unequalled for eating fresh; they freeze well; and they make prize-winning preserves.

Ogallala strawberries fresh from the garden not only taste better, but they save you money. Figure it out: under normal conditions, 50 plants will produce 50 quarts of berries this very summer and fall. Purchased at the market, these berries would cost about \$25.00, so you save \$23.00 the very first year. And next year, you get loads more berries *spring, summer and fall*. You can plant 100 plants in a space just 10 feet by 10 feet, so order plenty at this low, low price.

Superfection **YOU WILL GET A BIG CROP
THIS SUMMER AND FALL**

A 9 Superfection is a tremendous bearer. You will have delicious berries this summer and fall. And next year it will bear spring, summer and fall. The berries are big, firm and bright red and red all the way through. Serve them with cream and sugar. For preserves and freezing they are excellent, because they hold their shape and color. It is mighty fine when you can go out in your

garden and pick fresh ripe delicious strawberries (saves on the grocery bill, too) spring, summer and fall. Strawberries have always been considered the most delicious of all fruits. Self-pollenizing. Water well in dry weather. One of the heaviest and most dependable bearers of all everbearing strawberries, it produces a quart per plant each year under normal conditions. Postpaid.

25 for \$2.00 50 for \$3.35 100 for \$5.95 500 for \$19.95

"These superb Ogallala hybrid strawberries took 26 years to develop, and they're worth all of that time because they are the finest everbearing strawberries we have ever tasted.

"Named for a Sioux Indian tribe, Ogallala was developed by Dr. A. C. Hildreth and Dr. LeRoy Powers of the USDA Horticultural Station, Cheyenne, Wyo., and Mr. Glenn Viehmyer of the University of Nebraska's North Platte Experiment Station.

"Selected from almost 50,000 different seedlings, Ogallala combines the sweet, rich flavor and the hardiness of the wild Rocky Mountain strawberry with the size and productiveness of the best cultured varieties. We urge you to plant Ogallala."

Black Hawk

The Finest Black Raspberry in America
DELICIOUS FLAVOR — TREMENDOUS BEARER

Everyone likes luscious, sweet, juicy raspberries. They are even better when you pick them fresh from your own garden. Plant a patch this spring

A 95 **Black Hawk** is a new Black Raspberry originated by Iowa State College, Ames, Iowa and introduced Spring 1955. It has been thoroughly tested at Ames and Council Bluffs, Iowa and has out-yielded all other varieties in the test. In favorable years it produced as much as 5000 pints per acre. The berries are very large, almost an inch across. The quality is simply grand, sweet, juicy, richest flavor. Eat them fresh, can them, freeze them or in pies or jam. Any way you use them, they are wonderful eating. At Ames, usually begins ripening first week in July.

The plants are strong, healthy, vigorous growers and tremendous producers. The berries are firm and stand up well in shipping and handling. Plant them 4 feet apart in the row and rows 8 feet apart. Use the richest soil you have and if weather is dry before ripening, water thoroughly every week. You will be richly rewarded. We believe this is the greatest Black Raspberry in America. Just a few plants in your back yard will give you the delicious fruits. But of course, if you have room, plant more. Postpaid.

THE NEW EVERBEARING
RED RASPBERRY WILL BEAR
THIS SUMMER AND FALL

A 84 **September** is a new red raspberry which bears the usual crop in early summer on the old canes. Then the new canes start bearing around mid-September and continue until freezing weather. The berries are huge, the largest red raspberries we have ever seen, much larger than pictured. Bright red color, good quality. Eat them fresh, for pies, jams, sauce. Wonderful for freezing. Our large 2-Year plants will produce some berries this season so you will get just a taste of the delicious fruit you will get in future years. Nearly every home has room for some. They soon pay for themselves. Just think of the benefit and pleasure of picking these huge delicious berries fresh in your own garden. Last fall they were still bearing here in October. Plant 3 to 4 feet apart. Postpaid.

Every home should have at least one cherry tree. Bear very young and regularly. You have a handsome tree, lovely flowers and the healthful fruit. We believe that we grow here the finest cherry trees in America, fine branched tops and wonderful roots. Plant 15 to 20 feet apart.

LUSCIOUS SWEET CHERRIES

F 76 Black Tartarian—The big, almost black sweet cherry everybody likes. Ripens in late June. Fine for eating fresh, canning and freezing. Plant a Napoleon beside it so they can cross-pollenate and produce much more.

F 84 Napoleon (Royal Ann)—Yellow with a pink blush. Fruit is large, sweet and delicious. Fine for eating, canning and freezing. Ripens in early July. Good pollinizer for Black Tartarian.

F 78 Yellow Glass—The hardiest of all sweet cherries. The fruit is large, bright yellow with the real sweet delicious flavor.

KANSAS SWEET

Best Sweet Cherry for Middle-West

F 77 Kansas Sweet—This is the only red sweet cherry we know that will bear in the middle west and south to Texas. The fruit is large, dark red, firm, sweet with a most delicious flavor. The tree itself is handsome enough to plant in your front yard—good foliage, fine shape, beautiful flowers and wonderful fruit. Exceptionally fine to use fresh, makes marvelous pies and excellent for freezing. Plant with Montmorency for cross-pollenization.

MONTMORENCY *America's Favorite Cherry*

F 81 Montmorency—This is the most popular of all cherries, largely because it is the best of all for canning. And it tastes mighty good to eat fresh right off the tree, especially when fully-ripened, home-grown. The fruit is large, firm, very fine flavor. Ripens about 10 days after Early Richmond. The tree is a rather short grower so the fruit is easily picked. Bears heavily and regularly. Be sure you have at least one tree in your yard. It is handsome enough that many people plant it in their front yard. If you have room for but one cherry, then we recommend this. You simply cannot beat it for eating fresh, for canning, for freezing, for pies, cobbles, preserves. This is the virus-free Gilbert Strain. Self-pollenizing.

METEOR, New, Finest Pie Cherry

F 85 Meteor—A new cherry from the Minnesota Experimental Station. The fruit is very large, rich red and excellent flavor. Good for eating fresh, for pies, cobbles, preserves and freezing. Very hardy, it will grow in cold sections where cherries could not be grown heretofore. Healthy, very resistant to leaf spot. The original tree growing near Minneapolis has never failed to bear fruit since it started many years ago. Bears young. Attractive enough to plant right in your front yard. Heavy bearer. Self-pollenizing.

F 79 Early Richmond—The first cherry to ripen. In June, full of the bright red, juicy, delicious fruit. Self-pollenizing.

F 80 English Morello—Last cherry to ripen, 2 weeks after Montmorency. Fruit is large, almost black when fully ripe, sprightly acid. Bears very young and heavily. Self-pollenizing.

America's Largest Selection of

Inter-State is doing more basic research in the production of Dwarf Fruit Trees than any other nursery in America. **These Dwarf Fruit Trees are becoming tremendously popular simply because their small size makes it possible for millions now to grow their own delicious home-grown fruit even if their yard is small.** Orchardists are also planting them because they bear younger, are so easy to take care of, and their fruit is larger. See page 20 for Dwarf Apple Trees.

Dwarf Cherry Trees

Allow these Dwarf Cherries to grow branched low to the ground, giving you more fruit. The trees themselves are shapely with good foliage, flowers and fruit, attractive enough to plant anywhere. Plant 6 to 8 feet apart.

D 59 Kansas Sweet—The fruit is large, dark red, sweet with delicious flavor. This is the best sweet cherry for the middle west, now in dwarf form.

3 to 4 feet, Postpaid..... Each \$4.45
2 to 3 feet, Postpaid..... Each 3.85

D 56 Montmorency—A real Montmorency but when fully grown will be less than half normal size. Bears very young, generally next year after planting. Fruit is larger, rich red color, fine flavor, tender, firm, a marvelous cherry. Self-pollenizing.

3 to 4 feet, Postpaid..... Each \$4.45
2 to 3 feet, Postpaid..... Each 3.85

D 57 North Star—This new Cherry was originated by the Minnesota Fruit Breeding Farm. The original tree is little more than 8 feet tall now and bears well and regularly. The fruit is large, dark red, sprightly flavor. Expert pie bakers say this makes the most wonderful cherry pies. Bears young and heavily. Self-pollenizing.

Dwarf Apple Trees LARGER FRUIT, EASY-TO-PICK, BEAR YOUNG

There's a spot in every yard for a dwarf apple tree. Plant yours this spring

These Dwarfs produce larger fruits than the regular apple trees. Start bearing very young, often a year or two after planting. You can pick most of the fruit from the ground because they grow scarcely larger than a big shrub. Ornamental and fruitful, you can grow your own apples even if your yard is small. Plant 8 to 12 feet apart.

- D 7 **Early Red Bird**, best red early summer apple.
- D 1 **Lodi** (Improved Yellow Transparent), best yellow summer apple.
- D 9 **Beacon** (Improved Duchess), best red apple for August.
- D 2 **Wealthy**, popular fall red apple, extra fine as a dwarf.
- D 12 **Red Melba**, new, rich-flavored, red fall apple.
- D 11 **McIntosh, Solid Red**, high quality red apple.
- D 6 **Delcon**, looks like Red Delicious and tastes even better.
- D 8 **Yellow Delicious**, America's favorite yellow apple.
- D 3 **Jonadel**, New, created by Iowa State College, a cross of Red Delicious and Jonathan. A luscious, bright red early winter apple.
- D 4 **Solid Red Delicious**, America's favorite red apple.
- D 5 **Bright Red Jonathan**, the midwest's favorite red apple.
- D 14 **Winesap**, most popular long-keeping red winter apple.

SUMMER APPLES

WINTER APPLES

F 31 Anoka—Generally bears next year after planting. Fruit is yellow streaked red.

F 36 Delcon—Looks like Red Delicious and tastes even better. A natural semi-dwarf tree.

F 32 Beacon—The fruit is large, a solid bright red of very fine quality. It ripens in August.

F 60 Delicious, Solid Red—The finest of all red apples. It bears younger, keeps longer and the fruit colors earlier than the common Red Delicious. Large, solid red, delicious flavor.

F 35 Early Red Bird—The best early red apple we know. Large, bright red, good quality.

F 66 Delicious, Yellow—The most popular yellow apple. Bears young and heavily. Fruit is large, juicy, fine flavor.

F 37 Lodi (Improved Yellow Transparent)—The favorite early yellow apple. Ripens in July. Fruit is large, tender, juicy, fine flavor.

F 48 Grimes Golden—Very popular yellow apple. The fruit is large and highest quality.

F 33 Red June—Red, early summer apple.

FALL APPLES

F 54 Mann's Giant—The largest apple we have seen, up to 14 ounces each. Red streaked, good quality, fine for sauce or pies.

F 49 Hawkeye Greening—An attractive greenish-yellow, large size, good quality. Good fresh from the tree and good in winter.

F 34 Maiden Blush—Yellow with blush. Fine for eating fresh or makes fine pies.

F 52 Jonathan, New Bright Red—One of America's greatest apples. A deep red apple of highest quality with crisp, tender flesh.

F 41 Red Melba—The most attractive Apple you ever saw, red with pink blush, with the finest, richest flavor you ever tasted.

F 53 McIntosh, Solid Red—Large, red apple. Flesh snow-white of high quality.

F 42 Wealthy—The most popular fall apple. It ripens in September but can be used weeks earlier. Large, red striped, juicy, fine quality.

F 57 Red Rome Beauty—Large, red apple especially fine for baked apples and pies.

F 64 Winesap, Crimson—The most popular long keeping winter apple. An improved strain with better color and larger size.

F 67 York Imperial—A large red apple that keeps all winter. Good quality.

CRAB APPLES

F 61 Centennial—is the finest dual-purpose crab in America. The tree is covered with lovely snow-white flowers in the spring followed by beautiful bright red fruit in late summer. And the apples are the best tasting, highest quality you ever tasted. Hardy.

F 62 Dolgo—Bright red fruit which makes fine jelly. Fine for pickling.

F 65 Whitney—You can eat it fresh just like an apple. Medium size, red striped.

Jonadel, much larger than pictured

F 46 Jonadel—This sensational new apple, originated by Iowa State University, combines the rich flavor of Red Delicious with the juicy snap of Jonathan. Our most beautifully-colored apple, a brilliant crimson-red. Excellent for eating fresh, makes fine sauce and luscious pies. The large fruit has tender, white, juicy flesh that will make Jonadel a hit with all your family and friends. Ripens right after Red Delicious and keeps for weeks.

6-in-1 Apple Tree

F 72 This 6-in-1 Apple Tree has six different kinds of apples, all on one tree. They are six of our best, most popular kinds, giving you fruit from early summer well into the winter.

Lodi, (Improved Yellow Transparent) summer.

Red Melba, for fall.

Yellow Delicious, for late fall.

Solid Red Delicious, for early winter.

Bright Red Jonathan, for the holidays.

Crimson Winesap, for winter.

Improved Yellow Transparent and Yellow Delicious start bearing young, followed by Red Melba and soon all are bearing, all on the same tree. This is the one tree for those who want several kinds of apples, but do not have much ground available.

Good 3 to 4 foot Trees

They bear young and heavily. All are budded from bearing true-to-name varieties.

The peaches are listed in their order of ripening. Sun Haven ripens here in mid-July, J. H. Hale in late August. Peaches need but little room, easy to grow. Our Iowa-grown, budded trees are hardy and bear young. Plant them 12 to 15 feet apart. All Inter-State Peaches except J. H. Hale are self-pollenizing.

F 8 Sun Haven—A new hardy variety which ripens a week before Red Haven. Medium-large, golden-yellow with red blush fruit of excellent quality, nearly fuzzless. Can't be beat for those first early Peaches.

F 14 Red Haven—This new variety is the leading early yellow peach. The fruit is large, almost a solid red like a Jonathan apple. The yellow flesh is firm, sweetly delicious, high quality. Free-stone.

F 11 Fair Haven—Ripens a few days earlier than Hale Haven. Very productive, hardy, often bearing when other varieties do not. Fruit is large, yellow with red cheek. Flesh is yellow, firm and fine flavor. Free-stone.

F 13 Rich Haven—Tremendous producer of large, attractive peaches of the very finest flavor. Fruit is yellow with blush, nearly fuzzless and firm yellow flesh. An outstanding new free-stone variety.

F 9 Hale Haven—Free-stone. This fine new peach is rapidly overtaking Elberta. A heavy producer of large, yellow peaches of high quality. Hardy.

F 15 Amber Gem—This is a new variety that we selected because the fruits were medium-large, just right for pickling whole and for canning. The yellow flesh is firm, very delicious flavor.

F 6 Early Elberta—Free-stone. Yellow with blush. Fruit is large, yellow flesh, firm, juicy, delicious. Hardy. Increasing rapidly in popularity.

POLLY Our Finest Hardy White Peach

F 2 Polly—Those who have tasted Polly say that it is the finest flavored peach they ever ate. The fruit is very large, blushed, free-stone. The flesh is white and has that real sweet delicious peach taste. For sauce you simply cannot equal its flavor. Also makes fine preserves.

F 7 Elberta—This is the most popular of all peaches. Large handsome fruit, yellow with blush. Flesh is yellow firm, good quality, free-stone.

SUNGOLD Large, Delicious, Hardy Yellow Peach

F 1 Sungold (Sold Only by Inter-State Nurseries) is very large, free-stone, beautifully blushed. Flesh is firm, golden yellow, full of juice, fine quality. Extra good for canning. Heavy, regular bearer. Tree is well-branched, stocky, rather low-growing making it easier to care for and pick.

F 10 J. H. Hale—Free-stone. Very large, golden yellow, flushed red with fuzzless skin. Flesh is yellow, solid, tender, high quality.

YELLOW NECTARINE —The Fuzzless Peach

F 120 Yellow Nectarine—Delicious, medium-large fruit with true peach flavor. Smooth skin and NO FUZZ. Hardy, bears young and heavily. Ripens in August. Same Prices As Peaches Above.

Big Delicious Apricots

Ripening right after cherries and before the peaches, apricots are one of the most delicious fruits especially when picked fully ripe. They are all free-stone, fine for eating fresh, sauce, preserves, pies and freezing. Plant 20 feet apart.

Prices on All Apricots, Your Choice

F 25 Golden Giant (Plant Patent No. 1,053). This is the finest Apricot we have ever seen. The size is immense, 2 inches across and over 2 inches long, even larger than pictured. The color itself is appetizing, golden-orange with a light blush. For flavor we simply tell you that it is the finest you ever ate, sweet, juicy, tender, delicious. Even if picked fairly green, it develops this fine flavor whereas ordinary apricots when picked green taste insipid. It is a tremendous bearer. Has missed only 2 crops in many years at Grand Junction, Colorado, the home of the originator, Dave Moore. It has borne there when all other varieties failed. It makes a large attractive tree so you can plant it in your yard if you are short of room. For eating fresh, for canning, for preserves, for freezing, **GOLDEN GIANT** is in a class by itself. In apricot fruit districts we recommend that orchardists try some. We believe they will find this is just what they have been looking for. Its huge size, attractive color, fine flavor top the market. **Golden Giant** is **SOLD ONLY BY INTER-STATE NURSERIES**. Order today to make sure that you get yours this spring.

F 29 Hungarian—Large fruit of the highest quality. Hardy and good bearer. We recommend this highly.

F 26 Superb—This fine variety originated in Kansas and has been largely planted in the middle west. Hardy, productive. Fruit is medium large, orange-yellow, flesh firm, high quality.

The Green Gage, New Lantz and Stanley trees are not as tall as the other varieties. All are nice trees with good root systems and well-branched, that will soon start bearing delicious fruit.

F 110 Allred—Ornamental as well as fruitful. The tree, the foliage, the flowers, and the fruit are all purple-red. Hardy to Central Iowa.

F 103 Green Gage—The sweetest eating and canning plum, it is just full of sweet, sugary, greenish-yellow fruits. Ripens in early September. Hardy to Central Iowa.

F 109 Mt. Royal—The hardiest European-type plum, it can be grown successfully even in the coldest states. The fruit is medium size, deep blue and freestone. Exceptionally high quality, the flesh is firm yet juicy.

F 102 New Lantz—This is an improved strain over the ordinary Damson. The blue plums are medium size of finest quality. Free-stone. A heavy regular bearer. Ripens in August. Hardy to northern Iowa.

F 104 Pipestone—The fruit is immense size, the largest plum we have ever grown, red with a golden blush. The flesh is yellow, juicy and excellent quality. Very hardy.

F 113 Premier—A new variety originated at Missouri Experiment Station. One of the largest of all Plums, as large as a medium-size apple, up to 2½ inches across. Bright red with firm, juicy yellow flesh. Ripens early August.

F 107 Superior—The fruit is large, attractive red color and a rich sweet flavor. It bears very heavily, every year. Ripens in early August. Very hardy. A good pollinizer for other plums.

F 108 Toka—The richest flavored of all plums—a sweet, somewhat spicy flavor. The fruit is quite large, a beautiful apricot color with very firm, yellow flesh. Ripens in August. Very hardy.

F 114 Twillite—Fruit is large, purple-red with firm red flesh of the highest quality. Perfectly hardy with us and a heavy, regular bearer.

Stanley

F 106 Stanley—This prune-plum is the most popular of all plums. Large, dark-blue, prune-shaped fruits. The rich yellow flesh is firm, sweet and delicious flavor. A heavy, regular bearer. Ripens in early September. Free-stone. Hardy up to central Iowa.

DELICIOUS, EASY-TO-GROW PEARS

Pears grow in any ordinary soil, even in sod, right in your yard. Plant 20 feet apart. Two trees, alike or different varieties, planted near each other so they can cross-pollenize, will both produce more heavily than if planted alone. To tell when Pears are ready to pick, place the palm of your hand under a Pear, raise it gently and if the stem snaps off easily from the limb, they are ready to pick. Then put them in a cool, dark place to ripen and you will have Pears of the highest quality.

Maxine Large Size—Delicious Flavor Our Most Blight Resistant Pear

- **F 91 Maxine**—This is by far the finest hardy pear ever created. It has everything a great pear should have—large size, beautiful golden-yellow color, rich delicious flavor even more luscious than the famous Bartlett and, most important of all, it is the most blight resistant variety we know. It has never shown any blight in our orchards when almost all other varieties have been damaged. The snow-white, juicy flesh simply melts in your mouth. Bears young, heavily and regularly, ripening in late summer.
- **F 90 Bartlett**—Most popular summer pear. Fruit is large, juicy, sweet, high quality. Plant in poor ground where it is less likely to blight.
- **F 88 Cope's Seedless Pear**—A Pear That Has No Seeds and No Core. The fruit is large, tender and sweet, juicy and delicious. If there are other varieties close, then Cope's may have a few small, immature seeds.
- **F 89 Duchess**—Ripens in early fall. Large, juicy, high quality fruit.
- **F 92 Kieffer**—The most widely planted winter Pear. Bears young and heavily. A healthy, hardy, vigorous grower.
- **F 96 Seckel**—Called the Sugar Pear because of its sweet, delicious flavor. Fruit is not large but the highest quality. Ripens in late summer.

Blueberries below, pictured 1/2 actual size

NEW, IMPROVED Blueberries

Luscious Fruit—Attractive in Flower, Fruit and Foliage

These 3 new, improved blueberries are far superior to common varieties. They have larger fruit, bear more profusely, better flavor and the bushes are so attractive you can plant them in your front yard with regular shrubs. The white flowers are lovely in the spring followed by the beautiful blue, luscious fruit. The waxy rich green foliage colors red in the fall. Wonderful for eating fresh, for pies and freezing. We sell only the three varieties together so they can cross pollenize. This is an all season collection of varieties that start ripening in late June continuing through early August. Plant in a cluster, 4 to 6 feet apart. Branched 3-year old plants, almost 2 feet tall that will bear next year after planting.

Blueberries prefer an acid soil. You can make your soil acid by mixing peat moss (page 6) with your soil or by mixing a handful or two of common sulphur (get at local drug store) with soil when planting. Water thoroughly.

INTER-STATE'S HARDY Vines

Clematis, COLORFUL, EVERBLOOMING

Clematis are the most colorful and many people think them the most beautiful of all flowering vines. On a porch, pergola, trellis or fence, they are truly a gorgeous sight, so many lovely flowers of purple, white, pink, blue and red, all summer. A location shaded from the hot afternoon sun is ideal. Our potted, growing plants will bloom this summer. Very hardy. Postpaid.

V 6 Comtesse de Bouchaud—Lovely large rosy-pink flowers for many weeks in late spring and summer. **Each \$1.45, 2 for \$2.65**

V 2 Henryi—A chastely pure white flower of unrivaled charm. Immense size, often 7 inches across, and produced all summer. **Each \$1.45, 2 for \$2.65**

V 3 Jackmani—When you see this plant, covered with hundreds of purple blooms, you will know why it is called the Queen of all Vines. The flowers are large, 4 to 6 inches across and produced freely all summer. The most colorful and attractive of all. **Each \$1.45, 2 for \$2.65**

V 23 Ernest Markham—Striking, velvety red flowers produced profusely. June to October. The finest red Clematis. **Each \$1.45, 2 for \$2.65**

V 5 Ramona—Large light blue flowers, June to October. **Each \$1.45, 2 for \$2.65**

W 7 One Each of All 5 Above Clematis for \$5.45, Postpaid

GOLDEN CLEMATIS, Golden Flowers All Summer

V 8 Golden Clematis (Tangutica)—A rare variety with lantern-like golden yellow flowers all summer. Then in the fall the vine is covered with feathery silvery plumes. Hardy, easy to grow, vigorous grower, 10 to 15 feet. Does best in full sun. Use on trellis, fence, porch, cave or rocks. Lives for years becoming more attractive each passing season. **Each \$1.45, Postpaid**

WISTERIA VINES, Fragrant

Easy to grow from coast to coast excepting in the very coldest states. Long clusters of fragrant flowers in the spring. Our plants are grafted from blooming wood and start blooming much quicker than ordinary Wisteria. Postpaid.

V 12 Blue V 14 Pink V 15 Purple V 16 White

Your Choice Heavy 2-Year Plants, Each \$1.65, 2 for \$2.95

SILVER LACE, Fastest Growing Hardy Vine

V 17 Silver Lace—Often grows 10 to 12 feet the very first season. From mid-summer to late fall, completely covered with thousands of small white flowers. The foliage is glossy green. Ideal for porch, pergola, fence, stumps and banks. **Strong No. 1 Plants, Each \$1.10, 2 for \$1.95, Postpaid**

BOSTON IVY Clings To Walls

V 18 Boston Ivy (Amp. Veitchi)—Clings so closely to the walls, they seem to be shingled with leaves. Foliage colors a charming maroon in the fall. Clings without support to even the smoothest surface. Prefers north or east side. **2-Year No. 1 Vines, Each \$1.10, 2 for \$1.95, Postpaid**

Summer King Honeysuckle, below

SUMMER KING HONEYSUCKLE

Blooms All Summer

V 9 (Heckrotti)—From June until freezing, this magnificent plant is covered with showy clusters of large, fragrant flowers, rose-flame outside and gold inside. The attractive foliage, a rich blue-green, makes a perfect background for the brilliant flowers. Hardy, healthy, easy-to-grow. It can be used in so many places—porch, pergola, fence, fine for covering bank or cave, and especially beautiful for a trellis. **OUR PLANTS WILL BLOOM THIS SUMMER. Postpaid.**

EUONYMUS VEGETUS Green All Winter

V 30 Euonymus Vegetus—The only hardy vine we know that holds its glossy, rich green foliage all winter. Has scarlet berries for many weeks. Grows in sun or shade. Grows rather slowly but every foot is attractive. Clings to anything. **2-Year No. 1 Plants, Each \$1.75, Postpaid**

New Sure-To-Fruit BITTERSWEET

V 19 Chinese Bittersweet (Loeseneri)—This is the surest and most prolific fruiting variety known. The foliage is a rich, dark-green. Blooms in June. In autumn the clusters of attractive orange-scarlet berries are so thick they almost cover the entire vine. Just one plant will usually fruit. But if you plant two in the same hole or close together so they can cross-pollinate, they will bear still more. The berried branches make such fine fall bouquets. Postpaid.

Heavy 2-Year Plants Each \$1.45, 2 for \$2.45
Medium 2-Year Plants . . . Each 1.10, 2 for 1.95

EUONYMUS, COLORATUS

For Fast-Growing Vines or Ground Cover

V 31 Euonymus, Coloratus is superb as a vine, perfect for covering those difficult spots such as banks, stumps—any place you need a fast growing ground cover. The luxuriant foliage is rich green all summer becoming purple in late fall and it holds this attractive color all winter. As a vine, it will reach 20 to 25 feet and can be trained for tree or chimney cover or even along a fence, clings to anything. Wherever you use it, this versatile plant will help make your home more beautiful in every season. For ground cover plant 2 feet apart in full sun, part shade or even full shade. Completely hardy here at Hamburg. Postpaid.

Each \$1.00, 3 for \$2.75, 6 for \$4.45, 12 for \$7.95

Euonymus Coloratus, below

HARDY HEDGES

Bridal Wreath, Above

Winter-Green Hedge, above

HANDSOME *Bridal Wreath*

H 3 Bridal Wreath (Spirea Van Houtte)—This photograph shows the beauty of Bridal Wreath, America's most popular and widely planted untrimmed flowering hedge. Millions of small white blooms cover the gracefully arching branches, every spring, without fail. Requires no special care and lasts a lifetime. Perfectly hardy, grows everywhere, in full sun or partial shade. You see it all over America and everywhere it is attractive and thriving. Makes a marvelous natural hedge or screen 5 to 6 feet tall. Plant 2 to 3 feet apart.

AMAZING ROSA MULTIFLORA

H 7 Rosa Multiflora Japonica—The conservation people recommend this for a living hedge where you have plenty of room, for erosion control and an excellent wild life refuge. However, we do not advise using it on small city lots because when not trimmed it makes a bushy, thorny plant 6 to 8 feet tall and almost as wide. Other hedges are better if you want a trimmed hedge. Has white flowers in spring followed by red fruits which the birds like. Hardy up to central Iowa. Plant 18 to 24 inches apart.

Winter-Green The Perfect Hedge, Holds Foliage All Winter

H 154 Winter-Green (Euonymus Erecta, Small Leaf)—This shrub is very much like the Winter-Green pictured on Page 29. But its leaves are smaller and it grows hardly 3-feet tall and is almost as wide. Makes a very dense, bushy plant that makes an ideal hedge because it never needs to be trimmed. Also it holds its foliage all winter. At first the leaves are a rich deep green then gradually take on an attractive purple tinge. Thrives in sun, part shade and full shade. If you want a narrower or smaller hedge, just a trimming or two, a year, will give you exactly what you want. Plant 18 inches apart. The 18 to 24-inch are heavily branched, and will give you a good hedge effect when planted. Winter-Green gives you an evergreen hedge at a fraction of the cost of Evergreens.

A Perfect Hedge in just One Year—See Page 34

HARDY *Privet* HEDGE

H 2 Hardy Russian Privet (Amoor River North)—Is by far the most popular hardy trimmed hedge in the northern states. It makes a permanent hedge, lasting for generations. Not only adds beauty, it also protects your yard especially if you have a corner lot. It is fine for a division line between yards. Can be trimmed to any desired height, making a thick, dense hedge, without thorns, right down to the ground. Requires trimming only twice during the summer. But if you trim it 3 or 4 times, it becomes more dense and bushy. Leaves are rich, dark green and hang on until very late fall. Plant 1 foot apart.

H 9 Tatarian Honeysuckle—Thrives all over. Can be trimmed like a normal hedge. If not trimmed makes a magnificent, dense hedge screen 8 feet tall. Pink or creamy flowers in the spring, followed by bright red berries. Grows in full sun or part shade. Ideal for fast-growing flowering tall hedge or screen. Plant 12 inches apart for trimmed hedge, 2 to 3 feet apart if untrimmed.

CHINESE ELM for Hedge or Windbreaks

H 1 Chinese Elm—Is America's fastest growing hedge, making a good showing in just a few months. It is the first to leaf out in the spring and one of the last to shed in the fall. You can trim to any desired height from 3 to 10 feet, as a hedge or tall screen. The more you trim it the more dense and compact it becomes. We recommend that after planting, you cut off nearly all the top, leaving only 5 to 6 inches above ground. This will make a bushier hedge. Plant 8 inches apart. Also makes a fine WINDBREAK—fast growing, drought resistant and economical. For windbreaks, plant 5 to 6 feet apart in 2, 3 or 4 rows with alternate spacing. Do not trim after planting.

The Two Greatest Shrubs of the Century

Cardinal Shrub, Above. America's Finest Flowering Shrub

SS 148 **3 Cardinal Shrubs, 2 to 3 feet, \$4.95**

\$ 150 CARDINAL SHRUB (Weigela Vanicek). Since we first called your attention to this unique new shrub, we have grown and sold nearly one million plants. It is rapidly becoming the most widely planted new hardy shrub in America. The reason is simply that it is truly All-American, thriving in the East, the West, the North (except coldest states), the South. Plants set out this spring **WILL BLOOM THIS SEASON.**

We wish that you could see them blooming here. In May-June each one is simply covered from top to bottom with hundreds and hundreds of the lovely rosy-red flowers.

They are trumpet-shaped, 1 to 1 1/4 inches across. After this first big display, there are some scattering blooms throughout the season. If you cut off sprays of flowers and use them for bouquets, the plant will flower even more freely than if you left them on.

At Hamburg, the Cardinal Shrub has withstood 15 below zero without injury. It is so easy to grow, not particular as to soil.

Thrives in full sun or part shade. Makes a shapely bush 6 feet or so tall with excellent foliage. It is the best hardy new shrub which we have ever tested. Also makes a fine untrimmed hedge. Just one in a neighborhood will make those

who see it, want it. Look over your yard, whether large or small. You will find a spot where it will fit in. We ship them to you **POSTPAID**, trimmed ready for planting.

Royal Purple Smoke Tree

Our Finest Purple Foliaged Shrub

\$ 40 Royal Purple Smoke Tree (Rhus Cotinus). For foliage and flowers this is the most striking shrub we have ever seen. The leaves are a rich purple all season—from the first leaf unfurling in early spring until they fall in glorious autumn. The feathery purple flowers appear in mid-summer creating the beautiful, unusual "smoky" effect. It is outstanding in any planting, so colorful and prominent among the common green shrubs. Also marvelous for bouquets. Grows 8 to 10 feet tall, marvelous for shrub borders or as an individual specimen. Completely hardy here at Hamburg but we do not advise planting north of central Iowa. If you have a spot in your yard that needs some life and color, plant Royal Purple this spring, either an individual specimen or several as a group or background. Prefers a sunny location. Our plants are extra nice this spring . . . large tops, well rooted and bursting with vigor.

THESE NEW *Summer Lilacs* BLOOM PROFUSELY AND CONTINUOUSLY

Five new Summer Lilacs (sometimes called Butterfly Bush or Buddleias), each the finest of its color. All bloom profusely and continuously from early summer to frost. No other shrub can compare with them for freedom of bloom. They make an attractive compact bush, 4 feet or so tall. The roots are hardy; the tops die down in winter, then come up again even more vigorously next spring. The lovely fragrant flowers are beautiful in the garden and fine for cutting. Plant in full sun or part shade.

MISTY *Blue Spirea*

\$ 33 **Blue Spirea** (Caryopteris, Blue Mist)—One of the most attractive low-growing shrubs. From August to frost every branch and every twig has many clusters of small, fringed powder-blue flowers giving a misty appearance. Makes a neat, compact rounded bush 2 feet tall, with narrow, silvery-green foliage. The roots are hardy but in northern states the top dies down like a perennial. Cut off the old tops in early spring and it comes up lovelier than ever. Postpaid.

Specimen Plants Each \$1.50, 3 for \$3.75
No. 1 Plants Each 1.35, 3 for 3.25

LOVELY *Crape Myrtle* BLOOMS MIDSUMMER TO FROST

Pink Crape Myrtle

The South's most beautiful shrub, can now be grown farther north by planting this hardier strain. However, we do not advise planting it north of southern Iowa. Grow it just like Everblooming Roses, giving winter protection by mounding up dirt before cold weather comes. It blooms on new growth so it does not matter if the old top is entirely killed. The flowers have lovely clear colors with a soft crepe-like texture. They sometimes are slow to leaf out the first year. They stay dormant for several weeks. Then the leaves come out and they soon start blooming. Postpaid.

Hardy Firethorn

Our Most Attractive, Fruiting, Evergreen Shrub

\$ 37 **Hardy Firethorn** (Pyracantha Kasan)—This is the hardiest of all the Firethorns we know. It has come through six winters here at Hamburg (down to 20 below zero) without injury. However, we do not recommend planting north of central Iowa. It is by far the most attractive, hardy, fruiting, evergreen shrub. Usually starts bearing the second year after planting. The plants are covered with large trusses of white flowers in the spring, followed by brilliant, flaming orange berries which hang on into winter. It makes a very dense shrub with handsome rich green foliage which becomes a magnificent purple during the winter. In foundation plantings, borders or as a specimen it is outstanding all year. Find a spot where this shrub will help make your home more attractive.

NEW, IMPROVED

Winter-Green *Stays Green All Winter*

\$ 155 **Winter-Green** (Euonymus Manhattan)—This is an improved selection of one of the most attractive and versatile of all shrubs. Brighter green foliage and it holds this rich green color through the winter far better than the regular Winter-Green. *The lustrous, glossy green leaves stay on all winter*, especially when planted in part or full shade. Makes a shapely bush 5 to 7 feet tall but can easily be trimmed to any desired height. Fine for foundation planting, as specimens, and makes a wonderful hedge. Thrives in sun or part shade, or even on the north side of house. Hardy here in southern Iowa but we do not advise planting farther north. This fine shrub can be used instead of evergreens. Easier to grow, not as expensive, and grows faster.

The Winter-Green below is growing in Manhattan, Kansas, a richer, brighter green than pictured

BEAUTIFUL *Blue Hydrangea* NIKKO BLUE

\$ 55 Blue Hydrangea. We offer a new variety, Nikko Blue, which all summer has immense flower heads, often a foot across, that last for many weeks. In ordinary soil the flowers are pink. In acid soil, they are blue. You can make your soil acid by mixing in one half Peat Moss (see page 6). Or, you can water twice a month with a tablespoon of aluminum sulphate per gallon of water to make the color a rich blue. If you cannot get aluminum sulphate from your drug store we will send you some for 50c postpaid

Does best in partial or full shade, even on north side of house. Grows only 3 to 4 feet tall making a well rounded shrub just as wide. A group of 2 or 3 will enhance the beauty of a picture window in your home. Where winter temperature goes below zero give protection just like roses by mounding up 10 to 12 inches of soil around the plant before severe freezing weather. We do not recommend planting north of central Iowa. Our plants are well rooted field grown (not small greenhouse potted plants). Becomes more popular each passing year.

COLOR CHANGING *Burning Bush*

\$ 32 Euonymus, Alatus Compactus—One of the most beautiful of all shrubs, becomes a different color with each season. Yellow flowers in May-June followed by red berries which are very attractive in late summer and fall. Through the summer the foliage is an attractive dark green. In the fall it colors brilliant coppery-crimson tinged rose. An unusual corky bark adds to the winter appearance of this marvelous shrub. Thrives successfully from coast to coast, the Gulf to Canada. Makes a compact, bushy plant 4 to 5 feet tall and 3 to 4 feet wide. Very fine for foundation planting or individual settings. Very attractive with the new modern homes. A shrub that is ornamental and attracts attention spring, summer, fall and winter. Has a place in almost every yard. The plants we send you are especially fine this spring. Postpaid.

Azalea, Koster's Brilliant Red, below

Burning Bush, Euonymus Alatus Compactus

NEW IMPROVED *Azaleas*

Larger Flowers · Brighter Colors · Finest Plants

Several years ago we asked our Azalea grower in Holland to increase production on these named varieties because our own tests here at Hamburg proved them to be superior to the common Azaleas. The flowers are brighter, larger and produced more profusely and the plants are more vigorous. In May-June the flowers cover the bush giving a display of color unequalled by any other shrub. Prefers partial shade and a slightly acid soil. You can make your soil acid by mixing a liberal amount of peat moss (page 6) with the soil when planting or by watering with a tablespoon of common sulphur per gallon of water several times during the summer. These fine plants are 3 years old, branched, budded and WILL BLOOM THIS SEASON. The 12 to 15 inch plants are better branched and have more buds which means more flowers. Each plant is individually root wrapped to reach you in perfect planting condition. Postpaid.

Flowering Shrubs

Hypericum Henryi Makes a Neat Shrub Covered With Golden-Yellow Flowers All Summer

\$ 49 Hypericum Henryi—If this rare shrub just had a simpler name, it would rapidly become extremely popular. It makes such a neat, dense, rounded shrub 2 feet tall, perfect in shape. In the fall it colors gold and purplish-red and is always attractive right from the first leaf. It blooms from early summer to frost, bright yellow flowers, 2½ inches across. In cold states, the tops will die down over winter. In the spring you simply cut off the old tops and new growth comes up from the roots. We recommend this very highly as being one of the best low-growing shrubs. Grows in sun or part shade.

12 to 18 inches, Postpaid..... Each \$1.50, 3 for \$3.95

Hypericum Henryi, above

THE *Sunshine* SHRUB

\$ 48 Sunshine Shrub (*Hypericum, Kalmianum*). It makes a perfect mound, 2 to 3 feet tall and 3 feet wide, very dense and bushy. We call it the "Sunshine Shrub" because of the cheery brightness it brings to home plantings. The bright, golden-yellow flowers are produced all summer long. Very easy to grow, not particular as to soil, grows in full sun or part shade, even in quite dry places. In severe winters the tops will die down. Next spring just cut off the old tops and new growth will come up from the roots.

12 to 18 inches, Postpaid..... Each \$1.50, 3 for \$3.95

GRACEFUL *Beauty* Bush

\$ 8 Beauty Bush (*Kolkwitzia*)—This hardy, long-lived shrub is superb in group plantings, as a specimen and for an untrimmed hedge or screen. In the spring the graceful arching branches are completely covered with lovely pink blossoms, delightfully fragrant. Grows 6 to 8 feet tall in ordinary soil in sun or part shade.

Virginal Mock Orange, above

Virginal Fragrant Mock Orange

\$ 165 Virginal is the most popular Mock Orange. In May and June it is loaded down with semi-double pure snow-white flowers so fragrant they perfume the yard and a single branch will perfume a room. After this first great burst, there are scattering flowers all summer. Makes an upright bush 6 feet tall. Perfectly hardy, easy to grow, in full sun or part shade. Especially fine for group plantings. Thrives coast to coast.

2 to 3 feet, Postpaid..... Each \$1.65, 2 for \$2.95

POTENTILLA, GOLD DROP

\$ 170 Potentilla, Gold Drop (*Farreri*). A rare and most attractive low-growing shrub. Extremely hardy, makes a compact bush 2 feet tall with small fern-like foliage. Blooms June to October, bright golden yellow flowers. Prefers full sun.

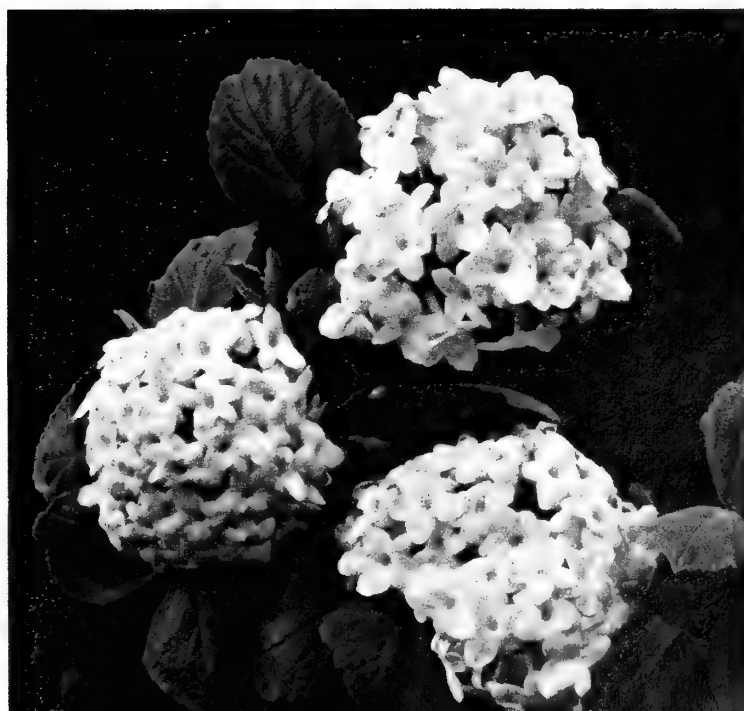

12 to 15 inches, Postpaid..... Each \$1.50

FRAGRANT *Pink* Snowball

\$ 145 (*Viburnum Carlesi*). In spring this shapely shrub is completely covered with blooms so fragrant they perfume entire yard. Flowers open light pink, becoming white. A perfect shrub, 5 to 6 feet tall and just as wide. Deep green foliage colors bronzy-red in fall. Very hardy, grows in full sun or part shade. Planted from coast to coast. Makes a magnificent specimen and very attractive in any shrub planting.

12 to 18 inches, Postpaid..... Each \$2.85

Pink Snowball, below

Fern-Leaf Euonymus, above

\$ 39 Fern-Leaf Euonymus (Turkestanica). Here is one of the most rare yet beautiful shrubs we have ever seen. Perfectly hardy. The Fern-Leaf Euonymus can be used in the shrub border, foundation plantings or it makes an ideal individual specimen. The foliage stays on all year, changing from rich green to bronze-purple in late fall. And in late summer the seed pods color bright pink which gradually open showing the bright orange red fruits. Grows 4 to 6 feet tall.

New Hamburg Hybrid Elm

T 3 Hamburg Hybrid Elm. This is an entirely new tree, a Hybrid Elm, the fastest growing tree we have. In just ordinary soil and under normal conditions, it grows 6 to 10 feet a year. It grows so rapidly that in just five years after planting, you will have a handsome shade tree. Neither winter's cold nor summer's heat bother it the slightest. And most important of all, it has proven to be immune to the phloem necrosis virus, one of the dreaded diseases which is killing American Elm trees. It is not immune to Dutch Elm disease. Makes a shapely tree with large, dark green leaves. Withstands very well wind and sleet storms. Perfectly hardy here. An amazingly rapid grower, there are countless thousands of homes where it will quickly bring shade and beauty, planted in the lawn or parking. Plant this spring.

CHRISTINE BUISMAN ELM

New Disease Resistant Elm

T 40 Elm, Christine Buisman. This sensational new elm is highly resistant to the diseases which are killing so many of the beautiful American Elm trees. Tests by the U. S. Dept. of Agriculture prove that the Christine Buisman Elm is not affected by either the Dutch Elm disease or phloem necrosis. This is the tree you should plant instead of American Elm for the finest in large, permanent shade trees. It makes an attractive, shapely, well-branched tree. The foliage is a handsome, rich dark green and stays on until late in the fall.

T 43 Slender Siberian Flowering Crab (Baccata). The finest tree we know for columnar planting. It makes a beautiful screen about 15 feet tall, white flowers in spring, golden fruits in summer.

T 34 Van Eseltine Flowering Crab. We believe this is the finest flowering crab with green foliage and pink flowers. Grows only 12 feet tall. In the spring it is covered with exquisite semi-double pink flowers, red in bud. Red fruits in late summer and fall.

T 30 Marshall Oyama Crab—This rare variety is superlative where you want a screen about 10 feet tall and rather narrow. It grows upright with dense, rich green foliage with a scattering of light pink flowers. Very hardy, easy to grow in full sun or part shade. For a screen plant 4 feet apart.

T 33 Purple Wave (P.R.R.) is the most attractive low-growing Purple Leaf Ornamental Flowering Crab. All season the foliage is a glorious purple with copper undertone. Lovely fragrant flowers in early spring of rose-red, followed by red fruits in late summer. Grows 8 feet tall. Hardy.

Inter-State *Shade Trees*

FOR LAWN OR PARKING

Metasequoia Dawn Redwood

T 55 Metasequoia, Dawn Redwood—One of the rarest of all trees, this was believed for many years to be completely extinct. It was rediscovered in central China and is now available for home planting. The picture at right shows a young tree growing in North Platte, Nebraska, where the temperature reaches 20 degrees below zero. The unique bright green foliage hangs on until late fall. Easy to grow, not particular as to soil, these fine young plants will grow rapidly into lovely specimen trees superb for lawn or accent planting.

1½ to 2 feet, Postpaid. Each \$4.95

Metasequoia, Dawn Redwood, above

T 17 Beatrice Locust, Thornless. A magnificent tree, shaped very much like the American Elm, wide spreading at the top. Grows rapidly. Hardy, handsome, no thorns, easy to grow. Especially valuable for city planting as it withstands dust, disease, smoke and other difficult conditions. Foliage is feathery, fernlike, colors golden in the fall. Rarely sets seed.

6 to 8 feet, Not Postpaid Each \$3.50, 2 for \$6.50
5 to 6 feet, Not Postpaid Each 2.95, 2 for 5.45

Norway Maple AMERICA'S MOST POPULAR SHADE TREE

T 5 Norway Maple—Very hardy, not particular as to soil or weather conditions. Makes a beautifully shaped tree 30 to 40 feet tall at maturity. Best known for its brilliant golden yellow coloring in the fall.

Disease-free Ginkgo Biloba "Autumn Gold", above

Ginkgo "Autumn Gold" (T. M. Reg.) Descendant of the Oldest Tree on Earth

T 22 Ginkgo Biloba Autumn Gold—For the first time this spring we are offering this outstanding selection of Ginkgo, the oldest tree known to man, a survivor of the Ice Ages. Only by being completely free of disease and insect pests, and being able to withstand almost any climate condition has it survived over a million years. It remains trouble-free, the perfect answer for shade tree planting in practically all of the United States.

"Autumn Gold" is a medium-fast growing tree and will make an oval-upright shaped tree 50 to 60 feet tall. The rich green foliage has a unique fan shape which colors a glorious golden-yellow in late fall. Easy to grow and completely hardy here at Hamburg. It will thrive in any soil except highly alkaline soil.

Dr. Van Rensselaer of the Saratoga Horticulture Foundation selected "Autumn Gold" from hundreds of Ginkgos from all parts of the world as the very best in shape, rate of growth and lovely fall coloring. These are male trees that do not bear the objectionable fruit. Plant anywhere you want a beautiful, disease-free shade tree.

Trees for Beauty and Comfort

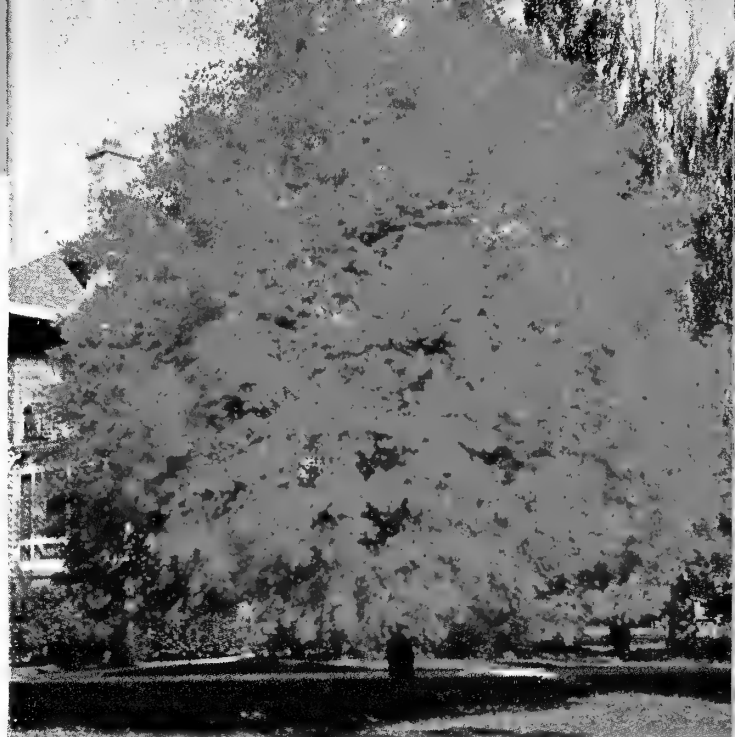

Sugar Maple ORANGE, GOLD AND SCARLET FALL FOLIAGE

T 6 The Sugar Maple (also called Hard Maple) is native to almost every state east of the Rockies excepting the gulf states. It is a permanent tree that lasts for generations. There are many homes in America which are identified by their magnificent Sugar Maples. Our trees are the northern strain which colors more attractively in the fall when its luxuriant foliage is marvelous with tints of orange, gold and scarlet. It makes a large, spreading, perfectly formed tree, of which you will be proud. A very low price for select, specimen trees.

Radiant Flowering Crab tree, flowers, fruit

Sugar Maple, orange, gold and scarlet fall foliage

Radiant AMERICA'S FINEST FLOWERING CRAB at New Low Prices

T 37 Radiant Flowering Crab. The name is perfect for this great new flowering crab from the University of Minnesota as it literally radiates beauty. Radiant in flower, Radiant in foliage, Radiant in fruit. Its all-season beauty makes it superb for background planting in the garden, as an accent point in the shrub border or as an individual lawn specimen.

Radiant bursts into bloom in early spring, bright rosy-red flowers followed by crimson-red fruit so long-lasting that you actually have two "colorful" seasons from one tree. The new foliage is purple-red, becoming rich green. Perfectly hardy. Grows 10 to 12 feet tall.

Pin Oak THE MOST MAJESTIC OF SHADE TREES

T 11 Everybody thinks the Oak is a grand tree. Careful records have shown that the Pin Oak, the fastest growing of all the Oaks, actually grows almost as fast as the American Elm. It is one of the most enduring of all trees. A tree planted now will be a great pleasure to you and for generations to come. For street and lawn planting it has no equal. It grows in symmetrical, pyramidal form and at maturity towers 60 feet high. The rich green foliage is deeply cut and colors to a glorious coppery-red in the fall. A rugged grower not bothered by insects.

BEAUTIFUL *Trees* FOR YOUR HOME

New Sunburst® Thornless Locust, above, pictured 4 years after planting

NEW SUNBURST LOCUST Colorful—Fast Growing

T 47 Sunburst Thornless Locust (P.P. 1313). We know of no other ornamental shade tree that approaches its distinctive, unusual beauty. The branch tips of bright golden-yellow, shading to bronze at the ends, contrast perfectly with the rich green inner foliage to make it look like a flowering tree bursting with bloom. And, it keeps this lovely spring appearance all summer long. No thorns.

Sunburst is not only ornamental but also makes a fine, medium-size shade tree, reaching 30 to 35 feet at maturity, perfect for low, modern homes. Ideal for lawn planting as its lovely lacy foliage allows grass to grow under it. Extremely hardy and easy to grow.

CRIMSON KING MAPLE—for rich maroon-purple foliage

T 7 Crimson King Maple (P.P. 735). Truly a King of the ornamental trees, it is distinctive, colorful, captivating. The foliage is a deep maroon-purple from the time it leafs out until the leaves fall. This rich color adds an exhilarating contrast to the prevalent greens. It will live for many generations, becoming more attractive each year. Now we are receiving enthusiastic letters of praise. The trees we send you are one year old top, 3 year old roots. They are especially fine specimens this spring. They will start branching the first summer and every leaf, every inch of growth will be a delight.

Improved *Scarlet Maple*

T 10 Scarlet Maple (Rubrum Schlessingeri). For the first time this spring we are offering an improved strain of one of America's most colorful, easy-to-grow and disease free shade trees. In the spring the tree is full of scarlet flowers followed by bright red seed. The spring and summer foliage is luxuriant deep green. In the fall the leaves are a brilliant rosy-scarlet, a glorious addition to any yard. Under normal conditions this colors earlier and brighter than the common Scarlet Maple. Makes a large, shapely, long-lived tree. Grows coast to coast.

Covered with Flowers From June to Frost

GLOWING BEAUTY • RUGGED, STRONG GROWING PLANTS

Grandiflora is an exciting new class of roses. It combines the abundant bloom and rugged hardiness of the *Floribundas* with the wonderful bud form, long lasting, larger flowers and superb cutting stems of the *Hybrid Teas*. Makes a vigorous plant 3 to 4 feet tall.

C 234 Starfire (P.P. 1742)—Winner of the All America Rose Selections Award, this exciting new grandiflora was the Rose of the Year for 1959. Well worthy of this great honor as it proudly holds its brilliant currant-red flowers on tall strong stems, singly or in clusters, fine for cutting. And it blooms profusely all season, from late spring until freezing weather in the fall. You will be thrilled by the captivating urn-shaped buds, the distinctive waved flowers with each petal possessing a unique luminous velvety appearance. And it makes vigorous plants with luxuriant foliage. Postpaid.

Large Specimen Plants Each \$3.25, 3 for \$8.75
Select 2-year No. 1 Plants Each 3.00, 3 for 7.95

C 230 Queen Elizabeth (P.P. 1259). 1955 AARS Award Winner. This magnificent new rose presents a new color, a breathtaking blending of soft carmine rose and dawn pink, majestically set off by deep green, glossy foliage. The plant has exceptional vigor and disease resistance to assure you of lovely, fragrant flowers all summer long and for many summers to come, increasing in vigor and beauty every year. We consider it one of the greatest roses ever created. Postpaid.

Large Specimen Plants Each \$2.75, 3 for \$7.20
Select 2-Year No. 1 Plants Each 2.50, 3 for 6.60

C 231 Buccaneer (P.P. 1119). Bright yellow, unfading even in summer's heat. Long, handsome, streamlined buds, open into double flowers of glistening gold, on long stems. Plants are healthy, vigorous and bloom June to frost. Postpaid.

Large Specimen Plants Each \$2.75, 3 for \$7.20
Select 2-Year No. 1 Plants Each 2.50, 3 for 6.60

C 233 Montezuma (P.P. 1383). Here is a great new rose that will thrill you with its big, 4-inch flowers of brilliant, scarlet-orange. The long, perfectly-shaped buds are ideal for cutting, so long-lasting and so beautiful. The fully double, high centered flowers are freely produced all summer. And the healthy plants grow vigorously which means more and better flowers. Postpaid.

Greatest Roses

LARGE FLOWERS • GORGEOUS COLORS

C 43 White Knight (P.P. 1359). The first white Hybrid Tea Rose ever to win an AARS award. The perfect, pointed buds open into large, fully-double, snow-white flowers often 5 inches or more across. The vigorous plants grow 3 feet tall and are covered with attractive, lively green foliage. We have waited many years for a white rose good enough to win the AARS award and we believe White Knight has been well worth waiting for. Postpaid.

Large Specimen Plants Each \$3.25, 3 for \$8.75
Select 2-Year No. 1 Plants . . . Each 3.00, 3 for 7.95

C 58 Peace (P.P. 591). The greatest rose ever created. The perfect buds open slowly into large, fragrant, fully double flowers. Its greatest charm is the changing panorama of colors. The buds are rich gold edged cerise. As the outer petals unfold, the gold changes to canary then lightens to creamy ivory. The cerise edge gradually deepens and becomes broader so the fully open flower appears a sparkling cerise with a creamy-yellow base. Last unusually long, beautiful at all stages, retaining its perfect form. A vigorous, healthy, free-blooming bush.

Large Specimen Plants Each \$2.75, 3 for \$7.20
Select 2-Year No. 1 Plants . . . Each 2.50, 3 for 6.60

C 24 Chrysler Imperial (P.P. 1167). 1953 All America Award Winner. It may well prove to be the greatest red exhibition rose of all time. In color it is unmatched by any other red rose, a vivid, rich crimson whose true beauty and texture cannot be reproduced on paper. The long tapering buds open to large, high-centered flowers 4½ to 5 inches across with 40 to 50 velvety petals and very fragrant. Borne singly on stems, fine for cutting. The plant is sturdy and healthy with an abundance of dark green, semi-glossy foliage.

of All Time!

HEALTHY • VIGOROUS • EVERBLOOMING

These 6 Roses on page 40 and 41 are truly the "cream of the crop." Each one ranks among the very best of its color according to all tests and ratings both in this country and throughout the world. One of these, Peace, is generally accepted as the greatest Rose ever created. If you have seen it bloom you will know why it deserves this distinction. Chrysler Imperial and Mirandy rate along with the famous Crimson Glory as the top red Roses. White Knight, Garden Party and Mojave all rate as the finest in their respective color class. It is impossible to capture their exquisite beauty on paper. You must see them in full, glorious flower to appreciate how outstanding they are. Be sure to plant them this Spring. Excellent for cutting with their long, strong stems. *All Inter-State Roses are guaranteed to please you when you receive them and also when they bloom in your garden this summer. All Roses are shipped Postpaid, trimmed for planting.*

C 50 Mirandy (P.P. 632). This is one of America's finest dark red roses. Large buds open into immense fully double flowers with 50 petals and last a long time. Very fragrant. Blooms singly on long stems, fine for cutting. Vigorous grower with deep green, luxuriant foliage. A prolific bloomer from June to frost.

Large Specimen Plants Each \$2.50, 3 for \$6.60
Select 2-Year No. 1 Plants Each 2.25, 3 for 6.00

C 32 Mojave (P.P. 1176). When you see this blooming in your own garden you will know why it receives the highest honors. The richly colored, perfectly formed buds are the finest of all roses—long, tapered, ideal for cutting. The large, double flowers create a gorgeous display of sunset orange with tones of scarlet and vermillion all summer long.

Large Specimen Plants Each \$3.00, 3 for \$7.95
Select 2-Year No. 1 Plants Each 2.75, 3 for 7.20

C 33 Garden Party (P.P. 1814). This 1960 All America Rose of the Year has everything—large size, up to 6 inches across—vigorous, luxuriant, free-blooming plants—and glorious color, rich ivory with just the right touch of appleblossom pink. Garden Party is proving equally as great as its two famous parents, Peace and Charlotte Armstrong. Try it this spring.

An All America Rose Selection Award indicated by this symbol  is the highest honor a rose can achieve in America. A rose has to be superior in every respect to win an award because it is tested by experts in trial rose gardens in all sections of the U. S. Not only are the flowers superior but also the plant and habit of growth. They cost but little more than other varieties and are well worth the difference.

Spectacular New

STARTLING, NEW COLORS!

The varieties pictured and described on pages 44 and 45 are 6 of our very best everblooming hybrid tea roses. Their lovely, colorful flowers will make a spectacular showing in your garden this summer and for many years to come. All 6 will bloom profusely from late spring until freezing weather in the fall—large, fully-double flowers, rich colors, long stems for gorgeous bouquets.

Aztec, FLAMING SCARLET-ORANGE

C 182 Aztec (P.P. 1648). The "hottest" color in roses, a flaming scarlet-orange, truly describes this sensational new variety. The huge flowers often reach 6 inches across, fully-double and perfect exhibition form. Makes a vigorous healthy plant 2 to 2½ feet tall.

Sterling Silver

THE NEWEST COLOR IN ROSES

C 71 Sterling Silver (P.P. 1433). The color of this grand rose is as rich as its namesake, a warm, regal silver-lavender. There is no other rose like it. The pink-lavender buds open with grace and charm into large, fragrant, glistening silver blooms on compact, healthy, free-blooming plants. Its novel color and perfect form attracted more attention in our trial rose garden last year than any other variety. It will quickly become one of your favorites.

Kordes
Perfecta

C 183 Kordes Perfecta (P.P. 1604). Wilhelm Kordes, creator of Crimson Glory and many other great roses, calls this his "perfect" origination. In the garden, in bouquets or for exhibition in flower shows, it simply can't be equalled. The big, high-centered, fully-double blooms are a fascinating combination of creamy-white edged carmine-pink suffused yellow at the base. Add "Perfecta's" vigorous, healthy, well-formed plants and you have one of the finest roses ever created.

Magnificent Flowers at Eye Level!

Enjoy Roses, the Queen of Flowers, at eye level in unique, superlative tree form. All are everblooming, giving a continuous display of lovely, fragrant blooms from June to frost. The flowers are even larger, more beautiful and more freely produced than on regular bush roses. They are grown by budding the varieties 3 feet above the ground on a special tree rose stock. Our Planting Guide gives a simple method of winter protection. Each variety (in bush form) is described on pages indicated below. In case we are sold out of the variety you order, please indicate your second choice. Inter-State Tree Roses are the finest grown, guaranteed to please you when you receive them and also when they bloom this summer.

YOUR CHOICE OF THE FOLLOWING VARIETIES

Postpaid and Trimmed Ready for Planting

EACH \$6.75, 2 for \$12.50, 4 for \$24.00

EVERBLOOMING HYBRID TEA TREE ROSES

- TC 132 **Charlotte Armstrong**. Cerise, one of the world's greatest. (43, 50).
 TC 139 **Chrysler Imperial**. Pictured at right. Vivid, rich crimson. 1953 AARS Award Winner, outstanding in tree form (see page 40).
 TC 125 **Crimson Glory**. Most popular red rose (pages 43, 50).
 TC 141 **Duet**. 1961 All America Winner. Long-lasting, fully double flowers of soft salmon-pink with a bright crimson reverse. Pictured on page 84.
 TC 138 **Garden Party**. 1960 All America Winner. Huge flowers of rich ivory with a delicate tint of appleblossom pink (page 41).
 TC 142 **Kordes Perfecta**. Large, high-centered flowers of creamy-white edged carmine-pink (page 45).
 TC 135 **Peace**. Gold, canary, cream and pink, the greatest of all roses. Outstanding in tree form (page 40).
 TC 144 **Sterling Silver**. The newest color in roses, silver-lavender. You'll love its dainty form and unusual beautiful color (page 44).

EVERBLOOMING FLORIBUNDA TREE ROSES

- TC 145 **Circus**. Apricot buds become orange-buff and cerise (page 46).
 TC 127 **Fashion**. Coral-pink, the most popular Floribunda (page 46).
 TC 128 **Fire King**. Fully double flowers of brilliant vermilion-red (page 46).

Twilight

New, Hardy

Bloom Spring to Frost

For mass display of color, hardly anything can equal climbing roses in full bloom. Used on porches, arbors, trellises and trailing over fences. All these climbers are hardy, but we recommend that winter protection be given in cold sections. Set 3 to 4 feet apart. Dr. J. H. Nicolas, Blaze, Paul's Scarlet, Gladiator, Golden Showers, Spectacular, Coral Pillar are ideal for trellis. They are Pillar type and do not grow as vigorously as the others. Gold Rush, New Dawn and White Dawn grow more vigorously and can be used for trellis, porch, pergola or fence. City of York is ideal for pergola, porch or fence as it is such a strong grower. We recommend using Ra-Pid-Gro (page 7) when planting. All climbing roses are POSTPAID.

Climbing Roses

Blaze, brilliant, scarlet-crimson. Pictured on Page 48

C 155 Blaze—Our most popular red climbing rose. Blaze is completely covered with brilliant scarlet-crimson flowers in June and repeat blooms intermittently all season. It holds this bright color in even the hottest sun, a sight that will stop the traffic to see this spectacular rose in full bloom. It makes an ideal pillar rose for planting along fences, porches or arches.

Dr. J. H. Nicolas, lovely rose-pink

C 165 Dr. J. H. Nicolas (P.P. 457). This picture, made from a color photograph, shows the beauty and freedom of bloom of this remarkable new rose. From late spring to hard frost the fully double, 50 to 60 petals, deep rose-pink flowers are produced. Very fragrant, they come on long stems fine for cutting. Hardy as Paul's Scarlet and disease resistant. Very fine as a pillar rose. The most popular climber we ever sold. It produces flowers just as perfect as those from a bush rose. Fertilize with Ra-Pid-Gro, Vigoro, etc. The more it grows, the more it blooms. Will bloom this summer. *Pictured on Page 48.*

Large Specimen Plants, Each \$2.00, 3 for \$5.25, Postpaid
2-Year No. 1 Plants, Each 1.75, 3 for 4.65, Postpaid

Gladiator, New, Everblooming. Pictured on Page 48

C 164 Gladiator (P.P. 1524). A new everblooming Climbing Rose with immense 5-inch high-centered fragrant flowers of a glowing rosy-carmine-red. It blooms and re-blooms from Spring to Frost. Has withstood below zero with us but we advise winter protection in cold states so as to take no chance of losing any of the wonderful flowers the following Summer. Strong grower, 8 to 10-feet tall, with blooms all over the plant.

Large Specimen Plants, Each \$3.00, 3 for \$7.95, Postpaid
2-Year No. 1 Plants, Each 2.75, 3 for 7.20, Postpaid

CLIMBING Golden Showers

C 162 Golden Showers (P.P. 1557). The first Climbing Rose to win the AARS Award in 16 years. An all-purpose climber, it can be trained on a fence or trellis, or it makes a natural, self-supporting pillar Rose about 5 to 6 feet tall. However you use it, Golden Showers is certain to make your home or garden more beautiful. And it is everblooming, beginning with a grand display in late spring and blooming continuously until late fall. The fragrant 4 to 5 inch flowers are a fresh daffodil yellow. *Pictured on Page 48.*

Large Specimen Plants, Each \$3.00, 3 for \$7.95, Postpaid
2-Year No. 1 Plants, Each 2.75, 3 for 7.20, Postpaid

C 170 Gold Rush—At last we have a hardy everblooming yellow climbing rose. The lovely flowers are large, double, high-centered and a rich golden yellow. They are produced from late spring to frost. Will bloom this summer and fall. Hardy. **Large Specimen, Each \$2.00, 3 for \$5.25**
2-Year No. 1, Each 1.75, 3 for 4.65

C 152 New Dawn—The flowers are large, double, a lovely apple-blossom pink, delightfully fragrant. Blooms constantly from late spring to frost. An ideal pillar rose. Hardy. Will bloom this season.

Specimen, Each \$1.75, 3 for \$4.50
2-Year No. 1, Each 1.50, 3 for 3.75

C 168 Spectacular (P.P. 1416) presents a breathtaking sight in full glorious bloom. The glowing orange-red 4-inch flowers cover the plants in early spring and again in the fall. Makes a strong, healthy pillar type plant.

Specimen, Each \$2.75, 3 for \$7.20
2-year No. 1, Each \$2.50, 3 for 6.60

C 169 White Dawn—The first hardy, everblooming white climbing rose. The flowers are double, snow-white, fragrant and produced constantly from late spring until frost. **WILL BLOOM THIS SUMMER AND FALL.**

2-Year No. 1, Each 1.75, 3 for 4.65

PAUL'S SCARLET

America's Favorite Climbing Rose

C 161 Paul's Scarlet—This famous rose is the most popular red climbing rose ever created. A mature plant in full bloom is a sight that simply stops everybody who passes by. It is a solid sheet of blazing scarlet. The color does not fade but is as bright when last petal falls as when it opened. The flowers come in clusters on long stems. Plant on trellis or porch.

Specimen, Each \$1.50, 3 for \$3.95
2-Year No. 1, Each 1.35, 3 for 3.45

Inter-State's ROSE GUARANTEE

We believe our roses are the finest it is possible to produce. They are guaranteed to grow and bloom for you this summer, except some climbers which bloom next year after planting. If they do not, notify us by August 1st, 1961 and we will replace them free.

Remember that roses are living plants and respond to good care and attention. With each order we send a Planting Guide. Just follow the simple planting and cultural instructions and you will have glorious flowers. Fertile soil and loving care means more and better blooms.

Use RA-PID-GRO (page 7) regularly for more and better flowers.

The Rose is rightfully called the Queen of All Flowers. None other can equal its fragrance, its colorful beauty, its grace, its freedom of bloom from spring to frost. Can you think of another hobby that will provide more pleasure, more beauty than growing roses? Each year many thousands buy from this fascinating selection of glorious, hardy, everblooming Hybrid Tea roses. They will commence blooming 7 to 8 weeks after planting. **PLANT ROSES EARLY**, the time when people are putting in early gardens. Plant 20 to 24 inches apart. With each order we send Planting Instructions telling you how to plant and care for your roses.

We wish that you could have seen last summer our large field of roses. There are none finer and few their equal. They matured perfectly and are now in our new exclusive rose refrigerated storage, with ideal temperature and moisture control. We believe it is the finest rose storage built, and will keep the rose plants in perfect, dormant planting condition into early summer. **BUT WE ADVISE THAT YOU ORDER EARLY AND PLANT EARLY.** The sooner you plant, the sooner you get flowers.

Those who prefer extra large bushes, will select the Large Specimen Plants. These are big and husky, well-branched and heavily rooted, the cream of the crop. However, we assure you that our Select 2-Year No. 1 Plants will satisfy critical buyers. They have made Inter-State Roses famous all over America. The Standard 2-Year Medium (No. 1½ grade) Plants are smaller than the 2-Year No. 1. They will bloom this summer and are a good value.

Prices on all roses on pages 50 and 51 (except Allure and Red Peace).
Your choice of varieties, alike or assorted, postpaid

C 54 Red Peace (Karl Herbst)—Like its famous parent and namesake, Peace, Red Peace combines the qualities of a truly great rose—a vigorous, luxuriant plant with beautifully-colored, fully double flowers. You'll enjoy the rich crimson blooms with their lively fragrance and long stems so nice for cutting. We have only a limited supply this spring so we suggest ordering early.

Specimen Plants, Each \$2.25, 3 for \$6.00
2-Year No. 1 Plants, Each \$2.00, 3 for \$5.25

C 12 Allure (P. P. 886)—The buds are large, pointed, perfect form and gradually unfurl to a very large, high-centered flower with a pleasing fragrance. The color is a rich shining Neyron rose suffused with gold and tinted salmon. Healthy, vigorous, free-blooming.

CHARLOTTE ARMSTRONG

World's Finest Pink Rose

C 10 Charlotte Armstrong—One of the world's best roses; winner of many honors. Magnificent in the garden because of its great vigor, disease-resistant foliage and freedom of bloom. Long streamlined carmine buds open into enchanting flowers of the loveliest cerise, beautiful at all stages. Pictured on page 43.

C 22 Christopher Stone—A most exciting new rose—a brilliant, sparkling scarlet-crimson without a trace of blue. Shapely long pointed buds open into large attractive flowers with the true old damask fragrance. A healthy, vigorous grower and exceedingly free-bloomer. Stands lots of heat. One of the best bright red roses.

CRIMSON GLORY

America's Most Popular Red Rose

C 11 Crimson Glory—Pictured on page 43. America's favorite red rose. Perfect buds open into large, magnificent blooms of velvety deep crimson. So fragrant that only a few flowers will perfume a room. A healthy grower, it produces its beautiful flowers from late spring to frost.

C 42 Countess Vandal—The long, pointed, orange-copper buds will delight you, one of the finest roses in bud form. Opens into large, double, high-centered flowers of brilliant pink shaded salmon with yellow at the base. Makes a healthy, free-blooming plant. Fragrant. Pictured on Page 42.

C 21 Condesa de Sastago—Large, fragrant flowers with inside of petals red and outside yellow, creating a striking two-tone effect. An unusually healthy, vigorous grower, very free-blooming. Thrives even under difficult conditions.

C 25 Duquesa de Penaranda—A most intriguing color, of orange-apricot, with deeper coppery tones, large pointed buds, sweetly perfumed, long lasting. A tall, strong grower with beautiful foliage. One of the first varieties to bloom in the spring. Pictured on page 43.

C 26 Eclipse—We rate this one of the best of all yellow roses. The golden-yellow, streamlined buds are often more than 2 inches long ornamented with narrow, branching sepals. Very fine for cutting with their strong, erect stems. The vigorous, upright plants are in bloom almost continuously from June until Frost. Pictured on page 43.

Everblooming Roses

Plant This Spring
For Blooms This Summer

C 27 Editor McFarland—All through the season the lovely fragrant, glowing pink flowers are produced on long, strong stems, fine for cutting. The buds are perfect.

C 30 Etoile de Hollande—One of the grandest red roses of all time. The buds are simply perfect and they open into large, glorious flowers of velvety crimson. Very fragrant, fine stems for cutting. A strong, healthy grower.

C 34 Frau Karl Druschki—The magnificent white rose that is loved by all. Immense long, pointed buds open into graceful flowers that are unsurpassed for form and the color is the clearest, pure white. Perfectly hardy.

C 36 Golden Dawn—The gorgeous buds of yellow have splashes of carmine and open into large, fragrant flowers of rich yellow. Hardy, vigorous, free-blooming. The highest rated non-patented yellow rose.

C 14 Heart's Desire—This great All America Winner is available at popular prices for the first time this spring. The long pointed, perfect buds open into large graceful flowers of rich scarlet-crimson. A small bouquet will fill a room with its delightful fragrance. Healthy, vigorous and free-blooming. Pictured on page 42.

C 44 K. A. Victoria—Absolutely perfect, fragrant flowers of ivory-white. An old favorite that even today is unsurpassed.

C 47 McGredy's Ivory—A magnificent creamy-white rose that is fragrant and deep-petaled. Buds are long pointed, opening into very large, double flowers. Many consider it the finest white rose. Pictured on page 43.

C 49 McGredy's Yellow—This is our favorite yellow rose. The color is so soft and clear and pure. The flower has a charm and grace all its own and entirely distinct. A strong grower and free bloomer. Pictured on page 42.

C 51 Mme. Joseph Perraud—An outstanding rose. A wonderful exhibition and garden rose. The long slender buds open into fragrant full flowers of nasturtium buff flushed orange.

C 53 Mrs. Charles Bell—A strong, healthy grower that is often called Blush Radiance. The flowers are a lovely luminous shell-pink, entirely different from all other roses.

C 55 Mrs. P. S. du Pont—From early summer until freezing this rose is a glorious sight with its rich yellow flowers. Long pointed buds, fragrant, profuse bloomer. It was the favorite yellow rose in our World's Fair Rose Garden in Chicago.

C 56 Mrs. Sam McGredy—Exquisite pointed buds open into beautiful, large, double, high-centered flowers of striking colors, scarlet, orange and copper. Fragrant, long stems fine for cutting. Free-blooming.

C 63 Pedrables—This fine white rose is large, often 5 inches across. The creamy buds open into pure snow-white fragrant flowers.

C 59 Picture—We consider this one of the very finest pink roses, a clear pink with just a trace of salmon to give it a warm glow. Delightfully fragrant. Blooms continuously.

C 60 Pink Dawn—A new rose. Fine for gardening and cutting. Buds are lovely, and open into large, fully double flowers of clear, purest pink. Extremely fragrant. A vigorous grower.

C 62 Poinsettia—This free-blooming rose brings to you the brilliance, the glowing red color of the Christmas Poinsettia. Long pointed buds, ideally formed, fine for cutting.

C 64 Pres. Hoover—A glorious combination of cerise-toned orange, scarlet and yellow. Richly perfumed, long stemmed and free-blooming. One of the most beautiful roses ever introduced. Pictured on page 43.

Get-Acquainted Special

These are five of the best roses, vigorous growers, free-blooming. INTER-STATE'S ROSE DUST

Will keep your roses healthy

NEW IMPROVED FORMULA

Guaranteed satisfactory or
money refunded

Convenient, Effective, Economical

See Page 6 for Hudson Dusters

This is the best, most effective Rose Dust we know. A new but thoroughly tested formula contains Phaltan, Aramite and Lindane. Highly recommended by rose authorities. It does not discolor flowers or foliage.

This Rose Dust contains the necessary chemicals for the control of fungus diseases such as Black Spot and Mildew, also aphids and leaf eaters. It is very easy to use, no mixing, no fuss, no bother. Clean, healthy foliage is essential to grow good roses, also other plants. Follow a regular dusting schedule, starting early just as soon as the plants are fully leafed out. Dust often, dust regularly and dust thoroughly. You will be astonished at how much better a healthy plant blooms. Complete instructions on every package.

Primarily intended for Roses, it is also effective on other plants. POSTPAID.

K 150 2½ Pounds Rose Dust and Fibre Duster for \$2.35

K 151 3 Pounds for \$2.25

K 152 5 Pounds for \$3.25

K 153 10 Pounds for \$5.45

NEW ROSE SPRAY

For Insect and Fungus Control

A concentrated formula containing Phaltan, Aramite and Lindane that will control insects and fungus diseases of Roses and other plants such as Mums, Phlox, Evergreens, etc. Easy to use and economical too, you mix only 2 Tablespoons per gallon of water. One pound will treat 75 plants for the entire season. POSTPAID.

K 57 4 ounces for \$1.15

K 58 8 ounces for 1.95

K 59 1 pound for 3.25

C 66 Radiance, Pink—The great pink rose, planted everywhere because it has made good all over America. Fragrant.

C 67 Radiance, Red—America's great red rose. Vigorous grower, hardy, healthy, free-blooming, with a true rose fragrance.

C 68 Rex Anderson—A sensational exhibition rose with huge flowers of delicate ivory-white. The perfectly-formed buds open into prize-winning blooms of pure loveliness.

C 75 Talisman—A glorious combination of orange-yellow and rose-red. The buds are long pointed, flower is double, high centered. The fragrant flowers are freely produced.

C 77 The Doctor—Considered by many to be the most beautifully colored of all roses. Long, pointed buds open into simply enormous, yet graceful blooms, very fragrant. It is a pink with an iridescence, a sheen beyond description. Each flower is so perfect, so gorgeous, you will consider it almost priceless. Far more beautiful than pictured on page 42.

PLANT INTER-STATE'S Everblooming Floribundas

FAVORITE FLORIBUNDAS

Floribunda Roses are hardy, disease-resistant and long lived. They need but little care. The flowers come in clusters and bloom constantly from spring to freezing. Plant them in borders, solid beds, or in groups in front of shrubs and evergreens. They make a marvelous hedge. A natural for picture windows. Plant 18 to 24 inches apart.

Your Choice, 9 Floribundas Below, Postpaid

	Each	5 for	10 for
Large Specimen Plants	\$1.65	\$7.75	\$14.45
Select 2-Year No. 1 Plants	1.45	6.75	12.45
Standard 2-Year Medium Plants	1.20	5.45	9.85

C 118 Betty Prior. Always a mass of bright pink flowers. A strong, healthy grower reaching 3 feet in height. Large clusters of fragrant single flowers all summer long.

C 93 Dagmar Spath—Makes a bushy-upright plant over 2 feet tall that is loaded with the great clusters of snow-white flowers.

C 94 Eutin—Great clusters (often 50 or more flowers) of very double, red flowers. Glossy, dark green foliage. Healthy, hardy, vigorous, free-blooming, fragrant. 24 inches tall.

C 88 Floradora. Blooms constantly from June to Frost of lovely geranium-red shaded salmon-rose. The flowers are fully double with 40 to 50 petals each. Makes a healthy, upright plant 2½ to 3 feet tall.

C 196 Frensham—This is our best red floribunda. The beautifully-formed buds of brilliant scarlet-crimson come continuously from June to frost. Makes a healthy, vigorous plant 30 inches tall.

C 92 Improved Lafayette—For bedding and border this is hard to beat as the cheerful ripe cherry-red flowers are produced so abundantly all through the season. Semi-double, fragrant. 27 inches tall.

C 91 Pink Gruss An Aachen—Makes a bushy, rather spreading plant about 18 inches tall with rich green leathery foliage. Large, fully double flowers, fragrant, exquisite orchid-pink. Perfect for corsages.

C 192 Pinocchio—The famous parent of many of the finest new floribundas. Fragrant, salmon-pink flowers are borne on healthy 2-foot plants all through the season.

C 117 The Fairy—Probably the most constant, most prolific bloomer of all roses. Sprays of small, double, shell-pink continually on sturdy, spreading bush around 3 feet tall. Hardy.

Inter-State's New Superior Hardy

All of the outstanding Perennials below were selected from our extensive trial plantings of hundreds of new Perennials as being superior in color, flower form, vigor and the amount of bloom. They were thoroughly tested here at Hamburg and found to be completely hardy and easy to grow. Be sure to plant some or all of them this spring. They will bloom this season adding glorious color to your garden. Planting instructions are included with every order. Postpaid.

Giant Primroses TO GIVE YOUR GARDEN THE SPARKLE OF NEW LIFE THIS SPRING!

Pictured on Page 55

Plant these Giant Pacific Hybrid Primroses (*primula polyanthus*) this spring. In just a few weeks they will burst into a rainbow of lavishly beautiful blooms, almost before the rest of your garden wakes up. Large flowers, many the size of a silver dollar, much larger than pictured on page 55. Shade loving, they do fine on the north side in full or partial shade. Plant them in beds, or borders. Colors range from delicate pastels through radiant, vivid tones to the boldest, most brilliant hues Mother Nature can produce. These are vigorous plants with strong crowns that will produce an abundance of flowers, this spring. Next spring the plants will be larger and the display almost unbelievable. Here is something you have always wanted.

Fall-Blooming Hardy Asters

NEW! Pictured on Page 55

Recently we imported over fifty new Asters from England (where most of the new varieties originate). Four of them were so outstandingly superior that we immediately decided that we would offer them as quickly as possible. Last fall these four Asters were again far better. Now this spring you can plant them in your garden and this fall you will agree with us that never have you had such lovely Aster flowers. Hardy, grow in most any ordinary garden soil, in full sun or part shade. Lassie, Marie Ballard, and Crimson Brocade will make fine bushy plants around 30 inches tall. White Wings grows only about 2 feet tall. All are free-blooming, simply covering the plant. They start blooming in late summer and last into fall. Pictured on page 55.

M 33 Lassie is the most exquisite pink you ever saw, a delightful clear pink color, with not the least trace of lavender.

M 37 Marie Ballard is the finest blue we have ever seen, a charming medium shade of true blue.

M 38 Crimson Brocade. Here is a red without purple tones, a bright shining color that is a tremendous improvement in red Asters.

M 41 White Wings is purest snow-white with golden center, the largest, most-perfect, most beautiful white Aster we have ever seen. Makes a neat, bushy plant wider than tall.

Your Choice Above 4 Asters, Alike or Assorted

Each 85c, 3 for \$2.25 Postpaid

MM 40 One Each of All 4 Above Asters for \$2.65 Postpaid

Giant Violas, New English Bedding Varieties

Pictured on Page 55

These new Violas have created more attention and comment than any new perennial we have had for years. They are far better than ordinary Violas. The flowers are giant size, large as pansies, fragrant, with long stems. You can pick flowers daily from spring to fall. In fact the more you pick, the better they bloom. In just a few weeks the plants will make clumps almost a foot across with dozens of flowers. Plant in a well-drained spot, north side of a building is perfect but they will grow in part sun, part shade (afternoon shade preferred). These are true perennials. In cold states we suggest a winter protection by first putting on some small evergreen branches or empty berry boxes then covering with a good six or eight inch mulch. You and all who see them, will love them.

Your choice, alike or assorted, Postpaid

Each 85c, 3 for \$2.25

M 91 Better Times has very large primrose yellow flowers, extremely free blooming. New, scarce and a "must-have."

M 92 Mt. Spokane is a new selection. Flowers are large, snow-white, freely produced.

M 93 Royal Purple came to us from Mr. Abbey, the well-known Vermont horticulturist. Flowers are simply magnificent, very large, a true Royal Purple. Good grower, blooms from spring to fall.

Purple Showers HYBRID VIOLET

NEW! Pictured on Page 55

M 95 Each 85c, 3 for \$2.25, 6 for \$3.95 Postpaid

Here at last the hardy, long-lived Hybrid Violet that we have been looking for. Purple Showers has the exquisite delicacy and velvety richness of color of a pampered hot-house prima donna . . . with the vigor, hardiness of a wild woods Violet. It combines the freedom of bloom of the Viola with the ruggedness of the Violet. You will thrill to its abundance of color spring, summer into fall, a deep rich intense glowing purple that holds its vivid color right thru summer's heat. Makes a luxuriant plant, almost a foot across the first season, and holds its rich green foliage all winter. We grow it right out in the open field in full sunshine. However, it will thrive on the north side in full or partial shade. Low-growing, makes a wonderful showing in beds or borders. The flowers are large, often 2 inches long and come singly on 6 to 8-inch stems.

Indian Jewels HYBRID PENSTEMON

NEW! Thrilling Beyond Words! Pictured on Page 55

M 237 Each 60c, 3 for \$1.45, 6 for \$2.45 Postpaid

M 237 Penstemon Indian Jewels (Flathead Hybrids). This new hardy perennial was developed by Mr. Glenn Viehmeyer of the Nebraska Experiment Station of North Platte, Nebraska. Indian Jewels captures all of the beauty and vigor of the native Penstemons of the western prairies with the exquisite form of the garden varieties. They bloom over a period of many weeks in early summer and, if the old stems are cut off, new stems will appear producing even more flowers. The colors range from beautiful shades of red from crimson to scarlet and rose, charming hues of pink, lavender, purple and even a few touches of blue. Striking in the garden and really something special for bouquets, and arrangements. Easy to grow, will bloom this summer. Select field-grown plants. Postpaid.

"MUMS" ARE AMERICA'S FAVORITE FALL FLOWERS

Colorful, Long Lasting, Fine for Cutting • All Mums are Postpaid

M 840 Pink Quill. This new Mum from Lehman is wanted by all who see it. Very large, spidery quilled flowers 4 to 6 inches across (larger than pictured) of a delightful shell-pink with deeper center. Unique and attractive in the garden and simply marvelous for cutting. Makes a very bushy, rounded plant 2 feet tall. Starts blooming around September 25th. **Each \$1.00, 3 for \$2.25**

M 820 Crimson Glory. This is Lehman's sensational new red Mum. Almost exactly the same rich crimson color as the popular Crimson Glory Rose. Makes a rather upright, well-branched plant with striking deep red flowers 3 to 3½ inches across. Starts blooming in September and is a glorious sight for weeks. By far our best red Mum. **Each 85c, 3 for \$2.25**

M 864 Prairie Sunshine—You will recognize the picture in the top left as Golden Thrill. Due to the tremendous demand in past years we exhausted our supply so completely that we do not have enough to list. In place of Golden Thrill we are using Prairie Sunshine, large 3 to 4-inch, fully double flowers of the most brilliant yellow you ever saw. Grows 30 inches tall and is covered with gorgeous blooms from August until freezing, almost 3 full months of color. Created by Glenn Viehmeyer of Nebraska University, it is one of the greatest Mums in all America. **Each 85c, 3 for \$2.25**

M 826 Frosty (P.R.R.). A new Mum introduced by Inter-State spring 1956. Large, incurved flowers, much larger than pictured, 4 to 5 inches across, pure snow-white when open. The buds have a delicate lavender tinge. Starts blooming in mid-September and in a few days is almost a solid mound of white. It is the best early blooming, incurved white. **Each \$1.00, 3 for \$2.50**

M 813 Aristocrat has everything expected of a great garden Chrysanthemum. Large, fully double flowers, 3 to 4 inches across; vigorous plant with healthy foliage; clean, lovely color; perfectly formed flowers and a prolific bloomer. From mid-September until freezing the 2-foot plants are covered with flowers of deep cerise with overtones of bright rose. **Each 85c, 3 for \$2.25**

M 812 Aksarben—New, Unusual, Beautiful Golden "toast 'n honey" Mum is the most unusually colored Mum we have ever seen—a golden "toast 'n honey" with reddish-bronze inside the petal points. The first of a new race of Mums from Viehmeyer, double quill style with perfect form. Delightful for arrangements, magnificent in the garden, you'll enjoy golden-brown Aksarben for many weeks in the fall. **Each 85c, 3 for \$2.25**

Flowering Garden Mums

We guarantee this collection of 12 Mums to be the finest in America

All of the Mums we send you are growing, potted plants which we have tested and found to be the best for outdoor planting. Mums are usually shipped later and separately from other perennials and nursery stock. All Inter-State Mums carry the following guarantee. When they bloom in your garden next fall, if you are not delighted, you may select from our catalog, without cost, anything you wish equal to the amount you paid us for the Mums. All Mums Are Postpaid.

M 822 Bronze Giant. This new variety is one of Lehman's very best. Huge flowers, 5 inches or more across, of glorious, intense bronze. The vigorous upright plants grow 30 inches tall and produce dozens of magnificent blooms of our favorite fall color. Blooms mid-September until freezing. **Each \$1.00, 3 for \$2.50**

M 825 Dr. L. E. Longley. One of the finest of all Mums and by far the best of its color, an exquisite rosy-lavender. Starts blooming in late August and is simply covered for weeks with lovely 3-inch flowers. **Each 85c, 3 for \$2.25**

M 858 Ruby Breithaupt. A late introduction of Dr. Kraus and we consider it one of his best. This variety created more interest than any other Mum in trials last autumn. And no wonder, with its immense, informal type flowers and rich coloring. The vigorous 30-inch plants with luxuriant, deep green foliage are an attraction themselves. Starts blooming in late September with flowers of creamy-white deepening to primrose yellow in the center. You will enjoy it in your own garden this fall. **Each \$1.00, 3 for \$2.50**

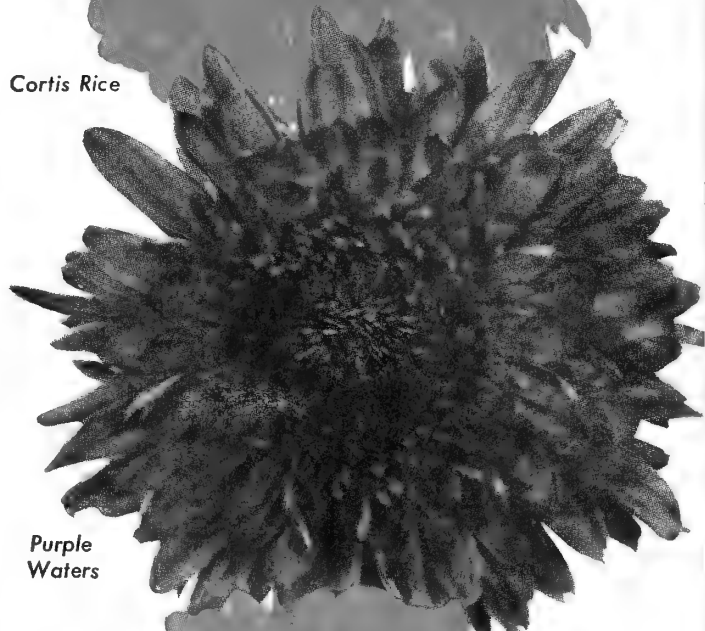

M 818 Cortis Rice. Lehman, one of America's leading Chrysanthemum hybridizers rates this his best yellow Mum. It is a gorgeous sight all fall—huge, high-centered flowers 5 inches across, of rich buttercup yellow simply cover the healthy vigorous 30 inch plants. Starts blooming in mid-September and continues right up to freezing weather with the later flowers becoming honey-bronze. And it is superb for cutting with long strong stems. Be sure to add Cortis Rice to your garden this spring. **Each \$1.00, 3 for \$2.50**

M 839 Purple Waters, a Lehman creation, is the best large flowering purple Mum we know. The perfectly double, 3 inch flowers completely cover the 2-foot plants from mid-September until freezing. Striking in the garden or in bouquets. **Each 85c, 3 for \$2.25**

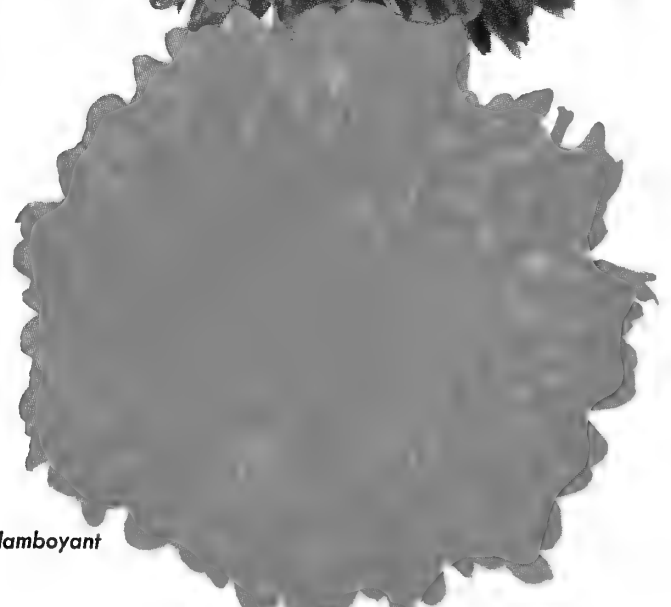

M 834 Flamboyant. For the most spectacular coloring in Mums, plant Flamboyant. It creates a parade of ever changing color from late August until early October. The 3-inch flowers open a bright tangerine-red changing to warm orange and then golden bronze. A star attraction in any planting. **Each 85c, 3 for \$2.25**

Four Queens

America's Finest Cushion Mums
For Glorious Fall Colors

**WILL GIVE YOU BUSHELS
OF BLOOMS THIS FALL!**

Yellow
Queen

Crimson
Queen

Bronze
Queen

Purple
Queen

Visitors last fall were amazed at the spectacular beauty of our fields of Mums. These New Varieties of Cushion Type Chrysanthemums were particularly outstanding. In the first place, they make perfect plants, about two feet tall and two to three feet wide. So full of flowers that you cannot see the foliage. They start blooming in early September and continue right up to severe frosts. They literally produce Bushels of Blooms. Marvelous coloring for the garden and you pick bouquet after bouquet and scarcely miss a flower. The flowers are two to two and one-half inches across and completely cover the entire plant.

YOUR CHOICE FOUR VARIETIES BELOW, ALIKE OR ASSORTED
Each 75c, 3 for \$2.10, 6 for \$3.85, Postpaid

M 815 Bronze Queen—The flowers have perfect fall coloring, golden bronze with touches of copper and tangerine. A tremendous bloomer.

M 824 Crimson Queen—By far the finest Red Cushion Mum we have ever seen. The color is rich shining crimson. A perfect mound of bloom.

M 843 Purple Queen—When you see this for the first time, it really gives you a thrill. No flower in your garden will create a greater sensation. The rich purple flowers are lovely from the first opening bud until severe freezes.

M 853 Yellow Queen—The richest bright clear yellow, a color that lights up the entire yard. In the garden, in a bouquet, it is outstanding.

New Mound O' Mums

Nothing can surpass these new cushion mums for a brilliant display of color in early fall. Every plant is simply loaded with flowers, a solid mound of blooms that will light up your garden for weeks.

YOUR CHOICE OF VARIETIES, Postpaid
Each 85c, 3 for \$2.25

M 836 Mahogany—Here is fall color at its finest, a jasper-red shading to mahogany. 2½ feet tall.

M 841 Minnpink—This is the finest pink cushion we have ever seen. It makes a perfect mound, 2 feet tall completely covered with rose-pink flowers from mid-September until frost.

M 846 Princess Kay—Pure white, fully double flowers cover the healthy plants like a mound of snow. Grows 2½ feet tall.

M 850 Ruby Mound—Deep ruby-red flowers that catch the eye as far as you can see. A brilliant new mum from Lehman. About 2 feet tall.

All America Mums

AT NEW LOW PRICES

These 6 great new Mums are Winners of the All America Mum Selections Award. They have been thoroughly tested in gardens in many sections of the United States where they proved to be the finest of all the varieties entered. Superior in flower, in color and in vigor of the plants. These are growing plants that will be shipped after danger of freezing weather is past.

Your Choice 6 All America Mums Below, Each \$1.00, 3 for \$2.75 Postpaid

NEW 1961 ALL AMERICA MUMS

M 801 Apricot Sheen (P.A.F.)—Neat, compact, 18-inch cushion-type plants are covered with 2 to 3-inch flowers from mid-September to Frost. Opens golden buff becoming rich apricot.

M 802 Bingo (P.A.F.)—Bright crimson flowers, 3 inches across, are freely produced on bushy, compact cushion-type plants for many weeks.

M 803 Her Majesty (P.A.F.)—The strong 30-inch plants hold their royal flowers regally erect, glorious in the garden and wonderful for cutting. 3-inch flowers open with a tinge of pink becoming ermine-white with centers of pure cream. Starts blooming in late September.

1959-60 ALL AMERICA MUMS

M 806 Flair (P.A.F.)—Healthy plants covered with lovely, "lively" lavender flowers for many weeks in the fall. The blooms are 3 to 4 inches across, fully double.

M 831 Headliner (P.A.F.)—Large, 3-inch flowers of glowing reddish-bronze, prolific bloomer and healthy, vigorous plants make this a true All America.

M 832 Mardi Gras (P.A.F.)—As colorful as the famous New Orleans festival. The huge, 4 to 5 inch, very double cactus-style flowers range from scarlet-orange through reddish-bronze to golden-yellow. Vigorous plants 2 feet tall and 2 feet wide.

MM 800 One Each of All 6 All America Mums for \$4.75

ENCHANTING NEW MUMS

We maintain each year one of the most extensive Mum tests in America. This year we had on trial here at Hamburg, more than 200 named varieties and numbered seedlings. From this extensive trial and test plantings we have selected the Mums listed on this page and pages 1, 56, 57, 58 as the very best. Plant some this spring. You will have hundreds of colorful flowers from late August until severe frosts. Mums make delightful bouquets with their gay colors and they last for many days. All Mums are Postpaid.

**Your Choice, Alike or Assorted, 8 Mums Below (Except Ad Astra)
Each 85c, 3 for \$2.25 Postpaid**

M 906 Ad Astra—Another new Space Age Mum like those featured on the front cover. Fully double, quilled flowers 5 to 7 inches across of "dusty" rose. 2 feet tall. **Each \$1.00**

M 861 Amethystine—A new variety which has a very long season of bloom, starting in early September and continues right up to hard frosts. The color is a bright rose-pink, one of the best pink Mums we have seen. 18 inches tall.

M 855 Campaigner—Here is a new Mum with real fall color, glowing bronze-gold becoming vibrant orange. Makes a well-branched, healthy plant 2 feet tall covered with 3-inch cactus style flowers from mid-September until freezing weather. Outstanding in our fields last fall.

M 835 Champagne—An entirely new color in Mums, ivory-shell-pink, one of Lehman's best. Large flowers on strong, well-branched plants.

M 863 Lavender Beacon—The large, rich lavender flowers start opening in late August and put on a gorgeous display for many weeks. The deep, fully double blooms have an unusual, fluffy form that create interest in the garden or in arrangements.

M 847 Mesa—New from Viehmeyer. The flowers remind you of huge Daisies, 4½ to 6 inches across, borne singly on long stems fine for cutting. There are 6 to 8 rows of the long rather fluffy petals of lively pink surrounding a center of gleaming gold. 2 feet tall.

M 848 Mustang—New from Viehmeyer. This makes a healthy plant 2 feet tall and 2 feet wide. The flowers are large, double, 4 to 6 inches across, and cover the plant from late August to hard frosts. The color is a dynamic orange, long lasting on the bush and when cut.

M 854 Raggedy Ann—A giant cushion 2 feet tall and over 2 feet wide, like banks of snow for two months in early fall. Unique carnation style flowers of pure white with orchid tints.

INTER-STATE'S *Colorful Daisies*

Pyrethrum (Painted Daisy), for attractive, long-lasting bouquets

M 266 Colorado Shasta Daisy—This new variety comes from W. W. Wilmore of Denver, Colorado. It is by far the finest single Shasta Daisy we know. It grows 2 to 2½ feet tall and blooms from spring to frost—immense flowers, 4 to 6 inches across, fine for cutting or lovely in the garden. Completely hardy here at Hamburg. If you divide and replant every other year, you will get still more flowers. **Each \$1.00 3 for \$2.50 Postpaid.**

GIANT ALASKA

SHASTA DAISY—*Pictured below*

M 265 Few perennials can equal this for the astonishing number of cut flowers it will produce in June and July. Also attractive in the garden. Large, glistening white blooms with rich yellow center. Long 2-foot stems fine for cutting. Add just a little greenery and only a few of these flowers make a lovely bouquet. You can plant all Shasta Daisies either in full sun or with some afternoon shade. Strong, field-grown plants, that will bloom freely this season and even more next year.

Each 60c, 3 for \$1.50 Postpaid

Giant Alaska Shasta Daisy

60

Improved Esther Read Shasta Daisy

M 241 Pyrethrum (Painted Daisy)—This is the superb Robinson strain, the finest we know. The flowers are larger and brighter colored, the most gorgeous reds, fine pinks and pure whites, all mixed to blend beautifully. Long stems fine for cutting. Blooms profusely in the spring and early summer. Grows about 24 inches tall. We are making a very special price so that you can plant them freely. The finely-cut foliage is attractive in itself when the plant is not in bloom. It can be used in bouquets and arrangements. **2 for 90c, 4 for \$1.65, 8 for \$2.85, Postpaid**

M 243 Pyrethrum, Giant Crimson—Very large, single flowers of bright crimson-red are freely produced spring into early summer on long stems. Very fine for cutting. Hardy, easy to grow. **Each 75c, 3 for \$1.95 Postpaid**

IMPROVED ESTHER READ

SHASTA DAISY—*Pictured below*

M 267 For many years we have been searching for a double Shasta Daisy that would stand our winters. Here is one which has proven rugged enough to withstand our winter weather. The flowers are simply marvelous. Large, 3 to 3½ inches across, fully double, snow-white with a golden touch in the center. They commence blooming in early summer and continue right up into fall. The flowers come singly on long stems, fine for cutting. Each flower lasts a long time in the garden and also when cut. It is such a strong grower and free-bloomer, that you will get many bouquets **THIS VERY FIRST SUMMER.** And next summer a great deal more. Selected field-grown plants.

Each 75c, 3 for \$1.95 Postpaid

MARCONI FRINGED

SHASTA DAISY—*Pictured below*

M 263 There are several lovely fringed Shasta Daisies but this is the only one that we have found which will live and bloom for years. The flowers are large, 3 to 4 inches across, with narrow, frilled petals, snow-white with a bright yellow center. Flowers are borne singly on long stems, long-lasting in the garden and also when cut. Grows almost 2 feet tall and blooms very freely in late spring and early summer. A hardy, healthy, vigorous grower that can be divided every 2 or 3 years. At small cost you can have many dozens of lovely flowers. Will bloom this summer. We send you hardy, selected field-grown plants.

Each 60c, 3 for \$1.50 Postpaid

Glorious Perennials

THAT BLOOM FOR WEEKS

SALVIA PURPLE SPIRES

M 253 Salvia Purple Spires (Superba Compacta)—This grand new perennial is a sight to behold all summer. The spires of rich royal purple cover the entire plant for many weeks. And, if you cut off the old flowers, it will produce new blooms right up to frost. Perfectly hardy, easy to grow in full sun or part shade. It makes a vigorous plant 18 to 24 inches tall with attractive foliage. Be sure to add Purple Spires to your perennial garden this spring.

Each 85c, 3 for \$2.25, Postpaid

Salvia Purple Spires

Perennial Sweet Pea, below

Perennial Sweet Peas

(Lathyrus) have long been a favorite of many flower lovers. The vine-type plants with their delightful flowers during July and August are marvelous for porches, trailing over banks, caves, trellis and fences. The flowers are larger than the annual sweet peas and are fine for cutting. The stems die down over winter and vigorous new growth comes from the roots each spring. Your choice, POSTPAID.

More Lovely Perennials to Complete Your Garden

We do not have enough space to picture these 4 attractive perennials. They are perfectly hardy, easy-to-grow and will last for years becoming more beautiful each year. Postpaid.

M 89 Coreopsis, Golden Shower. The bright yellow star-like flowers 1 to 1½ inches across, are produced for many weeks right through the hottest summer weather. Makes a neat, bushy plant 24 to 30 inches tall.

Each 60c, 3 for \$1.50

M 127 Filipendula (Spirea Flora-plena)—In mid-summer clusters of double pure white blooms are carried on erect 2-foot stems, fine for cutting. Makes a neat compact plant with attractive, fern-like foliage.

Each 85c, 3 for \$2.25

M 161 Gaillardia, Mandarin—New for 1961, blooms profusely from June through September. The large, daisy-like flowers are 3 to 4 inches across of brilliant flame-red on strong stems 2½ feet tall, fine for cutting. Hardy and prefers a sunny location.

Each 85c, 3 for \$2.25

M 230 Penstemon, Pinifolius—Grows only 3 to 4 inches tall but spreads out 12 to 18 inches making it fine for borders or rock gardens. The foliage remains green all year, then in late spring it shoots up 6-inch spikes of dainty red flowers.

Each 75c, 3 for \$1.95

M 224 Platycodon, Single Blue Stars—Large, deep blue flowers that look like stars. Like the Platycodon above only these have just one row of petals. **Each 45c, 3 for \$1.15 Postpaid**

M 130 Sedum Dragon's Blood. Pictured below. A low growing perennial which is ideal for rock gardens, edging, banks or borders. Grows only 3 to 4 inches tall and is covered with brilliant red flowers for several weeks June to August. Hardy, easy to grow in ordinary soil. **Each 75c, 3 for \$1.95, 6 for \$3.45, Postpaid**

Sedum Dragon's Blood, below

New SEDUMS For Perennial Borders and Rock Gardens

M 131 Sedum, Carmen—In August and September it produces tremendous flower heads up to 10 inches across, of bright pink. Grows 12 to 15 inches tall. Hardy. **Each 85c, 3 for \$2.25, Postpaid**

M 132 Sedum, Autumn Joy—Here is real fall color, beautiful rosy-salmon tinged bronze. Strong stems 18 inches tall hold the large flower heads proudly erect from early September to frost. **Each 85c, 3 for \$2.25, Postpaid**

PINK SENSATION, The Best Pink Delphinium

M 106 Pink Sensation Delphinium—This is the hardiest, healthiest and most prolific of all pink Delphiniums. Starts blooming in early summer and continues right up to frost, strong spikes 3 to 4 feet tall covered with lovely rose-pink flowers. We recommend this as one of the very finest perennials. Lovely in the garden and beautiful in bouquets. New and very scarce **Each \$1.00, 3 for \$2.50, Postpaid**

Hardy Grenadin Carnations

These are becoming popular because they are not only lovely in the garden but are fine for cutting. The flowers are very fragrant and come on long stems. Bloom freely in early summer and at intervals thereafter. Grow 18 to 20 inches tall. They are hardy but in cold sections we recommend a light winter mulch to prevent alternate freezing and thawing. Postpaid.

Each 45c, 3 for \$1.15, 6 for \$1.95

Hardy Grenadin Carnations, below

Japanese Iris, THE RAINBOW IRIS, Pictured Above

M 182 Japanese Iris, Kaempferi, The Rainbow Iris. Called Children of the Gods in early days because of their gorgeous colors. Few plants can compare with them for spectacular beauty. Bloom in June and July. Large flat flowers, some as large as dinner plates, atop strong stems nearly 3 feet tall. The foliage itself is attractive. When planting, cover the crown with 2 inches of soil. Like a sunny spot, rich soil and abundant moisture, especially early in the season and when blooming. They like an acid soil (the average soil is slightly acid), and will not tolerate lime. Grown from coast to coast. Priced low for extra fine plants. This spring we can supply only a fine mixture of many colors: white, blue, purple, yellow, pink.

Mixed Colors Each 60c, 3 for \$1.50, 6 for \$2.65 Postpaid

Above, Vinca Minor, grows in full shade

Vinca Minor, our best ground cover

M 259 (Periwinkle). This is by far our best ground cover, an improved strain which produces more and larger flowers. In early summer it is a profusion of bright blue flowers set off beautifully by glossy green foliage that stays green summer and winter. It is fine for covering banks and bare spots, even under trees where grass will not grow. This Vinca not only is exceptionally good for planting in shady, hard-to-grow places, but it also grows in full sun or part shade. We send you 4 divisions in a bunch. Plant these divisions 4 to 6 inches apart and in a year or two you will have a solid carpet of green. Excellent to plant around Lilies as it protects their roots summer and winter. Especially here in the mid-west, it is the best ground cover we know.

Bunch, Each 40c, 3 for \$1.00, 12 for \$3.45

Geranium Alpinum

Purple-blue Flowers all Summer

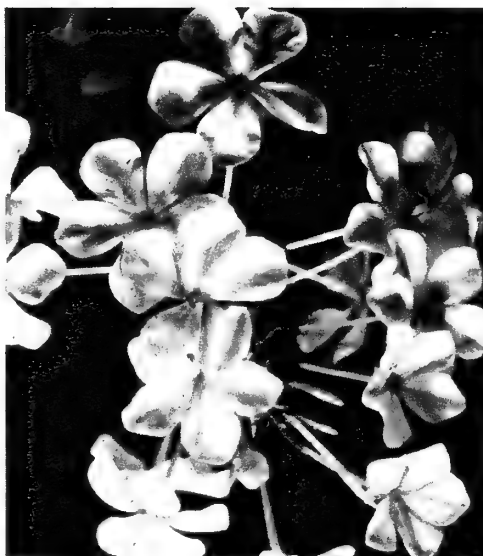

M 52 Geranium, Alpinum—After several years of thorough testing of this perennial here at Hamburg, we offered this completely hardy, low growing plant for the first time last spring. It makes a neat, compact plant less than 12 inches tall and 12 to 24 inches across, ideal for borders or rock gardens. The purple-blue flowers are produced almost all summer long, a colorful spot wherever you plant it. Thrives in full sun or part shade, not particular as to soil but, like all perennials, it requires good drainage. We send you healthy, No. 1 field-grown plants that will bloom the very first summer.

Each 75c, 3 for \$1.95, Postpaid

M 211 Nepeta, Blue Wonder (Ground Ivy). This makes a perfect ground cover as it grows only 8 inches tall and 1½ to 2 feet wide. The foliage is an attractive silvery-gray. Bright blue flowers all summer.

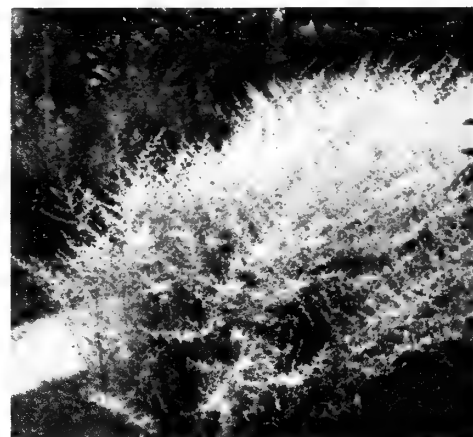

Each 50c, 3 for \$1.35, Postpaid

Below, Hardy Veronicas

Plumbago, above

M 239 Plumbago—The open flowers are a rich blue, the tiny buds a bronzy-red, giving the entire plant a beautiful and unusual appearance. Always in bloom from July to frost. For an edging plant or a low growing solid bed, it simply cannot be beat. Grows only 6 inches tall. **Each 65c, 3 for \$1.65, Postpaid**

Artemisia, Silver King, above

M 25 Artemisia, Silver King—This hardy plant is highly prized because of its frosty silvery-white foliage. It is attractive in the garden and much used in bouquets and arrangements. Also can be cut and kept for winter use. Grows 2 to 3 feet tall, in sun or a little shade, any ordinary soil. Once planted, it will come up year after year.

Each 60c, 3 for \$1.50, Postpaid

Hardy Veronicas

M 291 Veronica, Icicle—A new variety with pure white flowers on graceful spikes 15 inches tall. Blooms from midsummer into fall. Makes a healthy, vigorous plant with the richest dark green foliage, attractive in itself. Hardy, easy to grow, in sun or part shade. Fine in the garden or in bouquets. The more you cut it, the more it blooms.

Each 75c, 3 for \$1.95, Postpaid

M 289 Veronica, Sunny Border Blue—Should be in every garden. The deep blue flowers are produced from July into September on 18 to 24-inch stems. Hardy, it gets better each passing year. Especially fine in the garden border and excellent for cutting.

Each 65c, 3 for \$1.65 Postpaid

VERONICA SPECIAL

MM 292 1 Sunny Border Blue 1 Icicle Both for \$ 1.25 Postpaid

From our field of Phlox, the largest in America, over 1,000,000 plants in bloom, we selected these as the very best. They are truly superb, with flowers almost twice as large as pictured. Our husky No. 1 field-grown plants will bloom freely for you this summer and for years to come. Perfectly hardy, thrive all over America. Grow in sun or part shade, 24 to 30 inches tall.

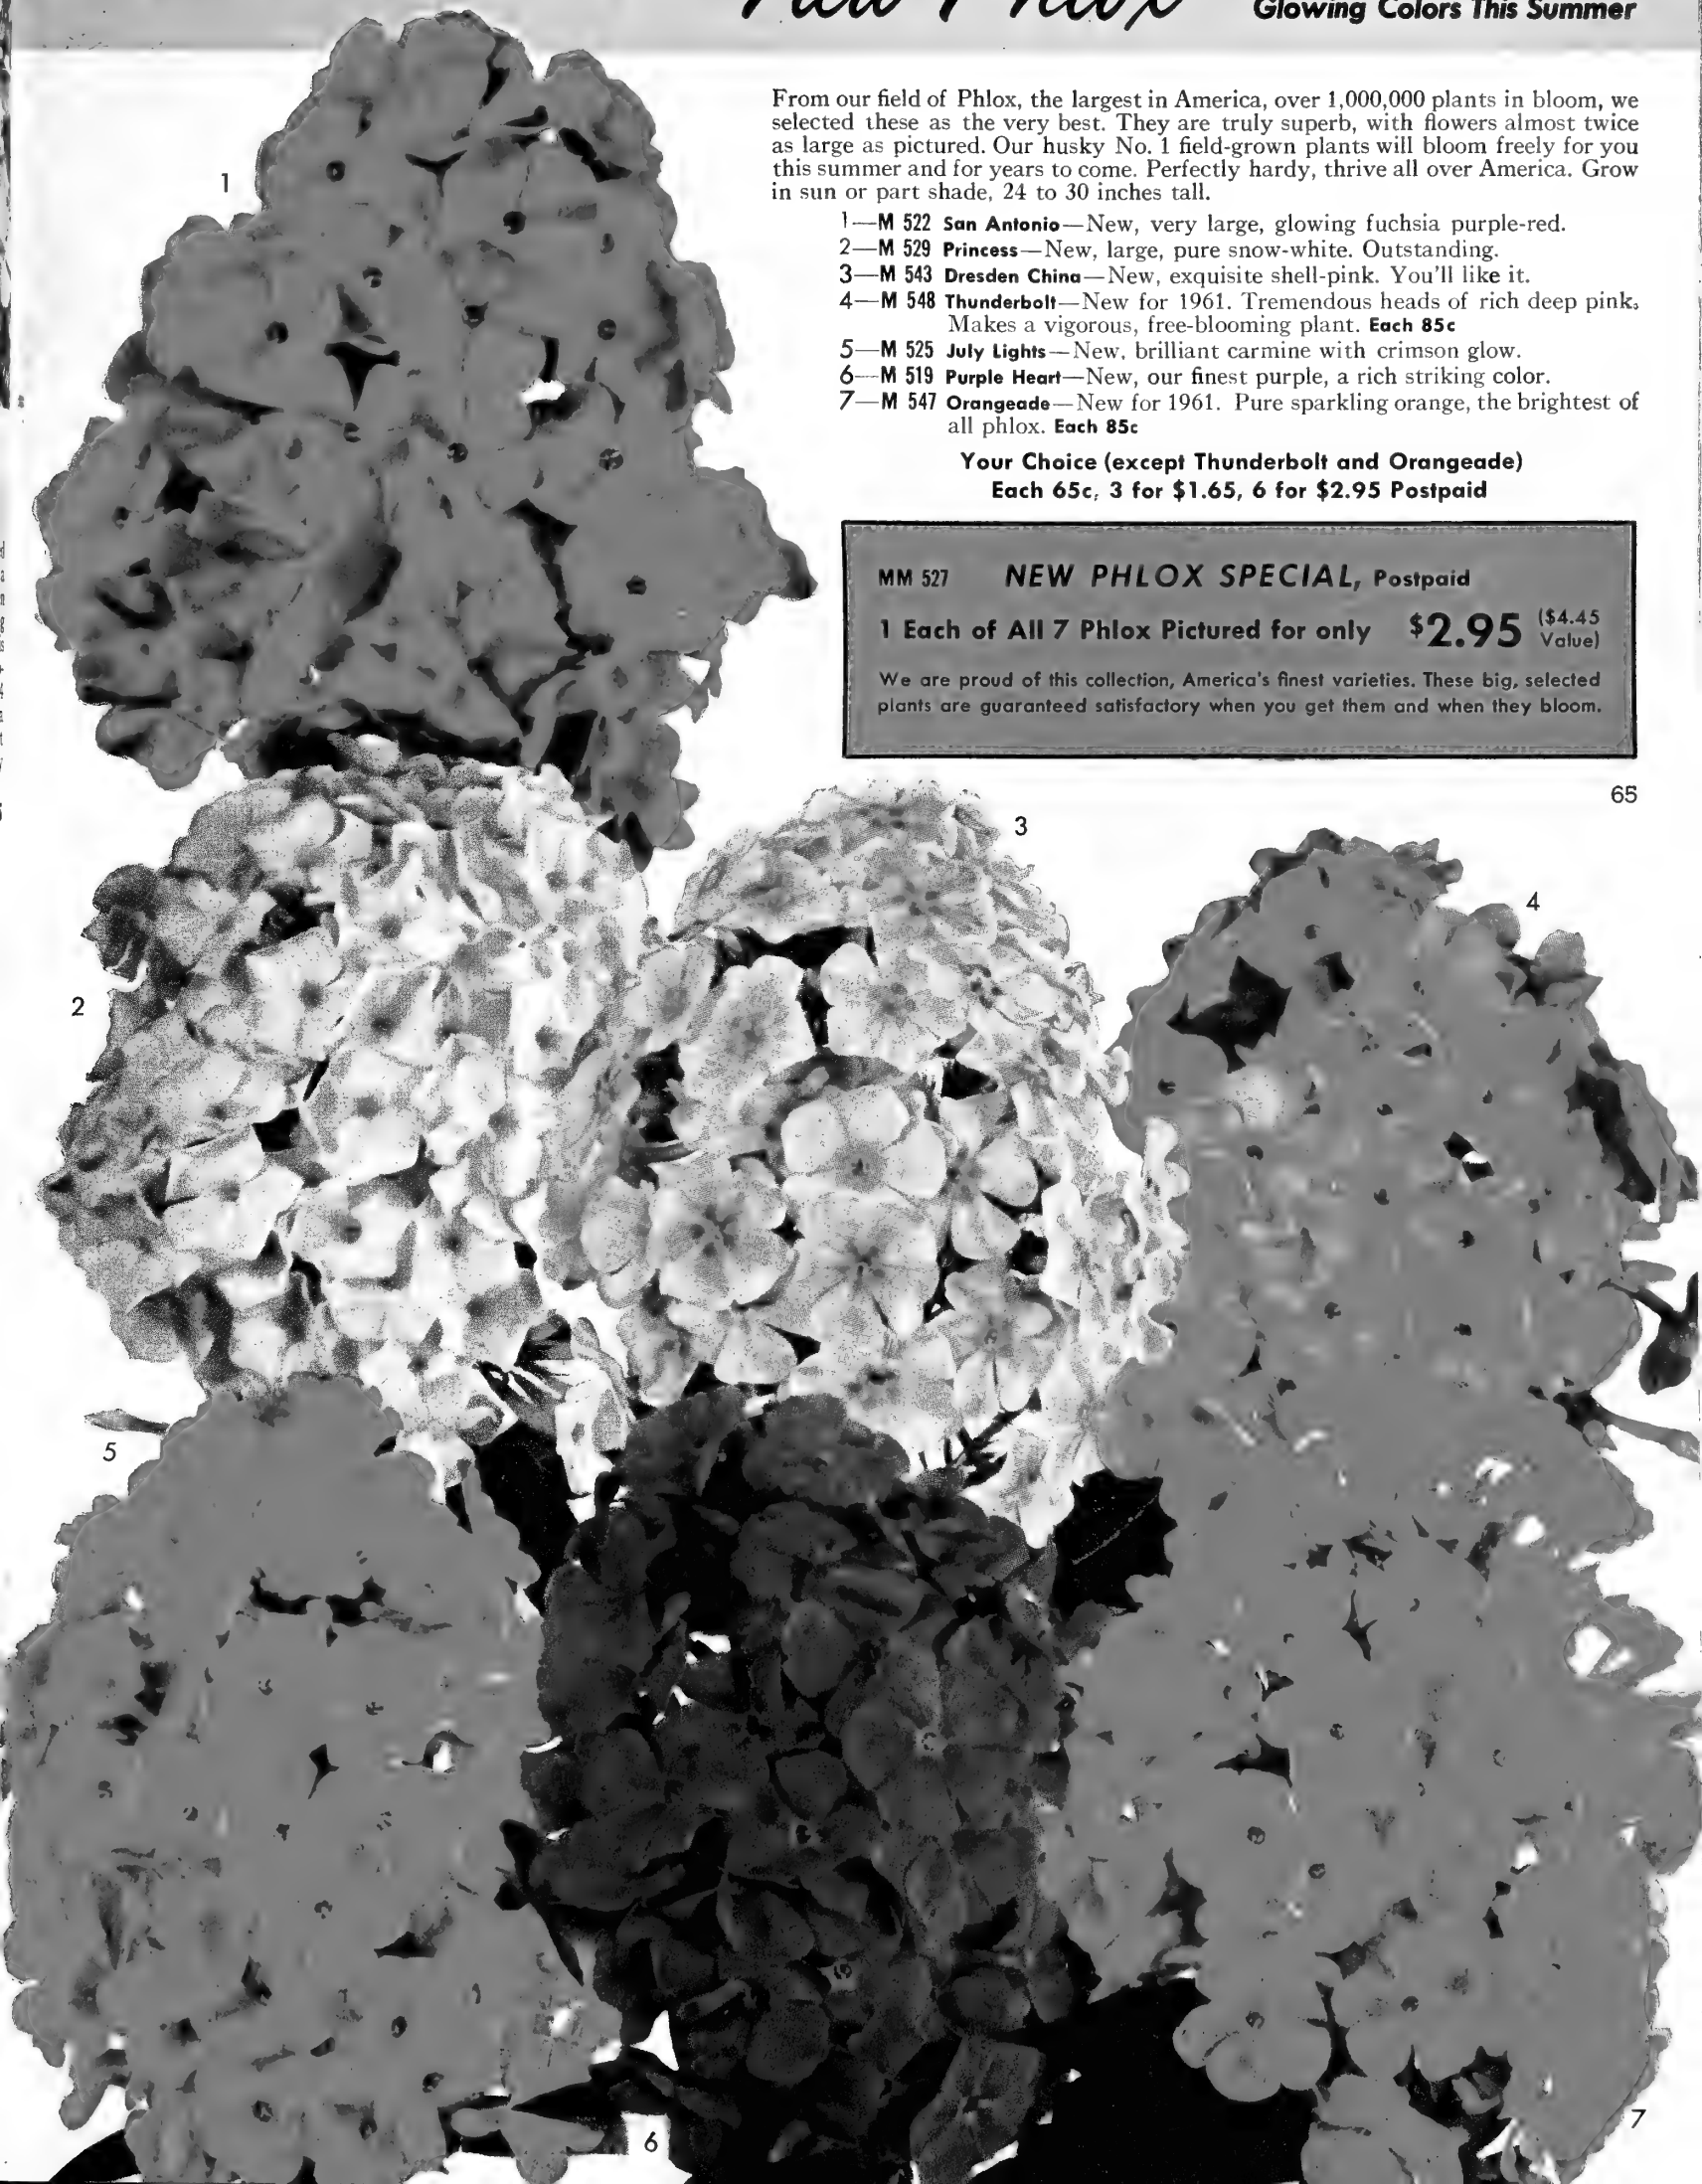

- 1—M 522 **San Antonio**—New, very large, glowing fuchsia purple-red.
- 2—M 529 **Princess**—New, large, pure snow-white. Outstanding.
- 3—M 543 **Dresden China**—New, exquisite shell-pink. You'll like it.
- 4—M 548 **Thunderbolt**—New for 1961. Tremendous heads of rich deep pink. Makes a vigorous, free-blooming plant. **Each 85c**
- 5—M 525 **July Lights**—New, brilliant carmine with crimson glow.
- 6—M 519 **Purple Heart**—New, our finest purple, a rich striking color.
- 7—M 547 **Orangeade**—New for 1961. Pure sparkling orange, the brightest of all phlox. **Each 85c**

McKana's Giant,
America's Finest
Columbine (Aquilegia)
All America
Award Winner

McKana's Giant Columbine

ALL AMERICA AWARD WINNER

M 85 McKana's Giant Columbine is the first and only perennial ever to win the All America Seed Selections Award. Plant them in your garden and you will see for yourself why they won this coveted award. The flowers are huge, many 4 inches across, with 4 to 5-inch spurs, far larger than any other Columbine we have ever seen. The colors are simply exquisite, vivid yet not bold or gaudy, shades of red, rose, pink, yellow, cream, white, lavender, purple, blue, some self-colored, but mostly pleasing combinations. Our field-grown plants will all bloom for you this spring, the Larger Select Plants will naturally produce more flowers. They grow 2 to 3 feet tall, thrive in ordinary soil and prefer slight shade. Hardy, they will come up year after year. Grown in a grand assortment of colors, mixed, a beautiful harmonious blend. Postpaid.

No. 1 Plants..... Each 40c, 3 for 1.00, 6 for 1.75

Helenium Copper Spray, below

Helenium FOR BRILLIANT FALL COLOR

M 157 Helenium Copper Spray (Kupfersprudel). This new perennial makes a bushy plant 3 to 4 feet tall and almost as wide. From early August to frost it is completely covered with hundreds of brilliant flowers, 1½ inches across, in shades of copper, bronze, orange and red. In its season, no other flower can match its brilliance. Hardy, easy to grow, in sun or part shade. Pinch out the top when it is 6 to 8 inches tall for better branching. Postpaid.

Each 75c, 3 for \$1.95

M 158 Helenium, Bruno. A new variety with the deepest color of all, a glowing mahogany-red. Makes a bushy 4-foot plant, blooms late July to Frost. Postpaid.

Each 85c, 3 for \$2.25

M 159 Helenium, Butterpat. This new variety is the best yellow we have ever seen, rich golden flowers from August to October. Grows 3 feet tall. Postpaid.

A Parade of Color

FROM SPRING TO FALL

Pink Princess AMERICA'S FINEST DIANTHUS

M 114 Pink Princess, introduced spring 1956, is the finest new hardy Dianthus. A creation of Dr. Hildreth of the U.S.D.A. Horticultural Field Station, Cheyenne, Wyo. The plant pictured is only a few months old. Allow it a year to become established and you will be amazed that it could possibly produce so many flowers. Develops into a plant over a foot across. Starts blooming in late April and for many weeks it is absolutely covered with dozens and dozens of the lovely fringed pink flowers. Grows less than a foot tall. Use it as a border, or a group, or anywhere you want a low-growing, free-blooming perennial of great appeal. We send you potted, growing plants, just right for planting, and ready to bloom.

Each 85c, 3 for \$2.25, 6 for \$3.95 Postpaid

NEW IMPROVED LAVENDER

M 51 Lavandula, Hidcote—This is an improvement over the old-fashioned popular Lavender. Makes a neat, bushy plant 12 to 15 inches tall with purple-blue flowers in July and August, silvery gray foliage. Both the foliage and the flowers are fragrant and much used for drying. Grows in full sun or part shade, not particular as to soil.

Each \$1.00, 3 for \$2.50, Postpaid

Dianthus, Pink Princess, above

New Canadian Lythrum

We consider these 3 New Canadian Lythrum the finest varieties we have seen. The Lythrum is one of our best perennials. Perfectly hardy, it will come up year after year with more and more spikes covered with bright, colorful flowers. The plants themselves are attractive, so neat and shapely and with an abundance of glossy, dark green foliage which becomes a fascinating reddish-purple in the fall. **ALL VARIETIES OF LYTHRUM WE SELL, WILL BLOOM THIS SUMMER**, starting in early July and continuing until September. Grow 3 to 4 feet tall. Postpaid.

Your Choice Each 75c, 3 for \$1.95

M 207 Morden Rose. The best of all Lythrum. The flowers are a rich rose-red.

M 203 Morden Gleam. The nearest red of all Lythrum, a bright gleaming carmine.

M 201 Dropmore Purple. Covered with lovely rosy-purple flowers every year.

Achillea, Golden Plate

M 22 Achillea, Golden Plate is a new variety that every woman who sees it, wants. It is attractive in the garden and simply marvelous for arrangements. Grows 3 feet tall with a large flat cluster of buttercup yellow at the top of each stem. Blooms all summer. We have found it very easy to grow. It prefers a sunny spot but will stand some shade. Any ordinary soil will do. Cut when the flowers are fully yellow and they will keep perfectly for winter use.

Each 75c, 3 for \$1.95 Postpaid

NOTICE—Our experience shows that perennials do better when planted after the ground begins to warm up. Therefore, we ship perennials 2 weeks or so later than Roses, Shrubs and Trees which can be planted earlier. If you order both perennials and Roses, Shrubs or Trees, you will receive 2 or more shipments before your order is complete.

Dianthus Little Joe

FOR BORDERS AND GARDENS

M 112 Dianthus Little Joe is pictured at right in a clump and a single flower actual size. It makes a compact, bushy plant only 6 inches tall, with handsome blue-green foliage all year through. The rosy-red flowers, 1 inch across, are produced constantly from spring to freezing. Unexcelled for borders, in sun or part shade. Perfectly hardy with us, lasts for years. Postpaid.

Each 85c, 3 for \$2.25, 6 for \$3.95

INTER-STATE'S *Exciting*

All the Lilies we list are hardy and under normal conditions will come up year after year. But we recommend that in cold sections you put on a winter mulch to prevent alternate freezing and thawing. They can be planted in full sun but afternoon shade will make the flowers even more beautiful and they last longer.

ALL THE LILIES WE SEND YOU WILL BLOOM THIS SEASON

Mid-Century Hybrid Lilies

B 88 Mid-Century Hybrid Lilies. An outstanding cross which was thought impossible until accomplished recently by Jan de Graaff. Very hardy, they grow and thrive everywhere even under adverse conditions. The range of colors is superb, shades of yellow from canary to gold, apricot, pinks, rose, salmon, many shades of red. The blooms come in clusters on strong stems 3 to 4 feet tall. Plant in a well-drained spot, full sun or partial shade, 7 inches deep. They will come up year after year, multiplying and increasing in beauty. Beautiful in the garden and excellent for cutting. Top Size Bulbs (5 to 7 inches around).

Each 65c, 3 for \$1.65, 6 for \$2.95, Postpaid

B 88 Auratum Platyphyllum. This is the best strain of one of the world's most beautiful Lilies. The flowers are huge, 5 to 7 inches across. They are waxy white with small crimson spots and each petal has a center stripe of golden yellow. Blooms from late July into September. Postpaid. **Large Bulbs (7 to 8 in. around)..... Each \$1.50, 3 for \$3.75**

B 87 Enchantment (P.P. 862). In June-July, it is a blaze of color, vivid rosy-flame flowers, 4 to 5 inches across, on stems 3 feet tall. One of the most beautiful and prolific of all Lilies. Postpaid.

Top-Size Bulbs (5 to 6 inches around)..... Each 75c, 3 for \$1.95

B 79 Giant Olympic. The huge, trumpet-shaped flowers are 7 to 9 inches long and 6 inches across, white with a golden throat and shades of pink white, or yellow on the outside. Postpaid.

Large Bulbs (6 to 7 inches around)..... Each 75c, 3 for \$1.85

B 65 Rubrum. Many think this is the most beautiful of all hardy Lilies. Flowers are bright pink edged white, with small maroon spots. Blooms in August and September on strong stems 3 to 4 feet tall. The reflexed wavy flowers are lovely in the garden and fine for cutting. Postpaid.

Giant Bulbs (8 to 9 in. around).... Each 85c, 3 for \$1.95, 6 for \$3.45

SPRING-TO-FROST LILY SPECIAL

All of the following varieties of Lilies are listed on pages 68 and 69. You will have lovely flowers THIS SEASON from late spring, through summer and into fall.

Improved *Regal Lily* AMERICA'S FAVORITE

Will bloom this summer

B 82 This Creelman Hybrid is far better than the regular Regal. Larger flowers, more of them, richer color and more vigorous. Blooms in June-July on strong stems 3 to 4 feet tall. Great clusters of the lovely, fragrant flowers, a lustrous snow-white with a golden throat. Plant them 7 inches deep. They will come up year after year, increasing in number and beauty. Postpaid.

Large Bulbs (7 to 8 inches around).

Each 75c, 3 for \$1.85, 6 for \$3.25

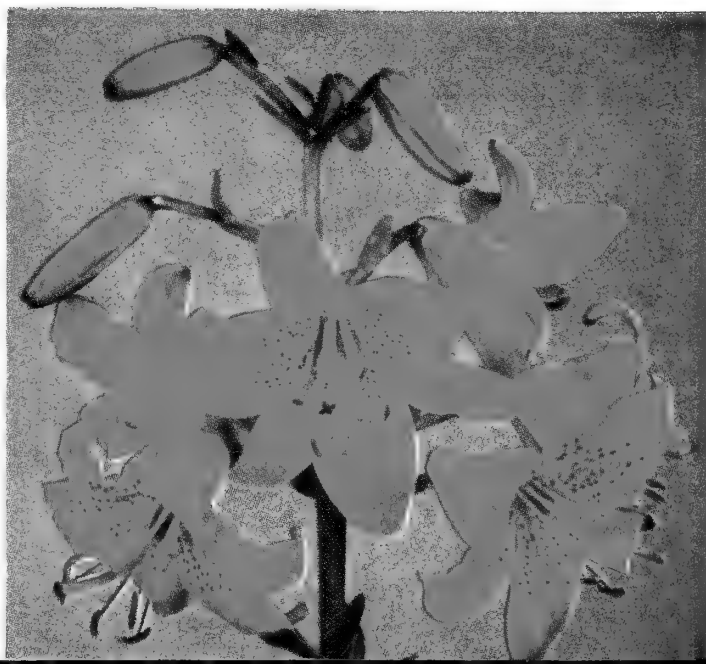

Improved Regal Lily

Prosperity Lily

B 66 Prosperity. Extremely vigorous and perfectly hardy, Prosperity will be sensational in gardens all over America. It grows 3 to 4 feet tall and produces more and more strong stems every year, each stem topped with 6 to 10 lovely lemon-yellow flowers. Prosperity is a hybrid selection from the world's most famous Lily hybridizer, Jan de Graaff. They will bloom this summer, June-July—large, beautiful flowers—so charming and graceful for both the garden and bouquets. Postpaid.

Large Bulbs (5 to 6 inches around) . . Each 85c, 3 for \$1.95, 6 for \$3.45

Prosperity Lily

New Hardy Lilies

Crimson Beauty, above

Crimson Beauty Lily

B 80 The striking flowers of this fine Lily are much larger and more attractive than pictured above. The color is a distinctive crimson. Blooms freely in early summer in upright clusters, on stems 18 to 20 inches tall. After it is established, it is nothing unusual to have 25 flowers on a single stem. Very hardy and easy to grow, thrives everywhere all over America. Plant 7 inches deep. It will come up year after year, for a lifetime, getting more beautiful each passing year. Postpaid.

Selected Bulbs (6 to 7 inches around). Each 75c, 3 for \$1.95

Pink Perfection

B 86 Pink Perfection fulfills every gardener's desire for a magnificent trumpet Lily of enchanting pink. A vigorous grower—produces stately stems 4 to 6 feet tall topped with a huge cluster of lovely flowers in June and July. Plant where they will receive light shade part of the day. This will intensify their glorious color, soft, pleasing tints of fuchsia-pink. **Large bulbs (6 to 7 inches around) Each \$1.50, 3 for \$3.75**

Emerald Trumpet

B 89 Emerald Trumpet—Here is a rare beauty for the flower lovers of America. Flowers are a cool icy green with emerald stripes down the outside of the petals. A vigorous grower producing tall stems with more and more flowers each year. Plant where they will receive afternoon shade which will make the color even more beautiful.

Large bulbs (5 to 7 inches around) Each \$2.00, 3 for \$4.75

Golden Clarion

B 81 Golden Clarion has created a greater sensation in Flower Shows throughout the world than any other introduction for many years. Not only the size, often measuring over 6 inches long and 6 inches across, but the color takes your breath away, ranging from exquisite lemon-yellow to rich golden-yellow. They produce strong stems 4 to 6 feet tall with large clusters of flowers at the top. They are so new and scarce that hardly any one has seen them.

Large bulbs (6 to 7 inches around). Each \$1.50, 3 for \$3.75

Inter-State's Glads

DOUBLY GUARANTEED

1. Guaranteed to please you when you get the bulbs.
2. Guaranteed to please you when they bloom this summer.

When you receive the bulbs, if you are not satisfied, return just one-half of them and we will refund the money you paid us for all of them. When they bloom, if you are not delighted, you may select from our catalog, without cost, anything you wish equal to the amount you paid us for the glads. Finest of all flowers for cutting.

NEW VARIETIES • BETTER COLORS • LARGER SPIKES

Here we offer you one of the finest selections of Gladiolus (Glads for short) in America. Many are new, all are good. The ratings mentioned under various varieties below are the results of the voting by the Gladiolus Symposium. They have excelled in form, flower placement, vigor and color. Glad bulbs are ideal gifts for a relative or friend. We will ship direct to them, Postpaid, enclosing a gift card with your name.

Because we take great care in selecting our Glads we sell them by the millions, sending them to every state. We offer 2 sizes of bulbs. The **LARGE** are 1 1/4 to 2 inches across (diameter) and the **MEDIUM** are 1 to 1 1/4 inches across. All will bloom this summer, the larger bulbs producing bigger spikes. They are so easy to grow. Plant them 5 to 6 inches deep and 6 inches apart. Make your first planting when you make your early garden. Then make several plantings, 2 weeks apart and you will have the lovely flowers for many weeks. Takes around 75 days from planting to blooming. **ALL GLADS ARE POSTPAID.**

Glads by Color

This special offer is made for those who enjoy fine Glads by separate colors, yet do not care to bother keeping record of the names. The same beautiful varieties as listed on pages 71 and 72 are included, each color sacked separately. The **MEDIUM BULBS** are 1 to 1 1/4 inches across (diameter) and the **LARGE BULBS** are 1 1/4 to 1 1/2 inches across (diameter). Both sizes will bloom this summer but the larger bulbs produce longer spikes. **WE GUARANTEE BOTH SIZES TO PLEASE YOU, WHEN YOU GET THE BULBS AND ALSO WHEN THEY BLOOM THIS SUMMER.** We have selected the six most popular colors. If you bought these very same Glads by name, they would cost you considerably more. Postpaid.

ALL AMERICA GLADS FOR 1961

Y 91 China Blue (P.A.F.)—Here is a true All America—large size, vigorous grower, tall spikes with 20 or more ruffled florets of soft blue-violet with a deep violet blotch. A breathtaking sight.

Y 92 Gypsy Dancer (P.A.F.)—The gracefully ruffled florets are a fresh, vibrant scarlet-orange with a sunburst of yellow on the lower petals. Tall, straight spikes with 6 to 8 florets open at once.

Y 93 Rusty (P.P. 1781)—The first All America "smoky", a luscious shade of chocolaty red with a velvety, bright red thumb mark on the lip petal and a silver picotee outlining each petal.

1958, 1959 and 1960 All America Glads, see prices above

Y 90 Landmark (P.P. 1933)—Large 5 to 6 inch beautifully ruffled, rich cream flowers are carried on unusually strong stems.

Y 99 Little Pansy (P.P. 1934)—All America's first Table Glad or Tiny Tot. The rich, velvety blue "blotch" adds an elegant touch to the lively, light violet florets. Perfect for table bouquets.

Y 95 Joyous (P.P. 1832)—The large ruffled florets of rich, velvety rose are borne in elegant splendor. 1959 All America.

Y 96 Emperor (P.P. 1655)—1958 All America Winner, a spectacular combination of regal purple with ermine-white throats.

YY 97 1 Each of All 7 All America Glads, All 7 for \$1.95

Y 27 Elizabeth the Queen—This variety is one of the finest lavenders we ever saw. Flowers are large, beautifully ruffled and the most exquisite lavender you could imagine. It has been our most popular Glad for several years.

	3 for	6 for	12 for	25 for

Y 29 Florence Nightingale—The tall spikes, large flowers, beautifully ruffled, snow-white with light ivory throat are impressive both in the garden and in a bouquet. 3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium... **35c 55c 1.00 1.85**

Y 28 Friendship—Beautifully ruffled, perfect form on tall straight stems and the color is the purest pink with an ivory-white throat and a frosty sheen over the entire flower as if sprinkled with powdered stars.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium... **35c 55c 1.00 1.85**

Y 33 Gold—The perfect spikes are almost four feet tall of the most beautiful, ruffled, rich golden-yellow flowers. When you see it bloom you'll know why it always wins the Blue Ribbons.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 16 Green Ice—The best of the new "Green" Glads—a light chartreuse shading deeper in the throat that blends well in bouquets. Produces fine, long spikes with up to 22 buds per spike, a superb exhibition flower. For something new, unusual and different, try Green Ice this spring. Pictured on page 70.

3 for 6 for 12 for 25 for
Large.... **75c \$1.35 \$2.35 \$3.95**
Medium.. **60c .95 1.65 2.95**

Y 32 Greenland—Here is another new color in Glads, deep cream with a greenish glow. Large florets, exquisitely ruffled and perfectly placed on tall, graceful spikes, make this superb for cutting.

3 for 6 for 12 for 25 for
Large.... **60c \$1.00 \$1.85 \$3.25**
Medium.. **45c .80 1.45 2.45**

Y 35 Harry Hopkins—The flowers of this new Glad are enormous, perfect form and the color is a rich ruby-wine that fairly glistens and does not fade or fleck.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium.. **35c 55c 1.00 1.85**

Y 43 King David—This has been a show winner since it was first introduced. The rich, velvety purple flowers have a faint silver picotee. The tall, tapering spikes reach over 4 feet tall.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 44 Leif Erickson—We call this new variety the "Chartreuse Glad." The buds are a delicate chartreuse opening to lovely ruffled flowers of deep cream. A vigorous, healthy variety with 7 to 9 flowers open at once.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 41 Lorelei—The most talked about new Glad in America today. The lovely ruffled florets of glistening pure cream are beautifully displayed on tall graceful spikes. Healthy bulbs that produce strong stems with large enchanting flowers. It is rated the No. 1 Cream. We recommend this in place of White Gold.

3 for 6 for 12 for 25 for
Large.... **60c \$1.00 \$1.85 \$3.25**
Medium.. **45c .80 1.45 2.45**

Y 51 Mother Fischer—This and Florence Nightingale are rated as the finest of all white Gladiolus. Both are magnificent. Every bulb of Mother Fischer will produce a perfect spike of beautifully ruffled flowers as pure white as new fallen snow.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 54 Noweta Rose—Carl Fischer, one of America's top hybridizers, considers this his most sensational Glad. Straight, strong spikes often 5 feet tall with flowers 5 to 6 inches across, ruffled, a sparkling deep lavender-rose. Plant the bulbs an inch or two deeper than others because the spikes are so tall and heavy.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 58 Pactolus—This new Glad is the most spectacular and brilliantly colored we have ever seen. Reminds you of a bright setting sun in an amber evening. The flowers are nicely ruffled, a glowing apricot-gold with brilliant orange-red blotch.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium.. **35c 55c 1.00 1.85**

Y 59 Palette—The most unusually colored glad we have ever seen, brilliant vermilion red with a purple blotch. For those of you who want the very latest, try Palette this spring.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 56 Prospector—This great new yellow Glad has everything—beautiful ruffles, rich yellow color, perfect placement, and healthy bulbs that produce strong tall spikes. A golden-buff shading on the lower petals adds a lovely artistic touch.

3 for 6 for 12 for 25 for
Large.... **60c \$1.00 \$1.85 \$3.25**
Medium.. **45c .80 1.45 2.45**

Y 67 Red Charm—Without question this is one of the very best crimson Glads grown today. The flowers are large, perfect form, many open at once and come on tall straight stems.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium.. **35c 55c 1.00 1.85**

Y 68 Redcoat—Pictured on page 70. Here is a true Grand Champion red Glad. As many as 25 buds grace the tall spikes and, with 8 or more fully open florets, no other red can match its beauty or brilliance. You'll also enjoy the perfect placement, elegant ruffles and the vigorous growth. Be sure to try Redcoat this spring.

3 for 6 for 12 for 25 for
Large.... **75c \$1.35 \$2.35 \$3.95**
Medium.. **60c .95 1.65 2.95**

Y 69 Red Radiance—Smooth velvety textured brilliant scarlet without any markings. Large flowers 5 to 5½ inches across on tall stately spikes, opening 7 to 9 florets at one time. One of the highest rated of all Glads.

3 for 6 for 12 for 25 for
Large.... **60c \$1.00 \$1.85 \$3.25**
Medium.. **45c .80 1.45 2.45**

Y 80 Regina—This great new Glad stood out like a beacon in our fields last summer, huge spikes nearly shoulder high of glowing orange. Rated the top variety of its color.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 70 Reward—New for 1961. Of all the fine new yellow Glads Reward is tops. In the garden or in bouquets it simply radiates golden loveliness. Each exquisitely ruffled floret is superbly placed and they open perfectly all the way to the top. Pictured on page 70.

3 for 6 for 12 for 25 for
Large.... **75c \$1.35 \$2.35 \$3.95**
Medium.. **60c .95 1.65 2.95**

Y 75 Salman's Sensation—The spikes are simply huge, up to 5 feet tall with 15 to 20 florets of enchanting violet blue. This is truly the "sensation" of all Mr. Salman's great Glad introductions.

3 for 6 for 12 for 25 for
Large.... **60c \$1.00 \$1.85 \$3.25**
Medium.. **45c .80 1.45 2.45**

Y 65 Sans Souci—We picked this new scarlet—as one of the best new red Glads. Its easy grace, perfect form and glowing color makes it a standout in any planting or any bouquet. Fast becoming an all time favorite with the florists.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 71 Sierra Snow—Considered one of the finest new whites. The name is perfect for the tall, strong spikes with large flowers as white as new fallen snow. Many large, ruffled florets open at once. Should be in every glad garden.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 77 Southern Belle—One of the finest new novelties. A rich pink with contrasting ivory throat overlaid with a smoky haze of silvery blue. Tall, perfect spikes of ruffled flowers so unusual and different yet lovely and charming.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 63 Sparkling Eyes—One of the most startling, eye-catching glads we have ever seen, sparkling white with a glowing purple blotch in the throat. Magnificent for bouquets, appealing in the garden.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 79 Spic and Span—Recognized as the greatest of all Glads regardless of color. It has everything a winner should have, beautiful flowers, perfect form, wonderful spikes, excellent grower and rich color. Produces 20 or more ruffled, deep pink flowers on extra long spikes which never crook.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium.. **35c 55c 1.00 1.85**

Y 73 Spotlight Yellow—Large blooms of perfect form. The color is a clean, clear, yet brilliant yellow with small red mark in the throat which greatly enhances its beauty.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium.. **35c 55c 1.00 1.85**

Y 78 Sweet Sixteen—A pure sparkling light pink that we have never seen in any other flower. Perfectly formed and perfectly spaced flowers on tall stately spikes reaching 5 feet have made this a favorite everywhere.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 76 The Rajah—We rate this new Glad as the finest, most beautiful of all purples. The tall spikes are almost shoulder high, with large ruffled flowers of lustrous true-purple. Makes an ordinary bouquet a prize winner. Every bulb will produce a perfect spike.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 81 Traveler—A delicate rose-lavender. We rate this great new glad better even than the famous Elizabeth the Queen. Traveler has taller spikes, more flowers, finer color. Be sure to try some this spring. Pictured on page 70.

3 for 6 for 12 for 25 for
Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 55 Violet Charm—One of the most unusually colored glads we know, an elegant shade of light lavender-violet with a deeper violet blotch in the throat tipped with a rich cream. Pleasingly ruffled flowers are perfectly placed on tall, strong spikes.

Large.... **50c 90c \$1.65 \$2.95**
Medium.. **40c 70c 1.25 2.15**

Y 83 White Goddess—Very new and conceded to be right at the top of the large ruffled whites. A magnificent spike, very heavily ruffled flowers of heavy substance.

3 for 6 for 12 for 25 for
Large.... **45c 80c \$1.45 \$2.65**
Medium.. **35c 55c 1.00 1.85**

TABLE GLADS for Incomparable Arrangements

Y 100 Table Glads ("Tiny Tots" or miniatures) will make you the envied hostess as you display your artistic touch in charming table arrangements. The exquisite 2 to 3-inch florets on 12 to 15-inch spikes are so easy to blend with foliage and complimentary flowers for the loveliest bouquets. They bloom early and are so easy to grow from healthy bulbs 1¼ inches or more across. Many beautiful assorted colors. Try several this spring—you'll be happy you did when they bloom this summer. Postpaid.

6 for \$1.00, 12 for \$1.85, 25 for \$3.25, 50 for \$5.95

Rose Form Begonias, above

New ROSE-FORM BEGONIAS

Begonias, the most beautifully colored of all flowers, are now available in the ultimate classical form, that which closely resembles the rose. Created by Frank Reinelt, the double blooms often reach 6 inches or more across, sensational in size, color and form. These are large, healthy bulbs, 1½ to 2 inches across that will bloom profusely all summer in radiant colors including white, pink, red, orange and yellow.

P 348 Mixed Colors, Each 60c, 3 for \$1.50 Postpaid

Blue Lily of the Nile, Agapanthus

M 53 Blue Lily of the Nile, Agapanthus. Produces tremendous clusters of gorgeous blue Lily-like flowers on strong stems 2 to 3 feet tall in late summer. They last for several weeks. Start indoors in pots, then move outdoors after growth is well started. Place pots in full sun or part shade after danger of freezing weather is past. Dig in late fall and keep in a dark, cool place. Postpaid. **Each \$1.25, 3 for \$3.00**

Calla Lilies, below

POPULAR CALLA LILIES

These are so popular as indoor potted flowers. They can also be planted outdoors in late spring for glorious flowers in late summer. Their bright, clean colors with rich green foliage will add charm and beauty to your garden. Will bloom this summer.

Dig in late fall and store like Glad bulbs.

B 298 Tuberose, The Pearl, Double Flowered—Same as the popular single flowered above except these have lovely, large double flowers.

Large No. 1 Bulbs 3 for 95c, 6 for \$1.65

Grow Prize Dahlias

Dahlias are the largest and most beautifully colored of all the late summer and fall flowers. Easy to grow, we send simple planting instructions with every order. For exhibition, nip off the side branches allowing only a few main stems to grow. For lots of flowers, nip the ends of the main shoots when only a foot or so tall, making them branch. A young, small to medium-size bulb will do much better than a large, sappy, over-grown bulb. Even though Dahlias are planted late, we suggest that you order them early. They will keep perfectly in a moderately cool place, until planting time. ALL DAHLIAS ARE POSTPAID.

Just look at these low prices for fine Dahlias
— All will bloom this late summer and fall.

Giant Dahlias

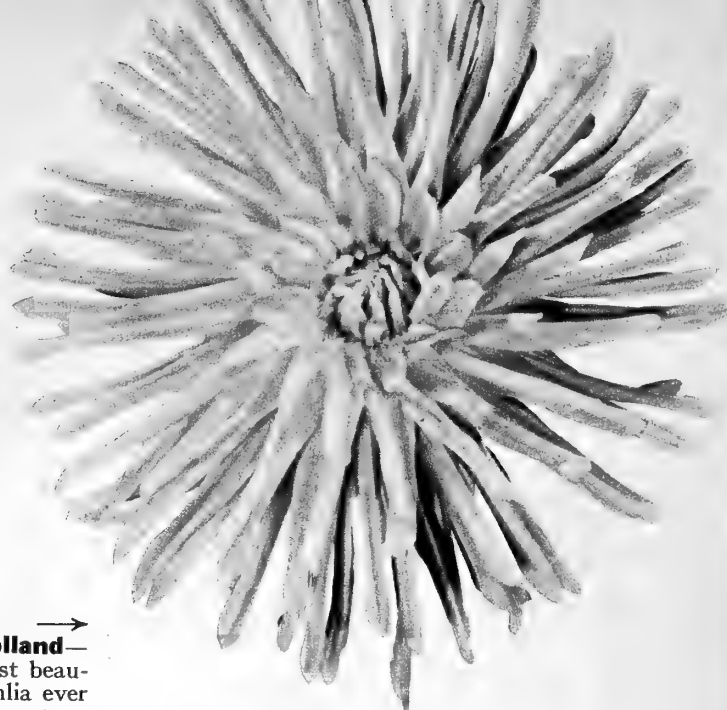

B 6 Avalon—We rate this the best all-around yellow Dahlia. Perfectly formed large flowers freely produced on strong stems. Starts blooming early in the season and keeps it up until frost. Never fails to please you. **Each 75c**

B 17 Commando—Immense, deep flowers almost a foot across of enchanting lilac-blue. One of the most spectacular Dahlias we have seen. It certainly has won many blue ribbons. **Each 75c**

B 15 Mrs. George Le Boutillier—By far the most popular Dahlia regardless of color. Everyone likes it, especially the men. Huge flowers of rich crimson, the greatest of all reds. **Each 75c**

GIANT DAHLIA SPECIAL, Postpaid

BB 30 One Each Above 3 Dahlias only \$1.75

LILY-OF-THE-VALLEY

M 193 Everybody loves these delightfully fragrant white flowers pictured above. They thrive in full shade on the north side of your home where few plants will live. They also do just as well right out in the full sun. We send you bunches of 6 Pips per bunch which will bloom this season. Postpaid.

One Bunch 60c, 3 Bunches for \$1.50

Plantain Lily, above

M 226 Plantain Lily (Funkia Sub. Grand.) Pictured above. Especially fine for shady places but it also grows in the sun. Grows 18 inches tall with attractive large deep green leaves. The flowers are large, pure white, fragrant and resemble Easter Lilies when fully open. Blooms freely in August and September.

Each \$1.25, 3 for \$3.25 Postpaid

M 228 Variegated Plantain Lily—Similar to the one pictured above only the leaves are attractively variegated with silvery-white. The lilac-colored, bell-shaped flowers bloom on 18 inch spikes.

Each 75c, 3 for \$1.95 Postpaid

Hardy Ferns

Many ask us "What can I plant in shady places?" Among the very best, are these Hardy Ferns. They thrive in the shade. That is their natural home. Perfectly hardy, they come up year after year.

M 120 American Maidenhair—Fine on north side. Grows a foot tall.

M 121 Hayscented—Grows in semi-sunny places as well as shade. 12 to 18 inches tall.

M 122 Interrupted—Good for foundation planting in shade or part shade. 2 to 4 ft. tall.

M 123 Lady—Pictured. Likes the shade. 1 to 2 feet tall.

M 124 Ostrich Plume—Especially fine for a shady, rather moist spot. 2 to 4 feet tall.

Perennials FOR SHADY SPOTS

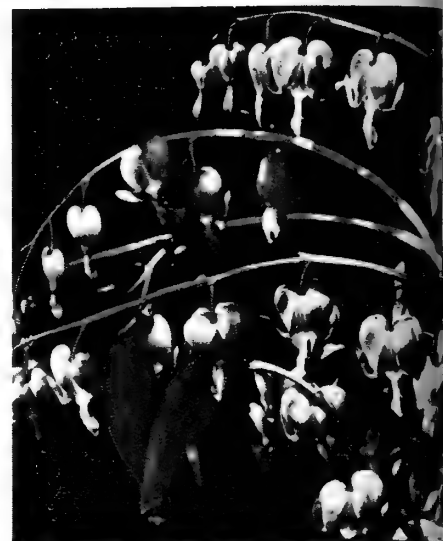

Bleeding Heart

(OLD FASHIONED)

M 58 Bleeding Heart, Old Fashioned—A favorite in Grandmother's garden half a century ago, it is equally popular today. Grows 2 feet tall. Thrives in partial shade, but will grow in full sun. Attractive foliage. Graceful heart-shaped pink flowers in April-May. The plant becomes larger, more beautiful, each passing year.

Each \$1.00, 3 for \$2.65, Postpaid

M 60 Bleeding Heart, Fern Leaf (Eximia)—Lovely pink flowers are produced continuously from late spring right through summer into fall. Fern-like foliage is very attractive. Grows a foot tall in sun or shade. Hardy, easy to grow. Fine border plant. **Each 60c, 3 for \$1.50, Postpaid**

Bleeding Heart, Old Fashioned

Fancy-leaved Caladium

For a continuous foliage display from late spring to frost, no other plant equals these. Easy to grow, in sun, partial shade, even full shade. In the fall before freezing weather, dig and store like Cannas. Or you can pot them for winter use indoors. Make stunning arrangements. Plant 4 inches deep in late spring after ground warms up. You can have Mixed Colors or Separate Colors, Red, Pink or White. These are first quality bulbs. Naturally the Large Bulbs have more eyes than the smaller and will produce more foliage. For an earlier start, it is best to pot the bulbs and keep them indoors until all danger of frost is past.

All-America Seed Winners

GLORIOSA DOUBLE DAISY

1961 All America Winner, pictured above

870 Gloriosa Double Daisy has rich golden yellow blossoms, some so fully double they look like bright golden balls while others have a lovely contrasting dark velvet center. The large flowers reach 4 inches or more across, held erect on strong, free-blooming plants 3 feet tall. Bloom all summer long, right through the hottest months. A tremendous new All America Selection. **Pkt. 50c**

**All-America Winners
are chosen after careful
selection and testing**

ALYSSUM, ROSIE O'DAY

1961 All America Winner, pictured above

871 Alyssum, Rosie O'Day is covered with rich rose-pink flowers from early summer until frost. Easy to grow, perfect for edging, borders, beds or ground cover. Grows only 3 to 4 inches tall and has a delightful fragrance. **Pkt. 50c**

PETUNIA, CORAL SATIN

1961 All America Winner, pictured above

872 Petunia, Coral Satin—The newest of the famous F₁ hybrid multiflora Petunias, this is ideal for bedding or borders. The compact, 12-inch, prolific plants give a grand display of rich coral salmon-pink all season. Coral Satin, with its typical hybrid vigor, free-flowering and beautiful color, makes it a welcome addition to the All America family. **Pkt. (150 seeds) 50c**

SNAPDRAGON, Red Rocket

867 Snapdragon, Red Rocket—is the top All America for 1960, winner of the cherished Silver Medal. Makes strong, vigorous plants with base branching producing 10 or more stems each with 2½ foot flower spike for a splendid garden display. The flowers are a rich, velvety crimson-red with distinctive foliage and stems of dark reddish-green. Far superior to any other red "snap". **Pkt. 50c**

Below, Snapdragon, Red Rocket

Phlox, Glamour, 1960 All America Winner

868 Phlox, Glamour—presents a lovely new color in annual phlox, a gorgeous, clean salmon-pink of unusual brightness, with a creamy-white eye for delightful contrast. The flowers are borne in large graceful clusters on dwarf bushy plants. The soft pastel color blends harmoniously in the garden or bouquets. **Pkt. 50c**

MARIGOLD, Toreador

869 Marigold, Toreador—Newest of the Giant F₁ Hybrid American Marigolds, Toreador produces loosely ruffled, fully double flowers up to 5 inches across and nearly as deep. The bright orange deepens in the center which highlights the bright outer petals. A strong, prolific bloomer on 2-foot stems, excellent for cutting. Blooms from early summer to frost, a full season of color in your flower border. **Pkt. 50c**

Below, Marigold, Toreador

INTER-STATE'S GUARANTEED-TO-GROW FLOWER SEEDS!

New Ortho-Polka Zinnias, above

250 Zinnia, Ortho-Polka (36)—An outstanding new Zinnia. Far superior to Peppermint Stick Zinnia, with flowers twice as large (4 inches across) and brighter colors. The broad, fully double flowers come in the most striking color combinations such as pink, rose, red, or purple with white; red, orange, scarlet with yellow and many others. The plants are vigorous, healthy, drought resistant with strong, long stems for cutting. **Pkt. 25c**

807 Zinnia, Pride of Dieldrin (30)—A new cactus flowered Zinnia which we feel is far superior to any other in its color. So brilliant they shine like beacons in the garden, a stand-out as far as the eye can see. Large quilled flowers with centers of scarlet-flame with golden orange outer petals. Strong, stiff stems fine for cutting. **Pkt. 25c**

804 Zinnia, Dark Jewels (36)—The best, brightest colored mixture ever introduced. Dark Jewels contains such bright cheerful colors as golden yellow, spirea red, cherry, lavender, flame, orange and scarlet with just enough white for contrast. Immense blooms—ruffled and quilled for gorgeous bouquets. **Pkt. 25c**

Zinnias, Dark Jewels

166 Marigold, Parisian Hybrids (12)—Every bloom blotched or striped in all the colors and tones known to Marigolds. Rich green foliage with blooms that average 2½ inches across. Free blooming. **Pkt. 20c**

163 Marigold, Burpee Gold (30)—Gives an abundance of glorious deep orange double blooms, 3½ inches across. **Pkt. 20c**

806 Marigold, Glitters (32)—All-America Winner. Bright lemon-yellow flowers, fluffy and 3 inches or more across. **Pkt. 25c**

164 Marigold, Crackerjack (30)—Large flowers (4 to 5 inches across), striking colors, fully double, held majestically above the attractive foliage on strong stems. The color range is superb, primrose, yellow, gold to bright orange. **Pkt. 25c**

PETITE MARIGOLDS 1958 All America Winner

Here are ideal edging plants, the most dwarf growing of double French Marigolds. They grow only 5 to 8 inches tall and are covered with brilliantly colored 1 to 1½ inch flowers.

The new, improved duster is a sturdy fiber container, easily operated by pumping stroke, as illustrated.

1. NON-POISONOUS TO HUMANS AND DOMESTIC ANIMALS WHEN USED AS DIRECTED.

2. MULTI-PURPOSE—Has a triple action on certain insects—as a stomach poison, a contact poison and as a repellent.

3. EFFECTIVE—Satisfied users everywhere recommend Bug-Dust-O-Cide.

4. EASY-TO-USE—ready to apply—no mixing, no fuss or bother.

Have Earlier,
Larger, More
Tomatoes
by using

Blossom-Set

You will have Earlier, Larger, Meatier and More Tomatoes by using "Blossom-Set," an approved plant hormone. Tested by U.S.D.A. and leading universities. Easy to use, just mix with water. It makes the fruit set better, prevents the falling of the first blossoms. The tomatoes will ripen 2 weeks or more earlier. The plants will produce larger, firmer, meatier fruits with fewer seeds, better flavor and richer color. Use it also on CUCUMBERS, EGG PLANTS, PEPPERS, SQUASH. Makes them produce more and better. Full instructions on the bottle. Guaranteed satisfactory. Postpaid.

Hardy Amaryllis, Surprise Lily, above

Hardy Amaryllis, **SURPRISE LILY**

at a sensational, new, low price **3 for \$1.00** Postpaid

B 151 Hardy Amaryllis (*Lycoris squamigera*). This spring, 1961, we are able to offer this remarkable bulb at new low prices. This is possible only because we sell them by the tens of thousands. Finest quality bulbs that will thrive and bloom in your garden for years, with more and more beautiful flowers each year. This amazing bulb produces attractive green foliage in the spring. The foliage then dies down. In August the flower stalks shoot up 2 feet tall with large Lily-shaped flowers, a lovely orchid-pink. There are often 8 to 12 flowers on a single stem. Perfectly hardy here but we do not advise planting in cold states like Minnesota, Dakotas, etc. These bulbs are larger than ordinary and generally sell for 50¢ or more each. Plant so the bulb is covered with 4 to 5 inches of soil. **POSTPAID.**

Large Bulbs (5 to 6 inches around) Each 40¢, 3 for \$1.00, 6 for \$1.75

BALLERINA

Fabulous Super Ruffled Double Tuberous Begonias

Only once in many years is a new creation so outstanding that it makes everything before it seem commonplace. Such is the new fabulous Super Ruffled Double Tuberous Begonia, Ballerina, created by the greatest Begonia Hybridizers in all the world, Allan Brown and Frank Reinelt. They combined the best qualities of the Camellia and Carnation types. Never in all our years of bringing gardeners the newest and the best, have we seen a flower so enchantingly beautiful. Truly supreme in beauty, vigor and splendid form, with infinite variations of frills, ruffles and scallops. Extra large flowers, 5 to 6 inches across with many even larger. You will find nothing to compare with them. Normally a new Begonia so far superior would sell for \$1.00 each or more, but now we offer you Ballerina for this special low price. Their popularity will sweep the nation like a tidal wave. Plant them in shade, especially afternoon shade, for spectacular big blooms, full to the center, banks of showy, brilliant color all summer long. They will bloom this season, the center of attraction, your special joy and delight. If you want to start them indoors, the bulbs are ready for shipping January 30. Please mention if you want them early.

1961 AARS Roses of the Year!!

Pink Parfait

All America Grandiflora

C 236 Pink Parfait (P.P. 1904). This fabulous new rose is only the third Grandiflora to ever win the coveted AARS Award. Like its famous predecessors Queen Elizabeth and Starfire (page 39) it has all of the qualities of a great rose . . . gorgeous color, luxuriant foliage, high-centered, double flowers and tremendous freedom of bloom. From late spring until autumn it produces glorious flowers by the dozens. The color is a dazzling rose-pink, so bright and cheerful in the garden, and exquisite for bouquets. Postpaid.

Duet

All America Hybrid Tea

C 28 Duet (P.P. 1903). Like its musical name suggests, Duet brings a thrilling new two-tone combination to All America Roses. As the perfect buds unfold, the flower displays facing petals of soft salmon-pink with the reverse side a rich, sparkling orange-red. And this beautiful blending of two warm, lovely colors is unfading, holding its rich color and form all season. The vigorous, healthy plants are the most free-blooming of any hybrid tea we have ever seen, literally covered with flowers from June to Frost. Postpaid.
